Agent and Lenders hereby reserve all rights granted under the Credit Agreement, the other Loan Documents, this Amendment and any other contract or instrument between any Loan Party, on the one hand, and Agent or any Lender, on the other hand.

No Person other than a party hereto is intended to be a beneficiary hereof and no Person other than a party hereto shall be authorized to rely upon or enforce the contents of this Amendment.

17. Successors and Assigns. This Amendment will be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

SECTION 2 AMOUNT AND TERMS OF COMMITMENTS

2.1 Commitments; Repayment.

(a) Term Loan. Subject to the terms and conditions hereof, Lenders agree to make a term loan on the Closing Date in the aggregate initial principal amount of \$55,000,000 (the “**Term Loan**”). Once repaid, no portion of the Term Loan may be re-borrowed. Upon the funding on the Closing Date, the Term Loan Commitment shall be immediately terminated and reduced to \$0.

(b) Notes. The Advances made by each Lender may, upon request by each Lender, be evidenced by a promissory note payable to the order of Agent, for the benefit of such Lender, substantially in the form of Exhibit D (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, a “**Note**”), executed by Borrower and

delivered to such Lender. Each Note shall be in a stated maximum principal amount equal to such Lender's Term Loan Commitment, as applicable.

(c) Mandatory Repayments.

(i) To the extent not previously paid, the then outstanding Term Loan and all other Obligations shall be due and payable on the Maturity Date, together with all accrued and unpaid interest on such Obligations to be paid to and including the date of payment and any Make Whole Premium and other Obligations.

(ii) Upon receipt by Borrower of the proceeds of any Prepayment Event, Borrower shall make a prepayment of principal of the Term Loan in an amount equal to 100% of the Net Cash Proceeds of such Prepayment Event, together with any accrued interest on such amount and any Make Whole Premium payable pursuant to Section 2.1(e) in connection therewith. Notwithstanding the foregoing and provided no Event of Default has occurred and is continuing, in the case of any event of the type described in either clause (a) or (b) of the definition of the term "Prepayment Event", such prepayment shall not be required to the extent Borrower reinvests the Net Cash Proceeds of such Prepayment Event, in assets of a kind then used or usable in the business of Borrower and in which Agent has a first-priority perfected Lien within ninety (90) days (with respect to clause (a)) and one hundred eighty (180) days (with respect to clause (b)) after the date of such Disposition or enters into a binding commitment thereof within such period and subsequently makes such reinvestment, provided until such date of reinvestment such Net Cash Proceeds are deposited into a Controlled Account over which Agent has a first-priority perfected Lien.

(d) Voluntary Prepayment. With thirty (30) days' prior written notice, Borrower may at any time voluntarily prepay, in whole or in part, the principal amount of the outstanding Term Loan, provided that (i) all accrued and unpaid interest and fees with respect to the outstanding Obligations are paid simultaneously with such voluntary principal payment; provided, further, that to the extent such voluntary principal payment occurs on or before the date that is eighteen (18) months following the Closing Date, such payment shall be accompanied by payment in full in cash of the Make Whole Premium on the amount of the Term Loan repaid and all other earned and unpaid fees.

(e) **Make Whole Premium.** To the extent any payment pursuant to Sections 2.1(c) or 2.1(d) occurs on or before the date that is eighteen (18) months following the Closing Date, any prepayment made (i) pursuant to Section 2.1(c)(ii) as a result of a Prepayment Event described in clauses (a), (c), (d) or (e) thereof, or Section 2.1(d), shall be accompanied by payment in full in cash of the Make Whole Premium. Any Make Whole Premium payable in accordance with this Agreement shall be presumed to be equal to the liquidated damages sustained by the Lenders as the result of the occurrence of any event triggering the prepayment of such Make Whole Premium and Borrower agrees that it is reasonable under the circumstances currently existing. The parties hereto acknowledge that the Make Whole Premium shall survive acceleration of the Obligations and/or the occurrence of any insolvency proceeding, and shall automatically accrue to the principal amount of the Term Loan pro rata and shall constitute part of the Obligations for all purposes herein. If the Term Loan is accelerated for any reason

pursuant to the terms herein, the Make Whole Premium shall be calculated as if the date of acceleration of the Term Loan was the date of prepayment of the Term Loan. THE BORROWER EXPRESSLY WAIVES THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE FOREGOING MAKE WHOLE PREMIUM IN CONNECTION WITH ANY ACCELERATION. The Borrower expressly agrees that: (A) the Make Whole Premium is reasonable and is the product of an ~~arm's~~arm's length transaction between sophisticated business people, ably represented by counsel; (B) the Make Whole Premium shall be payable notwithstanding the then prevailing market rates at the time payment is made; (C) there has been a course of conduct between Lenders and Borrower giving specific consideration in this transaction for such agreement to pay the Make Whole Premium; (D) Borrower shall be estopped hereafter from claiming differently than as agreed to in this paragraph; (E) Borrower's agreement to pay the Make Whole Premium is a material inducement to Lenders to extend the Term Loan; and (F) the Make Whole Premium represents a good faith, reasonable estimate and calculation of the lost profits or damages of Lenders and that it would be impractical and extremely difficult to ascertain the actual amount of damages to Lenders or profits lost by Lenders as a result of such event triggering payment of the Make Whole Premium.

2.2 Advances.

(a) Procedure for Borrowing. Subject to the terms and conditions of this Agreement, Borrower may borrow the Term Loan on the Closing Date; provided, that Borrower shall give Agent a Notice of Borrowing specifying the principal amount of the requested Term Loan to be made, the requested Borrowing Date, and instructions for remittance of the proceeds of the requested Term Loan (which notice must be received by Agent prior to 11:00 am (New York City time) on the Closing Date). The Term Loan shall be in an initial principal amount equal to \$55,000,000 on the Closing Date. Subject to the satisfaction or waiver of the conditions set forth in Section 4, Lenders will fund the principal amount of the requested Advance pursuant to the wiring instructions provided in the Notice of Borrowing on the requested Borrowing Date.

(b) Making of the Term Loan.

(i) Following receipt of a Notice of Borrowing in accordance with Section 2.2(a), Agent shall promptly notify each applicable Lender of the amount of its Applicable Percentage of the requested Advance. Each Lender shall make the amount of its applicable portion of the Term Loan available to Agent in immediately available funds at Agent's office not later than 1:00 p.m. on the related Borrowing Date. Upon satisfaction of the applicable conditions set forth in Section 4.1, Agent shall remit, or cause to be remitted, all funds so received as directed by the Borrower in the Notice of Borrowing.

(ii) Unless Agent receives notice from a Lender prior to 9:30 a.m. on the Business Day that is the requested Borrowing Date relative to a requested Advance as to which Agent has notified the Lenders of a requested Advance that such Lender will not make available as and when required hereunder to Agent for the account of Borrower the amount of that Lender's Applicable Percentage of the Advance, Agent may assume that each Lender has made or will make such amount available to Agent in immediately

available funds on the Borrowing Date and Agent may (but shall not be so required), in reliance upon such assumption, make available to Borrower a corresponding amount. If, on the requested Borrowing Date, any Lender shall not have remitted the full amount that it is required to make available to Agent in immediately available funds and if Agent has made available to Borrower such amount on the requested Borrowing Date, then such Lender shall make the amount of such Lender's ~~Pro Rata Share~~pro rata share of the requested Advance available to Agent in immediately available funds, to Agent's designated account, no later than 10:00 a.m. on the Business Day that is the first Business Day after the requested Borrowing Date (in which case, the interest accrued on such Lender's portion of such Advance for the Borrowing Date shall be for Agent's separate account). If any Lender shall not remit the full amount that it is required to make available to Agent in immediately available funds as and when required hereby and if Agent has made available to Borrower such amount, then that Lender shall be obligated to immediately remit such amount to Agent, together with interest at the Interest Rate for each day until the date on which such amount is so remitted. A notice submitted by Agent to any Lender with respect to amounts owing under this Section 2.3(b)(ii) shall be conclusive, absent manifest error. If the amount that a Lender is required to remit is made available to Agent, then such payment to Agent shall constitute such Lender's Advance for all purposes of this Agreement. If such amount is not made available to Agent on the Business Day following the Borrowing Date, Agent will notify Borrower of such failure to fund and, upon demand by Agent, Borrower shall pay such amount to Agent for Agent's account, together with interest thereon for each day elapsed since the date of such ~~Borrowing~~borrowing, at a rate per annum equal to the interest rate applicable at the time to the Advances composing such Advance.

(c) Independent Obligations. All Advances shall be made by the Lenders contemporaneously and in accordance with their Applicable Percentages. It is understood that (i) no Lender shall be responsible for any failure by any other Lender to perform its obligation to make any Advance (or other extension of credit) hereunder, nor shall any Term Loan Commitment of any Lender be increased or decreased as a result of any failure by any other Lender to perform its obligations hereunder, and (ii) no failure by any Lender to perform its obligations hereunder shall excuse any other Lender from its obligations hereunder.

2.3 Fees. As compensation for the Term Loan Commitment and Agent's commitment to perform its obligations hereunder, Borrower shall pay to Agent for its own account or for the benefit of the Lenders, as applicable, the fees set forth in the Fee Letter and the First Amendment.

2.4 Interest Rates and Payment Dates.

(a) Each Term Loan shall bear interest at a rate per annum equal to the Interest Rate, subject to adjustment as set forth in this Section 2.4.

(b) During the continuance of an Event of Default, the outstanding Obligations shall, at the election of the Agent (or automatically upon an Event of Default pursuant to Section 7.1(a), (d) or (e)) bear interest at a rate per annum equal to the lesser of (i) the rate that would

otherwise be applicable thereto pursuant to the foregoing provisions of this Section plus five percent (5%) and (ii) the maximum rate allowed by applicable Law (the “**Default Rate**”). The terms of this paragraph shall not be construed as Agent’s consent to Borrower’s failure to pay any amounts in strict accordance with this Agreement, and Agent’s charging any such fees and/or acceptance of any such payments shall not restrict Agent’s exercise of any remedies arising out of any such failure.

(c) Accrued interest shall be payable in arrears on each Interest Payment Date; provided that, on or prior to the date that is eighteen (18) months following the Closing Date, a portion of the interest payable on each Interest Payment Date equal to the applicable PIK Limit may be paid on such Interest Payment Date as PIK Interest if not less than five (5) Business Days prior to such Interest Payment Date, Borrower notifies Agent in writing of its intention to pay a portion of such interest in kind on such Interest Payment Date. All PIK Interest shall be compounded on the applicable Interest Payment Date by capitalizing the amount of such PIK Interest and adding the same to the principal balance of the Term Loan, after which such PIK Interest shall accrue interest at the Interest Rate and otherwise constitute principal under the Term Loan for all purposes (including, without limitation, for purposes of calculating interest on the principal amount thereof). For the avoidance of doubt, all accrued and unpaid PIK Interest, together with all other Obligations hereunder, shall be payable by Borrower on the Maturity Date. All interest payable in cash shall be payable on each Interest Payment Date in accordance with Section 2.6.

2.5 Computation of Interest and Fees. Interest and fees payable pursuant hereto shall be calculated on the basis of a 360-day year for the actual days elapsed and shall be calculated on the beginning of day principal balance of the Term Loan outstanding for each day of the relevant calendar month. Each determination of an interest rate by Agent pursuant to any provision of this Agreement shall be conclusive and binding on Borrower in the absence of manifest error. For the avoidance of doubt, Advances shall be included in the daily principal balance on the date they occur.

2.6 Payments.

(a) Unless otherwise specified herein or in any other Loan Document, prior to (or simultaneously with) making any principal payment on the Term Loan, Borrower shall deliver to Agent a Payment Notice (which such Payment Notice shall be irrevocable and binding unless Borrower otherwise notifies Agent in writing) with respect thereto.

(b) All payments (including prepayments) to be made by Borrower hereunder, whether on account of principal, interest, fees or otherwise, shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff and shall be made prior to 2:00 P.M. (New York City time), on the due date thereof to Agent in Dollars in immediately available funds. Any payment received by Agent after 2:00 P.M. (New York City time), shall be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. If any payment hereunder (other than the capitalization of accrued PIK Interest) becomes due and payable on a day other than a Business Day, such payment due date shall be extended to the next succeeding Business Day, other than with respect to the payment to be made on the Maturity Date, which, if not a Business Day, shall be made on the immediately preceding

Business Day. In the case of any extension of any payment of principal pursuant to the preceding sentence, interest thereon shall be payable at the then applicable rate during such extension.

(c) Nothing herein shall be deemed to obligate Agent or any Lender to obtain the funds for the Term Loan in any particular place or manner or to constitute a representation by Agent or any Lender that it has obtained or will obtain the funds for the Term Loan in any particular place or manner.

(d) All payments, prepayments or repayments of the Term Loan shall be accompanied by payment in full of all accrued and unpaid interest on the portion of such Term Loan being paid, prepaid or repaid to the date of payment, prepayment, or repayment, including the Make Whole Premium as applicable, all other earned and unpaid fees, and all other amounts due and owing hereunder, including without limitation all costs associated with such payment, prepayment, or repayment.

(e) Except as specifically set forth elsewhere in this Agreement and subject to Section 7.3, any payment, prepayment or repayment of the Term Loan shall be made by the Loan Parties to Agent, for the benefit of the Lenders, on a pro rata basis based upon each Lender's Applicable Percentage of the amount of such payment, prepayment or repayment. If at any time insufficient funds are received by and available to Agent or any Lender to pay fully all amounts of principal, interest and fees then due hereunder, such funds shall be applied in accordance with the Lenders' Applicable Percentage or as otherwise determined by Agent in its sole discretion.

(f) Notwithstanding anything to the contrary in this Agreement, Agent or any Lender may, in its discretion at any time or from time to time, without Borrower's request and even if the conditions set forth in Section 4.1 would not be satisfied, make a Term Loan in an amount equal to the portion of the Obligations constituting overdue interest, fees, indemnification payments or any other Obligations from time to time due and payable to itself and apply the proceeds of any such Term Loan to those Obligations.

(g) Notwithstanding any provision of any Loan Document, Agent, in its sole discretion shall have the right, but not any obligation, at any time that Borrower fails to do so, and from time to time, without prior notice, to: (i) discharge (at Borrower's expense) taxes or Liens affecting any of the Collateral that have not been paid in violation of any Loan Document or that jeopardize the Agent's Lien priority in the Collateral; or (ii) make any other payment (at Borrower's expense) reasonably necessary for the administration, servicing, maintenance, preservation or protection of the Collateral (each such advance or payment set forth in clauses (i) and (ii), a "**Protective Advance**"). The Agent shall be reimbursed for all Protective Advances pursuant to Section 2.4 and any Protective Advances shall bear interest at the lesser of (i) the Interest Rate plus ten percent (10%) per annum, and (ii) the maximum rate permitted by Law (the "**Protective Advance Rate**"), payable in cash, from the date the Protective Advance is paid by Agent until it is repaid. No Protective Advance by Agent shall be construed as a waiver by Agent, or any Lender of any Default, Event of Default or any of the rights or remedies of Agent or any Lender. Upon the making of a Protective Advance by the Agent, without any further action on the part of the Agent or any Lender, the Agent will be deemed to have granted to each Lender, and each Lender will be deemed to have acquired from the Agent, without recourse or warranty, a participation in such Protective Advance equal to such Lender's Applicable

Percentage of the amount of such Protective Advance. Each Lender shall transfer (each such transfer, a “*Transfer*”) the amount of such Lender’s Applicable Percentage of the outstanding principal amount of the applicable Protective Advance with respect to such acquired interest and participation promptly when requested to the Agent, to such account of the Agent as the Agent may designate, but in any case not later than 2:00 P.M. (New York City time), on the Business Day requested (if notice is provided by the Agent prior to noon (New York City time) on such Business Day) or otherwise on the immediately following Business Day (each such transfer date, as to the applicable Transfer, a “*Transfer Date*”). Transfers may occur during the existence of a Default or Event of Default and regardless of whether the applicable conditions precedent set forth in Section 4.1 have then been satisfied. Such amounts transferred to the Agent will be applied against the amount of the Protective Advance and, together with each Lender’s Applicable Percentage of such Protective Advance, will constitute Advances of such Lenders, respectively. If any such amount is not transferred to the Agent by any Lender on the applicable Transfer Date, then the Agent may recover such amount on demand from such Lender together with interest thereon. From and after the date, if any, on which any Lender is required to fund, and funds, its participation in any Protective Advance purchased hereunder, the Agent shall promptly distribute to such Lender such Lender’s Applicable Percentage of all payments of principal and interest and all proceeds of Collateral received by the Agent in respect of such Protective Advance in accordance with this Agreement.

(b) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Loan Party under any Loan Document to a Recipient shall be made without deduction or withholding for any Taxes, except as required by any Requirement of Law. If any Requirement of Law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with any Requirement of Law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made. The applicable Recipient and each relevant Loan Party shall cooperate in completing any procedural formalities necessary for the relevant Loan Party to obtain authorization to make payments without any deduction or withholding on account of tax.

(c) Payment of Other Taxes by Loan Parties. The Loan Parties shall timely pay to the relevant Governmental Authority in accordance with any Requirement of Law, or at the option of Agent timely reimburse it for the payment of, any Other Taxes.

(d) Indemnification of Agent and Lenders. Loan Parties shall indemnify any Recipient, within ten (10) days after demand thereof, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.8) payable or paid by such Recipient or required to be withheld or deducted from a payment to the Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate setting forth the amount of such payment or liability delivered to Borrower by a Recipient (with a copy to Agent, as applicable), or by Agent on its own behalf or on behalf of a Recipient, shall be conclusive absent manifest error.

(e) Indemnification of Agent. Each Lender shall severally indemnify Agent, within ten (10) days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that the Loan Parties have not already indemnified Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 8.6(b) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by Agent shall be conclusive absent manifest error. Each Lender hereby authorizes Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by Agent to Lenders from any other source against any amount due to Agent under this Section 2.8(e).

(f) Certification. As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 2.8, the Borrower shall deliver to Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to Agent.

(g) Status of Recipients; Tax Documentation.

(i) Any Recipient that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the applicable Withholding Agent, at the time or times reasonably requested by such Withholding Agent, such properly completed and executed documentation reasonably requested by the Withholding Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Recipient, if reasonably requested by the applicable Withholding Agent, shall deliver such other documentation prescribed by any Requirement of Law or reasonably requested by the applicable Withholding Agent as will enable Borrower or Agent to determine whether or not such Recipient is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than the documentation in Section 2.8(a)(ii)(A), (ii)(B) and (ii)(D)) shall not be required if in Recipient's reasonable judgment such completion, execution or submission would subject such Recipient to any

material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Recipient.

(ii) Without limiting the generality of the foregoing, in the event that Borrower is a U.S. Person,

(A) Any Recipient that is a U.S. Person shall deliver to Borrower and Agent on or prior to the date on which such Recipient becomes a Recipient under this Agreement (and from time to time thereafter upon the reasonable request of the applicable Withholding Agent) properly completed and duly executed copies of IRS Form W-9 (or any successor or other applicable form) certifying that such Recipient is exempt from U.S. federal backup withholding tax.

(B) Any Foreign Recipient shall, to the extent it is legally entitled to do so, deliver to Borrower and Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Recipient becomes a Recipient under this Agreement (and from time to time thereafter upon the reasonable request of the applicable Withholding Agent), whichever of the following is applicable:

(1) in the case of a Foreign Recipient claiming the benefits of an income tax treaty to which the United States is a party, properly completed and executed copies of IRS Form W-8BEN or W-8BEN-E (or successor forms), as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the applicable provisions of the income tax treaty;

(2) properly completed and executed copies of IRS Form W-8ECI (or successor form);

(3) in the case of a Foreign Recipient claiming the benefits of the exemption for portfolio interest under Section 871(h) or Section 881(c) of the Code, (x) a certificate to the effect that such Foreign Recipient is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of any Loan Party within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “**U.S. Tax Compliance Certificate**”) and (y) properly completed and executed copies of IRS Form W-8BEN or W-8BEN-E (or successor forms), as applicable; or

(4) to the extent a Foreign Recipient is not the beneficial owner, properly completed and executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, W-8BEN, W-8BEN-E, a U.S. Tax Compliance Certificate, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable, in a form reasonably acceptable to Borrower; provided that if the Foreign Recipient is a partnership and one or more direct or indirect partners of such Foreign

Recipient are claiming the portfolio interest exemption, such Foreign Recipient may provide in a form reasonable acceptable to Borrower a U.S. Tax Compliance Certificate on behalf of each such direct and indirect partner(s).

(C) any Foreign Recipient shall, to the extent it is legally entitled to do so, deliver to Borrower and Agent (in such number of copies as shall be requested by the recipient) on or about the date on which such Foreign Recipient becomes a Recipient under this Agreement (and from time to time thereafter upon the reasonable request of Borrower or Agent), executed copies of any other form prescribed by a Requirement of Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by Requirement of Law to permit Borrower or Agent to determine the withholding or deduction required to be made.

(D) If a payment made to a Recipient under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Recipient were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Recipient shall deliver to the applicable Withholding Agent at the time or times prescribed by Requirement of Law and at such time or times reasonably requested by such Withholding Agent such documentation prescribed by any Requirement of Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Withholding Agent as may be necessary for the Withholding Agent to comply with their obligations under FATCA and to determine that such Recipient has complied with such Recipient's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this Section 2.8(g)(ii)(D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(iii) Each Recipient agrees that if any form or certification it previously delivered under this Section 2.8(g) expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the applicable Withholding Agent in writing of its legal inability to do so.

(h) Treatment of Certain Refunds. If any Recipient determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified by any Loan Party pursuant to this Section 2.8 (including by the payment of additional amounts pursuant to this Section 2.8), it shall pay to such Loan Party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.8 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) incurred by such Recipient and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that each Loan Party, upon the request of the Recipient, shall repay to the Recipient the amount paid over to such Loan Party by such Recipient pursuant to this Section 2.8(h) (plus any penalties, interest or other

charges imposed by the relevant Governmental Authority) in the event that the Recipient is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 2.8(h), in no event will any Recipient be required to pay any amount to any Loan Party pursuant to this Section 2.8(h), the payment of which would place the Recipient in a less favorable net after-Tax position than the Recipient would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This Section 2.8(h) shall not be construed to require any Recipient to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to a Loan Party or any other Person.

(i) Survival. Each party's obligations under this Section 2.8 shall survive the resignation or replacement of Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Term Loan Commitments and the repayment, satisfaction or discharge of all other Obligations.

2.9 Collections. Each Loan Party shall and shall cause each of its Subsidiaries (other than its Immaterial Subsidiaries) to:

(a) Make (or direct any payor to make) all Collections to a Deposit Account which is, subject to Section 5.13(b), the subject to a Control Agreement (a "***Controlled Account***");

(b) If any Loan Party shall receive any Collections in any manner other than by deposit into the Controlled Account, such Loan Party shall hold such Collections in trust for the benefit of Agent and deposit such Collections into the Controlled Account within three (3) Business Days following such Loan Party's receipt thereof; and

(c) Prevent the deposit into any Deposit Account (other than Excluded Deposit Accounts) of any funds other than the funds to be deposited into such Deposit Accounts under this Agreement or the other Loan Documents (provided that, this covenant shall not be breached to the extent that funds are inadvertently deposited into any of such Deposit Accounts and are promptly segregated and removed such Deposit Account to the Controlled Account).

2.10 Increased Costs

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender; or

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes, and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or;

(iii) impose on any Lender or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or the portion of the Term Loan made by such Lender or participation therein

and the result of any of the foregoing shall be to increase the cost to such Lender of making, converting to, continuing or maintaining the Term Loan or of maintaining its obligation to make any such Term Loan, or to increase the cost to such Lender or such other Person of participating in, or to reduce the amount of any sum received or receivable by such Lender or other Person hereunder (whether of principal, interest or any other amount) then, upon request of such Lender or other Person, Borrower will pay to such Lender or other Person, as the case may be, such additional amount or amounts as will compensate such Lender or other Person, as the case may be, for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender determines that any Change in Law affecting such Lender or any lending office of such Lender or such Lender's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Term Loan Commitments of such Lender or the Term Loan made by such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time Borrower will pay to such Lender or holding company such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender setting forth in reasonable detail the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in Section 2.10(a) or (b) and delivered to the Borrower shall be conclusive absent manifest error. Borrower shall pay such Lender or its holding company, as the case may be, the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) Delays in Request. Failure or delay on the part of any Lender to demand compensation pursuant to this Section 2.10 shall not constitute a waiver of such Lender's right to demand such compensation, provided that Borrower shall not be required to compensate a Lender or other Person pursuant to this section for any increased costs incurred or reductions suffered more than nine (9) months prior to the date that such Lender or other Person, as the case may be, notifies Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or Person's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine (9) month period referred to above shall be extended to include the period of retroactive effect thereof).

2.11 Mitigation Obligations.

If any Lender requires the Borrower to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to

Section 2.8, then such Lender shall (at the request of the Borrower) use reasonable efforts to designate a different lending office for funding or booking its Term Loan hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.8, as the case may be, in the future, and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. Borrower hereby agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

SECTION 3 REPRESENTATIONS AND WARRANTIES

To induce Agent and Lenders to enter into this Agreement and to make the Term Loan, the Loan Parties hereby represent and warrant to Agent and Lenders on the Closing Date and on the First Amendment Effective Date that:

3.1 Financial Condition. None of the Loan Parties have any material Guarantee Obligations (other than pursuant to the Loan Documents), contingent liabilities and liabilities for Taxes, or any long term leases or unusual forward or long term commitments, including any interest rate or foreign currency swap or exchange transaction or other obligation in respect of derivatives, required to be set forth on financial statements prepared in accordance with GAAP that are not reflected in the most recent financial statements.

7.2 Remedies Upon Event of Default. If any Event of Default occurs and is continuing, Agent may take any or all of the following actions:

(a) if such event is an Event of Default specified in Section 7.1(d), the Term Loan Commitment shall immediately terminate automatically and the Term Loan (with accrued interest thereon) and all other amounts owing under this Agreement and the other Loan Documents shall automatically immediately become due and payable, without demand, notice or legal process of any kind, with such rights are hereby waived by the Loan Parties; and

(b) if such event is any other Event of Default, Agent may, or at the direction of the Required Lenders, shall: (i) immediately terminate the Term Loan Commitment; (ii) declare the Term Loan (with accrued interest thereon) and all other Obligations and other amounts owing under this Agreement and the other Loan Documents to be due and payable forthwith, whereupon the same shall immediately become due and payable, without demand, notice or legal process of any kind, which such rights are hereby waived by the Loan Parties; and (iii) exercise all rights and remedies available to it hereunder and under any other Loan Document, under the UCC or at Law or in equity (in each case, in compliance with all applicable law), including, without limitation the right to (A) apply any property of any Loan Party held by Agent or any Lender to reduce the Obligations, (B) foreclose the Liens created under the Loan Documents, (C) realize upon, take possession of and/or sell any Collateral, with or without judicial process, (D) exercise all rights and powers with respect to the Collateral as such Loan Party might exercise, (E) collect and send notices regarding the Collateral, with or without judicial process, (F) by its own means or with judicial assistance, enter any premises at which Collateral is located, or render any of the foregoing unusable or dispose of the Collateral on such premises without any liability for rent, storage, utilities, or other sums, and no Loan Party shall, or permit any Subsidiary or Affiliate to, resist or interfere with such action, (G) at the Loan Parties' expense, require that all or any part of the Collateral be assembled and made available to Agent at any place designated by Agent in its sole discretion, and/or (H) relinquish or abandon any Collateral or securities pledged or any Lien thereon.

Notwithstanding any provision of any Loan Document, Agent, in its sole discretion, shall have the right, at any time that any Loan Party fails to do so, after an Event of Default, without prior notice, to: (A) obtain insurance covering any of the Collateral to the extent required hereunder; (B) pay for the performance of any of the Obligations; (C) discharge Taxes, levies and/or Liens on any of the Collateral that are in violation of any Loan Document; and (D) pay for the maintenance, repair and/or preservation of the Collateral. Such expenses and advances (1) shall be deemed loans hereunder and added to the Obligations until reimbursed to Agent and the Lenders, (2) shall be secured by the Collateral, and (3) at Agent's discretion, shall be deemed a

Protective Advance, and such payments by Agent or any Lender shall not be construed as a waiver by Agent or any Lender of any Event of Default or any other rights or remedies of Agent or any Lender. Each Loan Party agrees that notice received at least ten (10) calendar days before the time of any intended public sale, or the time after which any private sale or other disposition of Collateral is to be made, shall be deemed to be reasonable notice of such sale or other disposition. Each Loan Party acknowledges and agrees that (A) a private sale may result in a lower price than if such sale were a public sale, and notwithstanding such circumstances, agrees that such lower price shall not make such private sale unreasonable, and (B) Agent shall be under no obligation to delay a sale of any of the Collateral for the period of time necessary to permit the issuer thereof to register such securities or other interests for public sale under the Securities Act, or under applicable state securities Laws, even if such registration would result in a higher price than a private sale. If permitted by applicable law, any perishable Collateral which threatens to speedily decline in value or which is sold on a recognized market may be sold immediately by Agent without prior notice to any Loan Party. At any sale or disposition of Collateral or securities pledged, Agent may (to the extent permitted by applicable law) purchase all or any part thereof on behalf of itself and the Lenders free from any right of redemption by any Loan Party which right is hereby waived and released. Each Loan Party covenants and agrees not to, and to cause its Subsidiaries and Agents not to, interfere with or impose any obstacle to Agent's exercise of its rights and remedies with respect to the Collateral. In dealing with or disposing of the Collateral or any part thereof, Agent shall not be required to give priority or preference to any item of Collateral or otherwise to marshal assets or to take possession or sell any Collateral with judicial process. Presentment, demand, protest and all other notices of any kind with respect to the remedies provided in this Section 7.2 are hereby expressly waived by each Loan Party. Each Loan Party hereby irrevocably appoints Agent as its attorney-in-fact for the limited purpose of taking any action permitted under the Loan Documents that Agent deems necessary or desirable (in Agent's sole discretion) upon the occurrence and during the continuation of an Event of Default to protect and realize upon Agent's Lien in the Collateral, including the execution and delivery of any and all documents or instruments related to the Collateral in each Loan Party's name, and said appointment shall create in Agent a power coupled with an interest. Such power of attorney, and proxy with respect thereto, is irrevocable and coupled with an interest and may not be terminated or revoked until all Obligations are paid in full in cash (other than inchoate indemnification obligations for which no claim has been asserted) and all Term Loan Commitments have expired or terminated.

7.3 Application of Funds. After the exercise of remedies provided for in Section 7.2, any amounts received by Agent or any Lender on account of the Obligations shall be applied by Agent in the following order:

- (a) First, to Agent, for the benefit of itself and Lenders, an amount equal to any interest owed with respect to all Protective Advances until paid in full;
- (b) Second, to Agent, for the benefit of itself and Lenders, an amount equal to any principal owed with respect to all Protective Advances until paid in full;
- (c) Third, to payment of that portion of the Obligations constituting fees, reimbursements under Section 8.5, indemnities and other amounts (other than principal, interest, and the Monitoring Fee (as defined in the Fee Letter)) payable to Agent and Lenders (including

reasonable fees, charges and disbursements of counsel required to be paid hereunder) until paid in full;

- (d) Fourth, to Agent, any accrued and unpaid Monitoring Fee;
- (e) Fifth, to payment of that portion of the Obligations constituting accrued and unpaid interest;
- (f) Sixth, to payment of any Make Whole Premium, if applicable;
- (g) Seventh, to payment of that portion of the Obligations constituting unpaid principal and all other Obligations; and
- (h) Last, the balance, if any, after all of the Obligations have been indefeasibly paid in full (other than inchoate indemnification obligations for which no claim has been asserted), to Borrower or as otherwise required by applicable law.

SECTION 8 MISCELLANEOUS

(vii) reduce the percentage specified in, or otherwise modify, the definition of Required Lender, in each case without the written consent of each Lender directly affected thereby;

(viii) release Borrower, any other Loan Party or any other Guarantor from any of their respective obligations hereunder or under any other Loan Document (other than in connection with a disposition permitted hereunder) or consent to the assignment or transfer by Borrower or any other Loan Party of any of their respective rights and obligations under this Agreement or any of the other Loan Documents, in each case without the written consent of each Lender;

(ix) amend, modify or waive any provision with respect to application of payments so as to alter the pro rata sharing of any payment in respect of the Obligations or proceeds of Collateral, in each case without the written consent of each Lender directly affected thereby;

8.3 No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of Agent or any Lender, any right, remedy, power or privilege hereunder or under the other Loan Documents shall operate as a waiver thereof or acquiescence thereto; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers, privileges and remedies provided by virtue of any statute or rule of Law or in any of the other Loan Documents. Any forbearance or failure to exercise, and any delay in exercising, any right, power, privilege or remedy hereunder or any other Loan Document shall not impair any such right, power, privilege or remedy or be construed to be a waiver thereof, nor shall it preclude the further exercise of any such right, power, privilege or remedy.

8.4 Survival of Representations and Warranties. All representations and warranties made hereunder, in the other Loan Documents and in any document, certificate or statement delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Agreement and the other Loan Documents and the making of the Term Loan and other extensions of credit hereunder.

8.5 Expenses; Indemnity; Damage Waiver.

(a) Costs and Expenses.

(i) Except as otherwise provided herein, the Loan Parties, jointly and severally, shall pay the reasonable and documented out-of-pocket transaction and diligence expenses of Agent and the Lenders (including the reasonable and documented out-of-pocket fees, charges and disbursements of any counsel for Agent or any Lender and of any consultants to the Lender) in connection with the initial preparation, negotiation, execution and delivery of the Loan Documents and all actual fees, costs and reasonable and documented expenses of creating and perfecting Liens in favor of Agent, for the benefit of Lenders, including filing and recording fees, expenses and Other Taxes, search fees, title insurance premiums and reasonable and documented fees, expenses and disbursements of counsel to Agent; and

(ii) Loan Parties, jointly and severally, shall pay (a) all reasonable and documented out-of-pocket expenses incurred by Agent or any Lender (including the reasonable and documented out-of-pocket fees, charges and disbursements of any counsel

Except as set forth in Section 8.5(a)(i) above, the Loan Parties, jointly and severally, shall indemnify Agent, each Lender and each Related Party of Agent and each Lender (each such Person being called an "**Indemnatee**") against, and hold each Indemnatee harmless from, any and all losses, claims, damages, liabilities and related expenses (including the fees, charges and disbursements of any counsel for any Indemnatee), incurred by any Indemnatee or asserted against any Indemnatee by any Person (including Borrower or any other Loan Party), and in all cases, whether or not caused by or arising, in whole or in part, out of the comparative, contributory, or sole negligence of such Indemnatee, arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, (ii) the Term Loan or the use or proposed use of the proceeds therefrom, (iii) the SPAC Transaction, (iv) any actual or alleged presence or release of hazardous materials on or from any property owned or operated by any Loan Party, or any environmental liability related in any way to the Loan Parties, or (v) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by Borrower, any other Loan Party, and regardless of whether any Indemnatee is a party thereto; provided, that such indemnity shall not, as to such Indemnatee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by

final and non-appealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee.

(c) Waiver of Consequential Damages, Etc. To the fullest extent permitted by applicable law, neither Borrower nor any other Loan Party shall assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, the Term Loan, or the use of the proceeds thereof. No Indemnitee referred to in paragraph (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

(d) Payments. All amounts due under this Section shall be payable promptly after demand therefor.

(e) Survival. Each party's obligations under this Section shall survive the termination of the Loan Documents and payment of the Obligations hereunder.

8.6 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that the Borrower and the other Loan Parties, as the case may be, may not assign or otherwise transfer any of its rights or obligations hereunder or under the applicable Loan Document without the prior written consent of Agent and Lenders in their sole discretion. Nothing in this Agreement or any other Loan Document, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto or thereto, Indemnitees under Section 8.5(b), their respective successors and assigns permitted hereby or thereby and, to the extent expressly contemplated hereby or thereby, Affiliates of each of Agent and Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement or such other Loan Document. Upon notice to Agent, Lender shall have the right at any time to sell, assign or transfer all or a portion of its rights and obligations under this Agreement and the other Loan Documents to any other Person (other than (w) a natural Person, or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural Person, or (x) Borrower or any of Borrower's Affiliates or another Loan Party, (y) so long as no Event of Default has occurred and is continuing, a direct competitor of Borrower as specifically identified in writing by the Borrower to the Agent at least five (5) Business Days prior to the date of the applicable sale, assignment, or transfer, or (z) so long as no Event of Default has occurred and is continuing, a vulture fund or distressed debt fund), including, without limitation, all or a portion of its Term Loan Commitment or the Term Loan owing to it or other Obligations; provided, that an assignment pursuant to Section 8.7 shall not require prior notice to Agent. Upon Agent's receipt and acceptance of a duly executed and completed assignment agreement (in form and substance reasonably satisfactory to Agent), any forms, certificates or other evidence required by this Agreement in connection therewith, Agent shall record the information contained in such

assignment agreement in the Register, shall give prompt notice thereof to Borrower and shall maintain a copy of such assignment agreement.

(b) Register. Agent, acting solely for this purpose as an agent of Borrower, shall maintain at one of its offices a copy of each assignment and assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Term Loan Commitments of, and principal amounts (and stated interest) of the Term Loan owing to, each Lender pursuant to the terms hereof from time to time (the “**Register**”). The entries in the Register shall be conclusive absent manifest error, and Borrower, Agent and Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(c) Participations. Any Lender may at any time, without the consent of, or notice to, Borrower or Agent, sell participations to any Person (other than a natural Person, or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural Person, or Borrower or any of Borrower’s Affiliates or another Loan Party) (each, a “**Participant**”) in all or a portion of such Lender’s rights and/or obligations under this Agreement and the other Loan Documents (including all or a portion of its Term Loan Commitment and/or the Term Loan owing to it); provided, that (i) such Lender’s obligations under this Agreement and the other Loan Documents shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and (iii) Borrower, Agent and Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement and the other Loan Documents. For the avoidance of doubt, each Lender shall be responsible for the indemnity under Section 8.5(b) with respect to any payments made by such Lender to its Participant(s).

(d) Participant Register. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant’s interest in the Term Loan or other obligations under the Loan Documents (the “**Participant Register**”); provided, that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant’s interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(e) Retained Rights Following Sale of Participations. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents against the Loan Parties. Borrower agrees that each Participant shall be entitled to the benefits of Section 2.8 and Section 2.10 (subject to the requirements and limitations therein, including the requirements under

Section 2.8(g) and Section 8.6(a)(ii) (it being understood that the documentation required under Section 2.8(g) and Section 8.6(a)(ii) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (a) of this Section; provided, that such Participant shall not be entitled to receive any greater payment under Section 2.8 or Section 2.10, with respect to any participation, than its participating Lender would have been entitled to receive.

8.7 [Reserved].

8.8 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the “*Maximum Rate*”). If Lenders shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Term Loan or, if it exceeds such unpaid principal, refunded to Borrower. In determining whether the interest contracted for, charged, or received by any Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

8.9 Counterparts. This Agreement may be executed in any number of duplicate originals, and each duplicate original shall be deemed to be an original. This Agreement (and each duplicate original) also may be executed in any number of counterparts, each of which shall be deemed an original and all of which together constitute a fully executed Agreement even though all signatures do not appear on the same counterpart. Receipt of an executed signature page to this Agreement by portable document format (.pdf) attachment to an email, other electronic transmission or as any electronic signature complying with the U.S. federal ESIGN Act of 2000 or the New York Electronic Signature and Records Act or any other similar state Laws based on the Uniform Electronic Transactions Act or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and electronic signatures or the keeping of records in electronic form shall be valid and effective for all purposes to the fullest extent permitted by applicable law. For the avoidance of doubt, the foregoing also applies to any amendment, extension or renewal of this Agreement. Each of the parties hereto hereby represents and warrants to the other parties hereto that it has the corporation or limited liability capacity and authority to execute this Agreement through electronic means and there are no restrictions for doing so in such party’s constitutive documents, including having the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system.

8.10 Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

8.11 Integration; Headings. This Agreement and the other Loan Documents represent the entire agreement of Borrower, the other Loan Parties, Agent and Lenders with respect to the subject matter hereof and thereof, and there are no promises, undertakings, representations or warranties by relative to the subject matter hereof not expressly set forth or referred to herein or in the other Loan Documents. The headings of subdivisions in this Agreement are for convenience of reference only, and shall not govern the interpretation of any of the provisions of this Agreement.

8.12 GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES (OTHER THAN SECTIONS 5-1401 AND 5-1402 OF THE NEW YORK GENERAL OBLIGATIONS LAW) THEREOF.

8.13 Submission to Jurisdiction; Waivers. The parties hereto hereby irrevocably and unconditionally:

(a) submit to the exclusive jurisdiction of the State and Federal courts in New York County, New York; provided that nothing in this Agreement shall be deemed to operate to preclude Agent from bringing suit or taking other legal action in any other jurisdiction to realize on the Collateral or any other security for the Obligations, or to enforce a judgment or other court order in favor of Agent or the Lenders. Each party hereto expressly submits and consents in advance to such jurisdiction in any action or suit commenced in any such court, and each party hereto hereby waives any objection that it may have based upon lack of personal jurisdiction, improper venue, or forum non-conveniens and hereby consents to the granting of such legal or equitable relief as is deemed appropriate by such court. Each party hereto hereby waives personal service of the summons, complaints, and other process issued in such action or suit and agrees that service of such summons, complaints, and other process may be made by registered or certified mail addressed to such party at the addresses set forth in Section 8.2 of this Agreement and that service so made shall be deemed completed upon the earlier to occur of such party's actual receipt thereof or three (3) days after deposit in the U.S. mails, proper postage prepaid; and

(b) **WAIVE, TO THE EXTENT PERMITTED BY APPLICABLE LAW, THEIR RESPECTIVE RIGHT TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION ARISING OUT OF OR BASED UPON THIS AGREEMENT, THE OTHER LOAN DOCUMENTS OR ANY CONTEMPLATED TRANSACTION, INCLUDING CONTRACT, TORT, BREACH OF DUTY AND ALL OTHER CLAIMS. THIS WAIVER IS A MATERIAL INDUCEMENT FOR THE PARTIES TO ENTER INTO THIS AGREEMENT. EACH PARTY HAS REVIEWED THIS WAIVER WITH ITS COUNSEL.**

8.14 Acknowledgements. Each Loan Party hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Loan Documents;

(b) neither Agent nor any Lender has any fiduciary relationship with or duty to Borrower, any other Loan Party arising out of or in connection with this Agreement or any of the other Loan Documents, and the relationship between Agent and Lenders, on one hand, and Borrower, and any other Loan Party, on the other hand, in connection herewith or therewith is solely that of debtor and creditor; and

(c) no joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby between Agent, Lenders, Borrower or any other Loan Party.

8.15 Treatment of Certain Information; Confidentiality. Agent and each Lender agrees to use commercially reasonable efforts to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and to its Related Parties and its fund investors or shareholders (as potential investors and shareholders), and to its lenders, funding or financing sources (it being understood that the Persons to whom such disclosure is made are informed of the confidential nature of such Information and instructed to keep such Information confidential); (b) to the extent required or requested by any regulatory authority purporting to have jurisdiction over such Person or its Related Parties; (c) to the extent required by applicable Laws or regulations or by any subpoena or similar legal process, upon the request or demand of any Governmental Authority, in response to any order of any court or other Governmental Authority or as may otherwise be required pursuant to any Requirement of Law or if requested or required to do so in connection with any litigation or similar proceeding (provided that such party will use commercially reasonable efforts to give Borrower prior notice to the extent not prohibited); (d) to any other party hereto; (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder; (f) on a confidential basis to any rating agency in connection with rating a Loan Party or the Obligations; (g) with the consent of Borrower; (h) to any Person to whom a Lender offers or proposes to offer to sell, assign or transfer the Term Loan, the Term Loan Commitment or any part thereof or any interest or participation therein (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential) or (i) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section, or (y) becomes available to Agent, a Lender or its Affiliates on a non-confidential basis from a source other than a Loan Party. Notwithstanding anything herein to the contrary, any party to this Agreement (and any employee, representative, or other agent of any party to this Agreement) may disclose to any and all persons, without limitation of any kind, the tax treatment and tax structure of the transactions contemplated by this Agreement and all materials of any kind (including opinions or other tax analyses) that are provided to it relating to such tax treatment and tax structure. However, any such information relating to the tax treatment or tax structure is required to be kept confidential to the extent necessary to comply with any applicable federal or state securities Laws. For purposes of this Section, “*Information*” means all information received from the Loan Parties relating to the Loan Parties or any of their respective businesses, other than any such information that is available to Agent or Lenders on a

non-confidential basis prior to disclosure by such Loan Party; provided, that, in the case of information received from the Loan Parties after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information, which degree of care is no less than a reasonable degree of care.

8.16 Beneficial Ownership Regulation; Patriot Act. Agent and Lenders hereby notifies each Loan Party that, pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies such Person, which information includes the names and addresses and other information that will allow Agent or such Lender to identify such Loan Party in accordance with the Patriot Act. Each Loan Party will provide, to the extent required by any Requirement of Law, such information and take such actions as are reasonably requested by Agent or a Lender to assist Agent or such Lender in maintaining compliance with the Patriot Act and the Beneficial Ownership Regulation.

8.17 Marshalling; Setoff. Neither any Agent nor any Lender shall be under any obligation to marshal any assets in favor of any Loan Party or any other Person or against or in payment of any or all of the Obligations. Each Loan Party grants to Agent and each Lender a continuing Lien, security interest and right of setoff as security for all liabilities and obligations to Agent or such Lender arising under or relating to the Obligations, whether now existing or hereafter arising, upon and against all deposits, credits, collateral and property of such Loan Party, and any other accounts established hereunder for the deposit of cash collateral in order to secure the Obligations, now or hereafter in the possession, custody, safekeeping or control of Agent or such Lender or any entity under the control of Agent or such Lender, and their successors and assigns or in transit to any of them. At any time while an Event of Default exists, without demand or notice (any such notice being expressly waived by such Loan Party), Agent or such Lender may set-off the same or any part thereof and apply the same to any liability or obligation of such Loan Party even though unmatured and regardless of the adequacy of any other Collateral securing the Obligations. ANY AND ALL RIGHTS TO REQUIRE AGENT OR ANY LENDER TO EXERCISE ITS RIGHTS OR REMEDIES WITH RESPECT TO ANY OTHER COLLATERAL WHICH SECURES THE OBLIGATIONS, PRIOR TO EXERCISING ITS RIGHTS OF SETOFF WITH RESPECT TO SUCH DEPOSITS, CREDITS OR OTHER PROPERTY OF THE BORROWER ARE HEREBY KNOWINGLY, VOLUNTARILY AND IRREVOCABLY WAIVED.

SECTION 9 Agency Provisions.

9.1 Appointment of Agent. Each Lender hereby appoints Agent as collateral agent, payment and administrative agent under this Agreement and the other Loan Documents, and Agent hereby accepts such appointment. Lenders hereby authorize Agent to (a) execute and deliver the Loan Documents (including any subordination agreement), as applicable, and accept delivery thereof on its behalf from the Loan Parties, (b) take such action on its behalf and to exercise all rights, powers and remedies and perform the duties as are expressly delegated to

Agent under this Agreement and the other Loan Documents and (c) exercise such powers as are reasonably incidental thereto.

9.2 Duties as Agent. Without limiting the generality of Section 9.1(a) above, Agent shall have the sole and exclusive right and authority (to the exclusion of Lenders), and is hereby authorized as provided in this Agreement and the other Loan Documents or as directed in writing by the Required Lenders, to (a) file and prove claims and file other documents necessary or desirable to allow the claims of Lenders, Agent and their respective Related Parties with respect to any obligations hereunder or under the other Loan Documents in any bankruptcy, insolvency or similar proceeding (but not to vote, consent or otherwise act on behalf of such other Lender or Related Party), (b) act as collateral agent for each Lender for purposes of the perfection of all Liens created by such agreements and all other purposes stated therein, (c) manage, supervise and otherwise deal with the Collateral, (d) take such other action as is necessary or desirable to maintain the perfection and priority of the Liens created or purported to be created by this Agreement and the other Loan Documents, (e) except as may be otherwise specified in this Agreement or the other Loan Documents, exercise all remedies given to Agent and Lenders with respect to the Collateral, whether under this Agreement or the other Loan Documents, applicable Laws or otherwise, (f) to credit bid any or all of the obligations on behalf of Lenders in connection with any sale or other disposition of any or all assets or equity of the Loan Parties and (g) execute any amendment, consent or waiver under this Agreement and the other Loan Documents (including any subordination agreement) on behalf of the Required Lenders that have consented in writing to such amendment, consent or waiver; provided, however, that Agent hereby appoints, authorizes and directs Lenders to act as collateral sub-agents for Agent and the other Lenders for purposes of the perfection of all Liens with respect to the Collateral, including any deposit account maintained by any Loan Party with, and cash and Cash Equivalents held by, Lenders, and may further authorize and direct Lenders to take further actions as collateral sub-agents for purposes of enforcing such Liens or otherwise to transfer the Collateral subject thereto to Agent and Lenders hereby agree to take such further actions to the extent, and only to the extent, so authorized and directed.

9.3 Limited Duties. Under this Agreement and the other Loan Documents, Agent (a) is acting solely on behalf of Lenders with duties that are entirely administrative in nature with respect to the rights delegated to it under this Agreement and the other Loan Documents notwithstanding the use of the defined term “Agent”, which is used for title purposes only, (b) is not assuming any obligation under this Agreement or any other Loan Document other than as expressly set forth therein or herein and is not assuming any role as agent, fiduciary or trustee of or for Lenders or any other Person and (c) shall have no implied functions, responsibilities, duties, obligations or other liabilities under this Agreement or any other Loan Document, and Lenders, by accepting the benefits of this Agreement and the other Loan Documents, hereby waive and agree not to assert any claim against Agent based on the roles, duties and legal relationships expressly disclaimed in clauses (a) through (c) of this Section 9.3.

9.4 No Actions Without Instructions. Agent shall not be required to exercise any discretion or take, or to omit to take, any action, including with respect to enforcement or collection, except any action it is required and directed to take, or omit to take, pursuant to instructions approved by the Required Lenders. Notwithstanding the prior sentence, Agent shall not be required to take, or to omit to take, any action (a) unless, upon demand, Agent receives an

indemnification satisfactory to it from Lenders against all liabilities that, by reason of such action or omission, may be imposed on, incurred by or asserted against Agent or any of its Affiliates or Related Parties or (b) that is, in the opinion of Agent or its counsel, contrary to this Agreement, the other Loan Document or applicable law.

9.5 Delegation of Rights and Duties. Agent may, upon any term or condition it specifies, delegate or exercise any of its rights, powers and remedies under, and delegate or perform any of its duties or any other action with respect to, this Agreement and the other Loan Documents by or through any Lender or their Related Parties. Any such person shall benefit from this Article 9 to the extent provided to Agent.

9.6 Reliance and Liability. Neither Agent nor any of its Related Parties shall be liable or responsible to any Lender or any of its Related Party or to the Loan Parties for (a) any action taken or omitted to be taken by Agent or any other such Person hereunder or under any related agreement, instrument or document, except in the case of resulting primarily from its gross negligence or willful misconduct as finally determined by a non-appealable court of competent jurisdiction or (b) any action taken or omitted to be taken by Agent or any such Related Party in connection with this Agreement or any other Loan Document with the consent or at the request of the Required Lenders, nor shall Agent or any of its Related Parties be liable or responsible for (i) the execution, legality, validity, effectiveness, sufficiency, enforceability or enforcement of this Agreement and the other Loan Documents or any instrument or document delivered hereunder or thereunder or relating hereto or thereto, or the value of any Collateral, or the attachment, perfection or priority of any Lien created or purported to be created under or in connection with this Agreement and the other Loan Documents; (ii) the title of any Loan Party to any of the Collateral or the right to grant a security interest therein; (iii) the determination, verification or enforcement any Loan Party's compliance with any of the terms and conditions of this Agreement or the other Loan Documents; (iv) the failure by any Loan Party to deliver any instrument or document required to be delivered pursuant to the terms hereof or any other Loan Document; or (v) the receipt, disbursement, waiver, extension or other handling of proceeds made or received with respect to the Collateral, or the payment thereof, the servicing of the Collateral or the enforcement or the collection of any amounts owing with respect to the Collateral. Agent shall not incur any liability by acting in reliance upon any notice, consent, certificate, statement or other writing (which may be a bank wire, telex, facsimile transmission, e-mail or similar writing) reasonably believed by it to be genuine or to be signed by the proper party or parties. Agent makes no warranty or representation, and shall not be responsible, to any Lender for any statement, document, information, representation or warranty made or furnished by or on behalf of any of its Related Parties or any Loan Party in connection with this Agreement or the other Loan Documents or any transaction contemplated herein or therein or any other document or information transmitted by Agent, if any, including as to completeness, accuracy, scope or adequacy thereof, or for the scope, nature or results of any due diligence performed by Agent in connection with this Agreement and the other Loan Documents.

9.7 Agent Individually. To the extent Agent is owed an obligation as a Lender or made a Protective Advance and is a party to the other Loan Documents, it shall have and may exercise the same rights and powers hereunder and thereunder, and shall be subject to the same obligations and liabilities as, any other Lender.

9.8 Agent Costs and Expenses. Lenders agree to reimburse Agent and each of its Related Parties (to the extent not reimbursed by the Loan Parties as required pursuant to this Agreement) promptly upon demand, severally and ratably with each other Lender, for any documented costs and expenses (including reasonable fees and expenses of legal counsel) that may be incurred by Agent or any of its Related Parties in connection with the administration, modification, consent, waiver or enforcement (whether through negotiations, through any work-out, bankruptcy, restructuring or other legal or other proceeding or otherwise) of, or legal advice in respect of its rights or responsibilities under, this Agreement or any other Loan Document. This Section 9.8 shall survive termination of this Agreement and the other Loan Documents.

9.9 Indemnification of Agent. Lenders further agree to indemnify Agent and each of its Related Parties (to the extent not reimbursed by the Loan Parties as required pursuant to this Agreement), severally and ratably with each other Lender, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (including the reasonable fees and disbursements of counsel for Agent or such Related Parties) in connection with any investigative, administrative or judicial proceeding, enforcement action or any other action taken or omitted to be taken by Agent or any of its Related Parties under or with respect to this Agreement or the other Loan Documents, or any other act, event or transaction related, contemplated or attendant thereto, whether or not Agent or such Related Party shall be designated a party thereto and including any such proceeding initiated by or on behalf of the Loan Parties which may be imposed on, incurred by or asserted against Agent or such Related Party as a result of or in connection with this Agreement or the other Loan Documents; provided, however, that Lenders shall not be liable to Agent or any of its Related Parties to the extent such liability has resulted primarily from the gross negligence or willful misconduct of Agent or, as the case may be, such Related Party, as determined by a court of competent jurisdiction in a final non-appealable judgment or order. This Section 9.9 shall survive termination of this Agreement and the other Loan Documents.

9.10 Resignation of Agent. Agent may resign at any time by giving notice thereof to Lenders and Borrower. Upon any such resignation, the Required Lenders shall have the right to appoint a successor Agent. If no successor Agent shall have been so appointed by the Required Lenders, and shall have accepted such appointment, within thirty (30) days after the retiring Agent gives notice of resignation, then the retiring Agent may, on behalf of Lenders, appoint a successor Agent, which shall be an entity organized or licensed under the Laws of the United States of America or any state thereof. Upon the acceptance of its appointment as Agent hereunder by a successor Agent, such successor Agent shall thereupon succeed to and become vested with all the rights and duties of the retiring Agent, and the retiring Agent shall be discharged from any further duties and obligations hereunder. After any retiring Agent's resignation hereunder as Agent, the provisions of this Article 9 or otherwise herein shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Agent.

9.11 Release of Collateral. Lenders hereby consent to the automatic release and hereby directs Agent to release any Lien held by Agent for the benefit of Lenders against (a) any Collateral that is sold by a Loan Party as permitted by this Agreement or the other Loan Documents (including pursuant to a valid waiver or consent), to the extent all Liens required to

be granted in the proceeds of such Collateral after giving effect to such sale have been granted and (b) all of the Collateral of the Loan Parties upon (i) payment and satisfaction in full of all obligations under this Agreement and the other Loan Documents (other than contingent indemnification obligations for which no claim has been asserted), (ii) deposit of cash collateral with respect to all contingent obligations in amounts and on terms and conditions and with parties satisfactory to Agent and each Related Party that is owed such obligations and (iii) to the extent requested by Agent, receipt by Lenders of liability releases from the Loan Parties each in form and substance acceptable to Agent.

9.12 Erroneous Payments

(a) If Agent (i) notifies a Lender or any Person who has received funds on behalf of a Lender (any such Lender or other recipient (and each of their respective successors and assigns), a “*Payment Recipient*”) that Agent has determined in its sole discretion (whether or not after receipt of any notice under immediately succeeding clause (b)) that any funds (as set forth in such notice from Agent) received by such Payment Recipient from Agent or any of its Affiliates were erroneously or mistakenly transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender or other Payment Recipient on its behalf) (any such funds, whether transmitted or received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an “*Erroneous Payment*”) and (ii) demands in writing the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all times remain the property of Agent pending its return or repayment as contemplated below in this Section 9.12 and held in trust for the benefit of Agent, and such Lender shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than two (2) Business Days thereafter (or such later date as Agent may, in its sole discretion, specify in writing), return to Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds. A notice of Agent to any Payment Recipient under this clause (a) shall be conclusive, absent manifest error.

(b) Without limiting immediately preceding clause (a), each Lender or any Person who has received funds on behalf of a Lender (and each of their respective successors and assigns), agrees that if it receives a payment, prepayment or repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in this Agreement or in a notice of payment, prepayment or repayment sent by Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by Agent (or any of its Affiliates), or (z) that such Lender or other such recipient, otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part), then in each such case:

(i) it acknowledges and agrees that (A) in the case of immediately preceding clauses (x) or (y), an error and mistake shall be presumed to have been made (absent written confirmation from Agent to the contrary) or (B) an error and mistake has been

made (in the case of immediately preceding clause (z)), in each case, with respect to such payment, prepayment or repayment; and

(ii) such Lender shall (and shall cause any other recipient that receives funds on its respective behalf to) promptly (and, in all events, within one (1) Business Day of its knowledge of the occurrence of any of the circumstances described in immediately preceding clauses (x), (y) and (z)) notify Agent of its receipt of such payment, prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying Agent pursuant to this Section 9.12(b).

For the avoidance of doubt, the failure to deliver a notice to Agent pursuant to this Section 9.12(b) shall not have any effect on a Payment Recipient's obligations pursuant to Section 9.12(a) or on whether or not an Erroneous Payment has been made.

(c) Each Lender hereby authorizes Agent to set off, net and apply any and all amounts at any time owing to such Lender under any Loan Document, or otherwise payable or distributable by Agent to such Lender under any Loan Document with respect to any payment of principal, interest, fees or other amounts, against any amount that Agent has demanded to be returned under immediately preceding clause (a).

(d) (i) In the event that an Erroneous Payment (or portion thereof) is not recovered by Agent for any reason, after demand therefor in accordance with immediately preceding clause (a), from any Lender that has received such Erroneous Payment (or portion thereof) (and/or from any Payment Recipient who received such Erroneous Payment (or portion thereof) on its respective behalf) (such unrecovered amount, an "***Erroneous Payment Return Deficiency***"), upon Agent's notice to such Lender at any time, then effective immediately (with the consideration therefor being acknowledged by the parties hereto), (A) such Lender shall be deemed to have assigned its Term Loan (but not its Term Loan Commitments) with respect to which such Erroneous Payment was made in an amount equal to the Erroneous Payment Return Deficiency (or such lesser amount as Agent may specify) (such assignment of the Term Loan (but not Term Loan Commitments), the "***Erroneous Payment Deficiency Assignment***") (on a cashless basis and such amount calculated at par plus any accrued and unpaid interest), and is hereby (together with Borrowers) deemed to execute and deliver an assignment and assumption with respect to such Erroneous Payment Deficiency Assignment, and such Lender shall deliver any Notes evidencing the such portion of the Term Loan to Borrower or Agent (but the failure of such Person to deliver any such Notes shall not affect the effectiveness of the foregoing assignment), (B) Agent as the assignee Lender shall be deemed to have acquired the Erroneous Payment Deficiency Assignment, (C) upon such deemed acquisition, Agent as the assignee Lender shall become a Lender, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment and the assigning Lender shall cease to be a Lender, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment, excluding, for the avoidance of doubt, its obligations under the indemnification provisions of this Agreement and its applicable Term Loan Commitments which shall survive as to such assigning Lender, (D) Agent and Borrowers shall each be deemed to have waived any consents required under this Agreement to any such Erroneous Payment Deficiency Assignment, and (E) Agent will reflect in the Register its ownership interest in the Term Loan subject to the Erroneous Payment Deficiency Assignment. For the avoidance of doubt, no Erroneous Payment Deficiency

Assignment will reduce the Term Loan Commitments of any Lender and such Term Loan Commitments shall remain available in accordance with the terms of this Agreement.

(ii) Subject to Section 8.6 (but excluding, in all events, any assignment consent or approval requirements (whether from Borrower or otherwise)), Agent may, in its discretion, sell any portion of the Term Loan acquired pursuant to an Erroneous Payment Deficiency Assignment and upon receipt of the proceeds of such sale, the Erroneous Payment Return Deficiency owing by the applicable Lender shall be reduced by the net proceeds of the sale of such Term Loan (or portion thereof), and Agent shall retain all other rights, remedies and claims against such Lender (and/or against any recipient that receives funds on its respective behalf). In addition, an Erroneous Payment Return Deficiency owing by the applicable Lender (x) shall be reduced by the proceeds of prepayments or repayments of principal and interest, or other distribution in respect of principal and interest, received by Agent on or with respect to such portion of the Term Loan acquired from such Lender pursuant to an Erroneous Payment Deficiency Assignment (to the extent that such Term Loan is then owned by Agent) and (y) may, in the sole discretion of Agent, be reduced by any amount specified by Agent in writing to the applicable Lender from time to time.

(e) The parties hereto agree that (x) irrespective of whether Agent may be equitably subrogated, in the event that an Erroneous Payment (or portion thereof) is not recovered from any Payment Recipient that has received such Erroneous Payment (or portion thereof) for any reason, Agent shall be subrogated to all the rights and interests of such Payment Recipient (and, in the case of any Payment Recipient who has received funds on behalf of a Lender to the rights and interests of such Lender) under the Loan Documents with respect to such amount (the “***Erroneous Payment Subrogation Rights***”) (*provided* that the Loan Parties’ Obligations under the Loan Documents in respect of the Erroneous Payment Subrogation Rights shall not be duplicative of such Obligations in respect of any portion of the Term Loan that have been assigned to Agent under an Erroneous Payment Deficiency Assignment) and (y) an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by Borrowers or any other Loan Party; *provided* that this Section 9.12 shall not be interpreted to increase (or accelerate the due date for), or have the effect of increasing (or accelerating the due date for), the Obligations of Borrowers relative to the amount (and/or timing for payment) of the Obligations that would have been payable had such Erroneous Payment not been made by Agent; *provided, further*, that for the avoidance of doubt, immediately preceding clauses (x) and (y) shall not apply to the extent any such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by Agent from Borrowers for the purpose of making such Erroneous Payment.

(f) To the extent permitted by applicable law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by Agent for the return of any Erroneous Payment received, including, without limitation, any defense based on “discharge for value” or any similar doctrine.

(g) Each party’s obligations, agreements and waivers under this Section 9.12 shall survive the resignation or replacement of Agent, any transfer of rights or obligations by, or the

replacement of, a Lender, the termination of the Term Loan Commitments and/or the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Loan Document.

WHEREAS, the parties hereto desire to set forth certain agreements and understandings with respect to payments to be made in connection with the Credit Agreement.

NOW, THEREFORE, in consideration of the mutual agreements contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

Section 1. Onboarding Fee. In connection with and in consideration of entering into the Credit Agreement and related Loan Documents upon the terms set forth therein, the Borrower agrees to pay to the Agent on the Closing Date (for its own account) an onboarding fee equal to \$500,000 (the “**Onboarding Fee**”), which Onboarding Fee shall be non-refundable for any reason and fully earned and paid on the Closing Date. Payment of the Onboarding Fee shall be made in Dollars, by wire transfer of immediately available funds, to the account designated by Agent in writing to Borrower, without deduction, set-off or counterclaim.

Section 2. Monitoring Fee. In connection with and in consideration of entering into the Credit Agreement and the related Loan Documents upon the terms set forth therein, Borrower shall pay Agent (for its own account), in immediately available funds, which shall be non-refundable and fully earned when paid, a quarterly fee (the “**Monitoring Fee**”) in the amount of \$125,000, paid quarterly in arrears on the first day of each Fiscal Quarter of the Loan Parties in

respect of the immediately preceding Fiscal Quarter, commencing on the first day of the first full Fiscal Quarter immediately following the Closing Date; provided, that, notwithstanding the foregoing, the Monitoring Fee for the first Fiscal Quarter shall be immediately earned and due and payable on the Closing Date and shall be non-refundable. Upon the occurrence and during the continuance of an Event of Default, the Monitoring Fee shall be increased to \$187,500. The Borrower and Parent each acknowledge and agrees that the Monitoring Fee constitutes compensation for services rendered and does not constitute interest or a charge for the use of money. All payments of the Monitoring Fee shall be made in Dollars, by wire transfer of immediately available funds, to the account designated by Agent in writing to the Borrower without deduction, set off or counterclaim.

Section 3. Amendment Fee. In connection with and in consideration of entering into the First Amendment and the related Loan Documents upon the terms set forth therein, Borrower shall pay to the Agent on the First Amendment Effective Date (for its own account), an amendment fee equal to \$200,000 (the "*Amendment Fee*"), which Amendment Fee shall be non-refundable for any reason and fully earned and paid on the First Amendment Effective Date. Payment of the Amendment Fee shall be made in Dollars, by wire transfer of immediately available funds, to the account designated by Agent in writing to Borrower, without deduction, set-off or counterclaim.

Section 4. First Amendment Warrants. In connection with and as additional consideration for entering into the First Amendment and the related Loan Documents upon the terms set forth therein, on the First Amendment Effect Date, Parent shall execute and deliver to each Lender in proportion to each Lender's Term Loan Commitment as of the First Amendment Effective Date, the First Amendment Warrants. The First Amendment Warrants shall be non- refundable for any reason and fully earned on the First Amendment Effective Date.

WARRANT TO PURCHASE COMMON STOCK

Warrant No.: 2023-1

Number of Shares of Common Stock: 178,520

Date of Issuance: March 31, 2023 (“**Issuance Date**”)

Presto Automation Inc., a Delaware corporation (the “**Company**”), hereby certifies that, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Metropolitan Levered Partners Fund VII, LP, the registered holder hereof or its permitted assigns (the “**Holder**”), is entitled, subject to the terms set forth below, to purchase from the Company, at the Exercise Price (as defined below) then in effect, at any time or times on or after the Issuance Date, but not after 11:59 p.m., New York time, on the Expiration Date, (as defined below), 178,520 duly authorized, validly issued, fully paid, nonassessable shares of Common Stock, subject to adjustment as provided herein (the “**Warrant Shares**”). Except as otherwise defined herein, capitalized terms in this Warrant to Purchase Common Stock (including any Warrants to Purchase Common Stock issued in exchange, transfer or replacement hereof, this “**Warrant**”) shall have the meanings set forth in Section 17. This Warrant is being issued pursuant to Section 4 of that certain Amended and Restated Fee Letter, dated March 31, 2023, among E La Carte, LLC, the Company and Metropolitan Partners Group Administration, LLC, as agent (the “**Fee Letter**”). Capitalized terms used herein and not otherwise defined shall have the definitions ascribed to such terms in the Credit Agreement (as defined in the Fee Letter).

1. EXERCISE OF WARRANT.

(a) Mechanics of Exercise. Subject to the terms and conditions hereof (including, without limitation, the limitations set forth in Section 1(f)), this Warrant may be exercised by the Holder at any time or times on or after the Issuance Date, in whole or in part, by (i) delivery (whether via facsimile or otherwise) of a written notice, in the form attached hereto as Exhibit A (the “**Exercise Notice**”), of the Holder’s election to exercise this Warrant and (ii) (A) payment to the Company of an amount equal to the applicable Exercise Price multiplied by the number of Warrant Shares as to which this Warrant is being exercised (the “**Aggregate Exercise Price**”) in cash by wire transfer of immediately available funds or (B) if the provisions of Section 1(d) are applicable, by notifying the Company that this Warrant is being exercised pursuant to a Cashless Exercise. The Holder shall not be required to physically

surrender this Warrant to the Company until the Holder has purchased all of the Warrant Shares available hereunder and the Warrant has been exercised in full, in which case the Holder shall surrender this Warrant to the Company for cancellation within three (3) Trading Days after the date the Warrant Shares which are the subject of the Exercise Notice being delivered to the Holder. Partial exercises of this Warrant resulting in purchases of a portion of the total number of Warrant Shares available hereunder shall have the effect of lowering the outstanding number of Warrant Shares purchasable hereunder in an amount equal to the applicable number of Warrant Shares purchased. The Holder and the Company shall maintain records showing the number of Warrant Shares purchased and the date of such purchases. **The Holder and any assignee, by acceptance of this Warrant, acknowledge and agree that, by reason of the provisions of this paragraph, following the purchase of a portion of the Warrant Shares hereunder, the number of Warrant Shares available for purchase hereunder at any given time may be less than the amount stated on the face hereof.** On or before the third (3rd) Trading Day following the date on which the Company has received the Exercise Notice (the “**Share Delivery Date**”), so long as the Holder delivers the Aggregate Exercise Price (or notice of a Cashless Exercise) on or prior to the second (2nd) Trading Day following the date on which the Company has received the Exercise Notice (provided that if the Aggregate Exercise Price (or notice of a Cashless Exercise) has not been delivered by such date, the Share Delivery Date shall be extended one (1) Trading Day after the Aggregate Exercise Price (or notice of a Cashless Exercise) is delivered), the Company shall (X) provided that the Company’s transfer agent (“**Transfer Agent**”) is participating in The Depository Trust Company (“**DTC**”) Fast Automated Securities Transfer Program (“**FAST**”) and the Warrant Shares are eligible to be issued without a restrictive legend, credit such aggregate number of Warrant Shares to which the Holder is entitled pursuant to such exercise to the Holder’s or its designee’s balance account with DTC through its Deposit/Withdrawal At Custodian system, or (Y) if the Transfer Agent is not participating in FAST or the Warrant Shares are not eligible to be issued without a restrictive legend, issue and dispatch by overnight courier to the address as specified in the Exercise Notice, a certificate, registered in the Company’s share register in the name of the Holder or its designee, for the number of Warrant Shares to which the Holder is entitled pursuant to such exercise. The Company shall be responsible for all fees and expenses of the Transfer Agent and all fees and expenses with respect to the issuance of Warrant Shares via DTC, if any. Upon delivery of the Exercise Notice and the Aggregate Exercise Price (or notice of a Cashless Exercise), the Holder shall be deemed for all corporate purposes to have become the holder of record of the Warrant Shares with respect to which this Warrant has been exercised, irrespective of the date such Warrant Shares are credited to the Holder’s DTC account or the date of delivery of the certificates evidencing such Warrant Shares, as the case may be. If this Warrant is submitted in connection with any exercise pursuant to this Section 1(a) and the number of Warrant Shares represented by this Warrant submitted for exercise is greater than the number of Warrant Shares being acquired upon an exercise, then the Company shall as soon as reasonably practicable and in no event later than three (3) Trading Days after any exercise and at its own expense, issue a new Warrant (in accordance with Section 1(d)) representing the right to purchase the number of Warrant Shares issuable immediately prior to such exercise under this Warrant, less the number of Warrant Shares with respect to which this Warrant is exercised upon surrender of the Warrant so exercised. No fractional Warrant Shares are to be issued upon the exercise of this Warrant, but rather the number of Warrant Shares to be issued shall be rounded down to the nearest whole number. The Company shall pay any and all transfer, stamp, issuance and similar taxes (but not any United States federal, state or local income taxes) that may be payable with respect to the issuance and delivery of Warrant Shares upon exercise of this Warrant. The Company’s obligations to issue and deliver Warrant Shares in accordance with the terms and subject to the conditions hereof are absolute and unconditional, irrespective of any action or inaction by the Holder to enforce the same, any waiver or consent with respect to any provision hereof, the recovery of any judgment against any Person or any action to enforce the same, or any setoff, counterclaim, recoupment, limitation or termination.

(b) Exercise Price. For purposes of this Warrant, “**Exercise Price**” means \$0.01, subject to adjustment as provided herein.

(c) Company's Failure to Timely Deliver Securities. If the Company shall fail, for any reason or for no reason, on or prior to the Share Delivery Date, if the Transfer Agent is not participating in FAST or such shares of Common Stock may not be issued without legends under the Securities Act, to issue and deliver to the Holder (or its designee) a certificate for the number of Warrant Shares to which the Holder is entitled and register such Warrant Shares on the Company's share register or, if the Transfer Agent is participating in FAST and such shares of Common Stock may not be issued without legends under the Securities Act, to credit the balance account of the Holder or the Holder's designee with DTC for such number of Warrant Shares to which the Holder is entitled upon the Holder's exercise of this Warrant (as the case may be) (a "**Delivery Failure**"), then, in addition to all other remedies available to the Holder, (X) the Company shall pay in cash to the Holder on each day after the Share Delivery Date and during such Delivery Failure an amount in cash, as liquidated damages and not as a penalty, equal to 2.0% of the product of (A) the sum of the number of shares of Common Stock not issued to the Holder on or prior to the Share Delivery Date and to which the Holder is entitled, and (B) any trading price of the Common Stock selected by the Holder in writing as in effect at any time during the period beginning on the applicable exercise date and ending on the applicable Share Delivery Date, and (Y) the Holder, upon written notice to the Company, may void its Exercise Notice with respect to, and retain or have returned, as the case may be, any portion of this Warrant that has not been exercised pursuant to such Exercise Notice; provided that the voiding of an Exercise Notice shall not affect the Company's obligations to make any payments which have accrued prior to the date of such notice pursuant to this Section 1(c) or otherwise. In addition to the foregoing, if on or after such Share Delivery Date the Holder purchases (in an open market transaction or otherwise) shares of Common Stock to deliver in satisfaction of a sale by the Holder of all or any portion of the number of shares of Common Stock issuable upon such exercise that the Holder is entitled to receive from the Company (a "**Buy-In**"), then, in addition to all other remedies available to the Holder, the Company shall, within three (3) Business Days after the Holder's request and in the Holder's discretion, either (i) pay cash to the Holder in an amount equal to the Holder's total purchase price (including brokerage commissions and other out-of-pocket expenses, if any) for the shares of Common Stock so purchased (including, without limitation, by any other Person in respect, or on behalf, of the Holder) (the "**Buy-In Price**"), at which point the Company's obligation to so issue and deliver such certificate (and to issue such shares of Common Stock) or credit the balance account of such Holder or such Holder's designee, as applicable, with DTC for the number of Warrant Shares to which the Holder is entitled upon the Holder's exercise hereunder (as the case may be) (and to issue such Warrant Shares) shall terminate, or (ii) promptly honor its obligation to so issue and deliver to the Holder a certificate or certificates representing such Warrant Shares or credit the balance account of such Holder or such Holder's designee, as applicable, with DTC for the number of Warrant Shares to which the Holder is entitled upon the Holder's exercise hereunder (as the case may be) and pay cash to the Holder in an amount equal to the excess (if any) of the Buy-In Price over the product of (A) such number of Warrant Shares multiplied by (B) the Closing Sale Price of the Common Stock on the Share Delivery Date with respect to the related Exercise Notice (the "**Buy-In Payment Amount**"). The Holder shall provide the Company written notice indicating the amounts payable to the Holder in respect of the Buy-In and, upon request of the Company, evidence of the amount of such loss. Nothing shall limit the Holder's right to pursue any other remedies available to it hereunder, at law or in equity, including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver certificates representing shares of Common Stock (or to electronically deliver such shares of Common Stock) upon the exercise of this Warrant as required pursuant to the terms hereof.

(d) Cashless Exercise. Notwithstanding anything contained herein to the contrary (other than Section 1(f) below), the Holder may, in its sole discretion (and without limiting the Holder's rights and remedies contained herein), exercise this Warrant in whole or in part and, subject to the provisions of Section 1(a), in lieu of making the cash payment otherwise contemplated to be made to the Company upon such exercise in payment of the Aggregate Exercise Price, elect instead to receive upon such exercise the "Net Number" of Warrant Shares determined according to the following formula:

$$\text{Net Number} = \frac{(A \times B) - (A \times C)}{B}$$

For purposes of the foregoing formula:

A= the total number of shares with respect to which this Warrant is then being exercised.

B = the quotient of (x) the sum of the VWAP of the Common Stock of each of the five (5) Trading Days ending at the close of business on the Principal Market immediately prior to the time of exercise as set forth in the applicable Exercise Notice, divided by (y) five (5).

C = the Exercise Price then in effect for the applicable Warrant Shares at the time of such exercise.

For purposes of Rule 144(d) promulgated under the Securities Act, as in effect on the date hereof, it is intended that the Warrant Shares issued in a Cashless Exercise shall be deemed to have been acquired by the Holder, and the holding period for the Warrant Shares shall be deemed to have commenced, on the date this Warrant was originally issued pursuant to the Credit Agreement.

(e) Disputes. In the case of a dispute as to the determination of the Exercise Price or the arithmetic calculation of the number of Warrant Shares to be issued pursuant to the terms hereof, the Company shall promptly issue to the Holder the number of Warrant Shares that are not disputed and resolve such dispute in accordance with Section 12.

(f) Limitations on Exercises. Notwithstanding anything to the contrary contained herein, the Company shall not effect the exercise of any portion of this Warrant, and the Holder shall not have the right to exercise any portion of this Warrant, pursuant to the terms and conditions of this Warrant and any such exercise shall be null and void and treated as if never made, to the extent that after giving effect to such exercise, the Holder together with the other Attribution Parties collectively would beneficially own in excess of 4.99% (the “**Maximum Percentage**”) of the number of shares of Common Stock outstanding immediately after giving effect to such exercise. For purposes of the foregoing sentence, the aggregate number of shares of Common Stock beneficially owned by the Holder and the other Attribution Parties shall include the number of shares of Common Stock held by the Holder and all other Attribution Parties plus the number of shares of Common Stock issuable upon exercise of this Warrant with respect to which the determination of such sentence is being made, but shall exclude the number of shares of Common Stock which would be issuable upon (A) exercise of the remaining, unexercised portion of this Warrant beneficially owned by the Holder or any of the other Attribution Parties and (B) exercise or conversion of the unexercised or unconverted portion of any other securities of the Company (including, without limitation, any convertible notes or convertible preferred stock or warrants) beneficially owned by the Holder or any other Attribution Party subject to a limitation on conversion or exercise analogous to the limitation contained in this Section 1(f). For purposes of this Section 1(f), beneficial ownership shall be calculated in accordance with Section 13(d) of the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”). For purposes of this Warrant, in determining the number of outstanding shares of Common Stock the Holder may acquire upon the exercise of this Warrant without exceeding the Maximum Percentage, the Holder may rely on the number of outstanding shares of Common Stock as reflected in (x) the Company’s most recent Annual Report on Form 10-K, Quarterly Report on Form 10-Q, Current Report on Form 8-K or other public filing with the Securities and Exchange Commission (the “**SEC**”), as the case may be, (y) a more recent public announcement by the Company or (z) any other written notice by the Company or the Transfer Agent, if any, setting forth the number of shares of Common Stock outstanding (the “**Reported Outstanding Share Number**”). If the Company receives an Exercise Notice from the Holder at a time when the actual number of outstanding shares of Common Stock is less than the Reported

Outstanding Share Number, the Company shall (i) notify the Holder in writing of the number of shares of Common Stock then outstanding and, to the extent that such Exercise Notice would otherwise cause the Holder's beneficial ownership, as determined pursuant to this Section 1(f), to exceed the Maximum Percentage, the Holder must notify the Company of a reduced number of Warrant Shares to be purchased pursuant to such Exercise Notice (the number of shares by which such purchase is reduced, the "**Reduction Shares**") and (ii) as soon as reasonably practicable, the Company shall return to the Holder any exercise price paid by the Holder for the Reduction Shares. For any reason at any time, upon the written or oral request of the Holder, the Company shall within one (1) Business Day confirm orally and in writing or by electronic mail to the Holder the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to the conversion or exercise of securities of the Company, including this Warrant, by the Holder and any other Attribution Party since the date as of which the Reported Outstanding Share Number was reported. In the event that the issuance of shares of Common Stock to the Holder upon exercise of this Warrant results in the Holder and the other Attribution Parties being deemed to beneficially own, in the aggregate, more than the Maximum Percentage of the number of outstanding shares of Common Stock (as determined under Section 13(d) of the Exchange Act), the number of shares so issued by which the Holder's and the other Attribution Parties' aggregate beneficial ownership exceeds the Maximum Percentage (the "**Excess Shares**") shall be deemed null and void and shall be cancelled ab initio, and the Holder shall not have the power to vote or to transfer the Excess Shares. As soon as reasonably practicable after the issuance of the Excess Shares has been deemed null and void, the Company shall return to the Holder the exercise price paid by the Holder for the Excess Shares. Upon delivery of a written notice to the Company, the Holder may from time to time increase (with such increase not effective until the sixty-first (61st) day after delivery of such notice) or decrease the Maximum Percentage to any other percentage not in excess of 9.99% as specified in such notice; provided that (i) any such increase in the Maximum Percentage will not be effective until the sixty-first (61st) day after such notice is delivered to the Company and (ii) any such increase or decrease will apply only to the Holder and the other Attribution Parties and not to any other holder that is not an Attribution Party of the Holder. For purposes of clarity, the shares of Common Stock issuable pursuant to the terms of this Warrant in excess of the Maximum Percentage shall not be deemed to be beneficially owned by the Holder for any purpose including for purposes of Section 13(d) or Rule 16a-1(a)(1) of the Exchange Act. No prior inability to exercise this Warrant pursuant to this paragraph shall have any effect on the applicability of the provisions of this paragraph with respect to any subsequent determination of exercisability. The provisions of this paragraph shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this Section 1(f) to the extent necessary to correct this paragraph or any portion of this paragraph which may be defective or inconsistent with the intended beneficial ownership limitation contained in this Section 1(f) or to make changes or supplements necessary or desirable to properly give effect to such limitation. The limitation contained in this paragraph may not be waived and shall apply to a successor holder of this Warrant.

(g) Insufficient Authorized Shares. If at any time while this Warrant remains outstanding the Company does not have a sufficient number of authorized and unreserved shares of Common Stock to satisfy its obligation to reserve for issuance upon exercise of this Warrant at least a number of shares of Common Stock equal to the number of shares of Common Stock as shall from time to time be necessary to effect the exercise of all of this Warrant then outstanding (the "**Required Reserve Amount**" and the failure to have such sufficient number of authorized and unreserved shares of Common Stock, an "**Authorized Share Failure**"), then the Company shall as soon as reasonably practicable take all action necessary to increase the Company's authorized shares of Common Stock to an amount sufficient to allow the Company to reserve the Required Reserve Amount for this Warrant then outstanding. Without limiting the generality of the foregoing sentence, as soon as reasonably practicable after the date of the occurrence of an Authorized Share Failure, but in no event later than seventy-five (75) days after the occurrence of such Authorized Share Failure, the Company shall hold a meeting of its stockholders for the approval of an increase in the number of authorized shares of Common Stock. In connection with such

meeting, the Company shall provide each stockholder with a proxy statement and shall use its reasonable best efforts to solicit its stockholders' approval of such increase in authorized shares of Common Stock and to cause its board of directors to recommend to the stockholders that they approve such proposal. In the event that the Company is prohibited from issuing shares of Common Stock upon an exercise of this Warrant due to the failure by the Company to have sufficient shares of Common Stock available out of the authorized but unissued shares of Common Stock (such unavailable number of shares of Common Stock, the "**Authorization Failure Shares**"), in lieu of delivering such Authorization Failure Shares to the Holder, the Company shall pay cash in exchange for the cancellation of such portion of this Warrant exercisable into such Authorization Failure Shares at a price equal to the sum of (i) the product of (x) such number of Authorization Failure Shares and (y) the Closing Sale Price of the Common Stock on the date the Holder delivers the applicable Exercise Notice with respect to such Authorization Failure Shares to the Company; and (ii) to the extent the Holder purchases (in an open market transaction or otherwise) shares of Common Stock to deliver in satisfaction of a sale by the Holder of Authorization Failure Shares, any Buy-In Payment Amount, brokerage commissions and other out-of-pocket expenses, if any, of the Holder incurred in connection therewith. Nothing contained in this Section 1(g) shall limit any obligations of the Company under any provision of the Credit Agreement.

2. ADJUSTMENT OF EXERCISE PRICE AND NUMBER OF WARRANT SHARES. The Exercise Price and the number of Warrant Shares issuable upon exercise of this Warrant are subject to adjustments from time to time as set forth in this Section 2.

(a) Adjustment Upon Subdivision or Combination of Shares of Common Stock. If the Company at any time on or after the Issuance Date subdivides (by any stock split, stock dividend, recapitalization or otherwise) one or more classes of its outstanding shares of Common Stock into a greater number of shares, the Exercise Price in effect immediately prior to such subdivision will be proportionately reduced and the number of Warrant Shares will be proportionately increased. If the Company at any time on or after the Issuance Date combines (by combination, reverse stock split or otherwise) one or more classes of its outstanding shares of Common Stock into a smaller number of shares, the Exercise Price in effect immediately prior to such combination will be proportionately increased and the number of Warrant Shares will be proportionately decreased. Any adjustment under this Section 2(a) shall become effective at the close of business on the date the subdivision or combination becomes effective.

(b) Adjustment to Number of Warrant Shares. Simultaneously with any adjustment to the Exercise Price pursuant to Section 2, the number of Warrant Shares that may be purchased upon exercise of this Warrant shall be increased or decreased proportionately, so that after such adjustment the aggregate Exercise Price payable hereunder for the adjusted number of Warrant Shares shall be the same as the aggregate Exercise Price in effect immediately prior to such adjustment (without regard to any limitations on exercise contained herein).

(c) Par Value. Notwithstanding anything to the contrary in this Warrant, in no event shall the Exercise Price be reduced below the par value of the Company's Common Stock.

(d) Voluntary Adjustment by Company. Subject to Section 2(c), the Company may at any time during the term of this Warrant, with prior written notice to the Holder, reduce the then current Exercise Price to any amount and for any period of time deemed appropriate by the board of directors of the Company.

3. RIGHTS UPON DISTRIBUTION OF ASSETS. In addition to any adjustments pursuant to Section 2 above, if the Company shall declare or make any dividend or other distribution of its assets (or rights to acquire its assets) to holders of shares of Common Stock, by way of return of capital or otherwise (including, without limitation, any distribution of cash, stock or other securities, property,

options, evidence of indebtedness or any other assets by way of a dividend, spin off, reclassification, corporate rearrangement, scheme of arrangement or other similar transaction) (a “**Distribution**”), at any time after the issuance of this Warrant, then, in each such case, the Holder shall be entitled to participate in such Distribution to the same extent that the Holder would have participated therein if the Holder had held the number of shares of Common Stock acquirable upon complete exercise of this Warrant (without regard to any limitations or restrictions on exercise of this Warrant, including without limitation, the Maximum Percentage) immediately before the date on which a record is taken for such Distribution, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the participation in such Distribution (provided, however, that to the extent that the Holder’s right to participate in any such Distribution would result in the Holder and the other Attribution Parties exceeding the Maximum Percentage, then the Holder shall not be entitled to participate in such Distribution to the extent of the Maximum Percentage (and shall not be entitled to beneficial ownership of such shares of Common Stock as a result of such Distribution (and beneficial ownership) to the extent of any such excess) and the portion of such Distribution shall be held in abeyance for the benefit of the Holder until such time or times, if ever, as its right thereto would not result in the Holder and the other Attribution Parties exceeding the Maximum Percentage, at which time or times the Holder shall be granted such Distribution (and any Distributions declared or made on such initial Distribution or on any subsequent Distribution held similarly in abeyance) to the same extent as if there had been no such limitation).

4. PURCHASE RIGHTS; FUNDAMENTAL TRANSACTIONS.

(a) Purchase Rights. In addition to any adjustments pursuant to Section 2 above, if at any time the Company grants, issues or sells any Options, Convertible Securities or rights to purchase stock, warrants, securities or other property pro rata to the record holders of any class of Common Stock (the “**Purchase Rights**”), then the Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which the Holder could have acquired if the Holder had held the number of shares of Common Stock acquirable upon complete exercise of this Warrant (without regard to any limitations or restrictions on exercise of this Warrant, including without limitation, the Maximum Percentage) immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the grant, issuance or sale of such Purchase Rights (provided, however, that to the extent that the Holder’s right to participate in any such Purchase Right would result in the Holder and the other Attribution Parties exceeding the Maximum Percentage, then the Holder shall not be entitled to participate in such Purchase Right to the extent of the Maximum Percentage (and shall not be entitled to beneficial ownership of such shares of Common Stock as a result of such Purchase Right (and beneficial ownership) to the extent of any such excess) and such Purchase Right to such extent shall be held in abeyance for the benefit of the Holder until such time or times, if ever, as its right thereto would not result in the Holder and the other Attribution Parties exceeding the Maximum Percentage, at which time or times the Holder shall be granted such right (and any Purchase Right granted, issued or sold on such initial Purchase Right or on any subsequent Purchase Right held similarly in abeyance) to the same extent as if there had been no such limitation).

(b) Fundamental Transactions. The Company shall not enter into or be party to a Fundamental Transaction unless:

(i) in the event that the Successor Entity (including its Parent Entity) is not a publicly traded entity with common equity quoted on or listed for trading on an Eligible Market and registered under the Exchange Act, the Company or the Successor Entity, as applicable, shall, on or prior to the date of consummation of such Fundamental Transaction, purchase this Warrant from the Holder by paying to the Holder cash in an amount equal to the Black Scholes Going Private Value (without regard to the limitation set forth in Section 1(f)) whereupon the Successor Entity shall have no obligation to assume

the obligations of the Company under this Warrant and the other Loan Documents, including any obligation to deliver to the Holder in exchange for this Warrant any security of the Successor Entity, and

(ii) in the event that the Successor Entity (including its Parent Entity) is a publicly traded entity with common equity quoted on or listed for trading on an Eligible Market and registered under the Exchange Act, the Successor Entity assumes in writing all of the obligations of the Company under this Warrant and the other Loan Documents in accordance with the provisions of this Section 4(b)(ii) pursuant to written agreements in form and substance satisfactory to the Holder and approved by the Holder prior to such Fundamental Transaction, including agreements to deliver to the Holder in exchange for this Warrant a security of the Successor Entity evidenced by a written instrument substantially similar in form and substance to this Warrant, including, without limitation, which is exercisable for a corresponding number of shares of capital stock equivalent to the shares of Common Stock acquirable and receivable upon exercise of this Warrant (without regard to any limitations on the exercise of this Warrant) prior to such Fundamental Transaction, and with an exercise price which applies the exercise price hereunder to such shares of capital stock (but taking into account the relative value of the shares of Common Stock pursuant to such Fundamental Transaction and the value of such shares of capital stock, such adjustments to the number of shares of capital stock and such exercise price being for the purpose of protecting the economic value of this Warrant immediately prior to the consummation of such Fundamental Transaction). Upon the consummation of each Fundamental Transaction described in this Section 4(b)(ii) (each such Fundamental Transaction, a “**Public Fundamental Transaction**”), the Successor Entity shall (x) succeed to, and be substituted for (so that from and after the date of the applicable Public Fundamental Transaction, the provisions of this Warrant and the other Loan Documents referring to the “Company” or the “Borrower” shall refer instead to the Successor Entity), and may exercise every right and power of the Company and shall assume all of the obligations of the Company under this Warrant and the other Loan Documents with the same effect as if such Successor Entity had been named as the Company herein or therein, and (y) deliver to the Holder confirmation that there shall be issued upon exercise of this Warrant at any time after the consummation of the applicable Public Fundamental Transaction, in lieu of the shares of Common Stock (or other securities, cash, assets or other property (except such items still issuable under Sections 3 and 4(a) above, which shall continue to be receivable thereafter)) issuable upon the exercise of this Warrant prior to the applicable Public Fundamental Transaction, such shares of publicly traded common stock (or its equivalent) of the Successor Entity (including its Parent Entity) which the Holder would have been entitled to receive upon the happening of the applicable Public Fundamental Transaction had this Warrant been exercised immediately prior to the applicable Public Fundamental Transaction (without regard to any limitations on the exercise of this Warrant), as adjusted in accordance with the provisions of this Warrant. Notwithstanding the foregoing, and without limiting Section 1(f) hereof, the Holder may elect, at its sole option, by delivery of written notice to the Company to waive this Section 4(b)(ii) to permit the Public Fundamental Transaction without the assumption of this Warrant.

In addition to and not in substitution for any other rights hereunder, prior to the consummation of each Fundamental Transaction pursuant to which holders of shares of Common Stock are entitled to receive securities or other assets with respect to or in exchange for shares of Common Stock (a “**Corporate Event**”), the Company shall make appropriate provision to insure that the Holder will thereafter have the right to receive upon an exercise of this Warrant at any time after the consummation of the applicable Fundamental Transaction but prior to the Expiration Date, in lieu of the shares of the Common Stock (or other securities, cash, assets or other property (except such items still issuable under Sections 3 and 4(a) above, which shall continue to be receivable thereafter)) issuable upon the exercise of the Warrant prior to such Fundamental Transaction, such shares of stock, securities, cash, assets or any other property whatsoever (including warrants or other purchase or subscription rights) which the Holder would have been entitled to receive upon the happening of the applicable Fundamental Transaction had this Warrant been exercised immediately prior to the applicable Fundamental Transaction (without regard to any limitations

on the exercise of this Warrant). Provision made pursuant to the preceding sentence shall be in a form and substance reasonably satisfactory to the Holder.

(c) Holder Optional Redemptions. Notwithstanding the foregoing and the provisions of Section 4(b)(ii) above, at the request of the Holder delivered at any time commencing on the earliest to occur of (x) the public disclosure of any Public Fundamental Transaction, (y) the consummation of any Public Fundamental Transaction and (z) the Holder first becoming aware of any Public Fundamental Transaction through the date that is ninety (90) days after the public disclosure of the consummation of such Public Fundamental Transaction by the Company pursuant to a Current Report on Form 8-K filed with the SEC, the Company or the Successor Entity (as the case may be) shall purchase this Warrant from the Holder on the date of such request by paying to the Holder cash in an amount equal to the Black Scholes Value. Payment of such amounts shall be made by the Company (or at the Company's direction) to the Holder on or prior to the later of (x) the second (2nd) Trading Day after the date of such request and (y) the date of consummation of such Public Fundamental Transaction.

(d) Application. The provisions of this Section 4 shall apply similarly and equally to successive Fundamental Transactions and Corporate Events and shall be applied as if this Warrant (and any such subsequent warrants) were fully exercisable and without regard to any limitations on the exercise of this Warrant (provided that the Holder shall continue to be entitled to the benefit of the Maximum Percentage, applied however with respect to shares of capital stock registered under the Exchange Act and thereafter receivable upon exercise of this Warrant (or any such other warrant)).

5. NONCIRCUMVENTION. The Company hereby covenants and agrees that the Company will not, by amendment of its Certificate of Incorporation or Bylaws, or through any reorganization, transfer of assets, consolidation, merger, scheme of arrangement, dissolution, issuance or sale of securities, or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, and will at all times in good faith carry out all of the provisions of this Warrant and take all action as may be required to protect the rights of the Holder. Without limiting the generality of the foregoing, the Company (i) shall not increase the par value of any shares of Common Stock receivable upon the exercise of this Warrant above the Exercise Price then in effect, (ii) shall take all such actions as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable shares of Common Stock upon the proper exercise of this Warrant by the Holder, and (iii) shall, so long as this Warrant is outstanding, take all action necessary to reserve and keep available out of its authorized and unissued shares of Common Stock, solely for the purpose of effecting the exercise of this Warrant, the number of shares of Common Stock as shall from time to time be necessary to effect the exercise of this Warrant (without regard to any limitations on exercise). Notwithstanding anything herein to the contrary, if after the sixty (60) calendar day anniversary of the Issuance Date, the Holder is not permitted to exercise this Warrant in full for any reason (other than pursuant to restrictions set forth in Section 1(f) hereof), the Company shall use its reasonable best efforts to promptly remedy such failure, including, without limitation, obtaining such consents or approvals as necessary to permit such exercise into shares of Common Stock.

6. WARRANT HOLDER NOT DEEMED A STOCKHOLDER. Except as otherwise specifically provided herein, the Holder, solely in such Person's capacity as a holder of this Warrant, shall not be entitled to vote or receive dividends or be deemed the holder of share capital of the Company for any purpose, nor shall anything contained in this Warrant be construed to confer upon the Holder, solely in such Person's capacity as the Holder of this Warrant, any of the rights of a stockholder of the Company or any right to vote, give or withhold consent to any corporate action (whether any reorganization, issue of stock, reclassification of stock, consolidation, merger, conveyance or otherwise), receive notice of meetings, receive dividends or subscription rights, or otherwise, prior to the issuance to the Holder of the Warrant Shares which such Person is then entitled to receive upon the due exercise of this Warrant. In

addition, nothing contained in this Warrant shall be construed as imposing any liabilities on the Holder to purchase any securities (upon exercise of this Warrant or otherwise) or as a stockholder of the Company, whether such liabilities are asserted by the Company or by creditors of the Company. Notwithstanding this Section 6, the Company shall provide the Holder with copies of the same notices and other information given to the stockholders of the Company generally, contemporaneously with the giving thereof to the stockholders.

7. REISSUANCE OF WARRANTS.

(a) Transfer of Warrant. If this Warrant is to be transferred and reissued to the transferee, the Holder shall surrender this Warrant to the Company together with a written assignment of this Warrant substantially in the form attached hereto duly executed by the Holder or its agent or attorney and funds sufficient to pay any transfer taxes payable upon the making of such transfer, whereupon the Company will forthwith issue and deliver upon the order of the Holder a new Warrant (in accordance with Section 7(d)), registered as the Holder may request, representing the right to purchase the number of Warrant Shares being transferred by the Holder and, if less than the total number of Warrant Shares then underlying this Warrant is being transferred, a new Warrant (in accordance with Section 7(d)) to the Holder representing the right to purchase the number of Warrant Shares not being transferred. For the avoidance of doubt, this Section 7(a) will not apply to a sale, transfer, pledge or assignment of this Warrant that does not involve a reissuance of this Warrant.

(b) Lost, Stolen or Mutilated Warrant. Upon receipt by the Company of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of this Warrant (as to which a written certification and the indemnification contemplated below shall suffice as such evidence), and, in the case of loss, theft or destruction, of any indemnification undertaking by the Holder to the Company in customary and reasonable form and, in the case of mutilation, upon surrender and cancellation of this Warrant, the Company shall execute and deliver to the Holder a new Warrant (in accordance with Section 7(d)) representing the right to purchase the Warrant Shares then underlying this Warrant.

(c) Exchangeable for Multiple Warrants. This Warrant is exchangeable, upon the surrender hereof by the Holder at the principal office of the Company, for a new Warrant or Warrants (in accordance with Section 7(d)) representing in the aggregate the right to purchase the number of Warrant Shares then underlying this Warrant, and each such new Warrant will represent the right to purchase such portion of such Warrant Shares as is designated by the Holder at the time of such surrender; provided, however, that no warrants for fractional shares of Common Stock shall be given.

(d) Issuance of New Warrants. Whenever the Company is required to issue a new Warrant pursuant to the terms of this Warrant, such new Warrant (i) shall be of like tenor with this Warrant, (ii) shall represent, as indicated on the face of such new Warrant, the right to purchase the Warrant Shares then underlying this Warrant (or in the case of a new Warrant being issued pursuant to Section 7(a) or Section 7(c), the Warrant Shares designated by the Holder which, when added to the number of shares of Common Stock underlying the other new Warrants issued in connection with such issuance, does not exceed the number of Warrant Shares then underlying this Warrant), (iii) shall have an issuance date, as indicated on the face of such new Warrant which is the same as the Issuance Date, and (iv) shall have the same rights and conditions as this Warrant.

8. NOTICES OF CHANGES IN WARRANT. Whenever notice is required to be given under this Warrant, unless otherwise provided herein, such notice shall be given in accordance with Section 8.2 of the Credit Agreement. Upon every adjustment of the Exercise Price or the number of shares of Common Stock issuable upon exercise of a Warrant, the Company shall give written notice thereof to

the Holders, which notice shall state the Exercise Price resulting from such adjustment and the increase or decrease, if any, in the number of Warrant Shares purchasable at such price upon the exercise of a Warrant, setting forth in reasonable detail the method of calculation and the facts upon which such calculation is based.

9. AMENDMENT AND WAIVER. Except as otherwise provided herein, the provisions of this Warrant may be amended or waived and the Company may take any action herein prohibited, or omit to perform any act herein required to be performed by it, only if the Company has obtained the written consent of (i) the Holder, if there is one Holder, or (ii) the Holder or Holders of the Warrant or Warrants representing the majority of Warrant Shares if there is more than one Holder, and with respect to any amendment, the amendment is in writing and signed by the Company and the Holder.

10. GOVERNING LAW; JURISDICTION; JURY TRIAL. This Warrant shall be governed by and construed and enforced in accordance with, and all questions concerning the construction, validity, interpretation and performance of this Warrant shall be governed by, the internal laws of the State of New York, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of New York or any other jurisdictions) that would cause the application of the laws of any jurisdictions other than the State of New York. The Company and the Holder each hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in The City of New York, Borough of Manhattan, for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is brought in an inconvenient forum or that the venue of such suit, action or proceeding is improper. The Company and the Holder each hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof to the Company or such Holder, as applicable at the address set forth in Section 8.2 of the Credit Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law. Nothing contained herein shall be deemed or operate to preclude the Holder from bringing suit or taking other legal action against the Company in any other jurisdiction to collect on the Company's obligations to the Holder, to realize on any collateral or any other security for such obligations, or to enforce a judgment or other court ruling in favor of the Holder. **THE COMPANY HEREBY AND THE HOLDER EACH IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE, AND AGREES NOT TO REQUEST, A JURY TRIAL FOR THE ADJUDICATION OF ANY DISPUTE HEREUNDER OR IN CONNECTION WITH OR ARISING OUT OF THIS WARRANT OR ANY TRANSACTION CONTEMPLATED HEREBY.**

11. CONSTRUCTION; HEADINGS; BUSINESS DAYS. This Warrant shall be deemed to be jointly drafted by the Company and the Holder and shall not be construed against any Person as the drafter hereof. The headings of this Warrant are for convenience of reference and shall not form part of, or affect the interpretation of, this Warrant. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a Business Day, then, such action may be taken or such right may be exercised on the next succeeding Business Day.

12. DISPUTE RESOLUTION. In the case of a dispute as to the determination of the Exercise Price or the arithmetic calculation of the Warrant Shares, the Company shall submit the disputed determinations or arithmetic calculations via facsimile or electronic mail within two (2) Business Days of receipt of the Exercise Notice giving rise to such dispute, as the case may be, to the Holder. If the Holder and the Company are unable to agree upon such determination or calculation of the Exercise Price or the Warrant Shares within three (3) Business Days of such disputed determination or arithmetic calculation being submitted to the Holder, then the Company shall, within two (2) Business Days submit via facsimile

or electronic mail the dispute to a nationally recognized accounting firm selected by the Holder and reasonably satisfactory to the Company. If the Company does not object in writing to the selection of the accounting firm within two (2) Business Days of notice of the Holder's selection, the Company will have deemed to have consented to such selection. If the Company does object, the Company shall provide the Holder its rationale for such rejection and five (5) acceptable alternative firms. The Company shall cause at its expense the accepted accounting firm to perform the determinations or calculations and notify the Company and the Holder of the results no later than three (3) Business Days from the time it receives the disputed determinations or calculations. Such accounting firm's determination or calculation, as the case may be, shall be binding upon all parties absent demonstrable error. In the event that the accounting firm resolves the dispute in the Holder's favor, a Delivery Failure will be deemed to have occurred and the Buy- In and other remedies available to the Holder under Section 1(c) will apply.

13. REMEDIES, OTHER OBLIGATIONS, BREACHES AND INJUNCTIVE RELIEF. The remedies provided in this Warrant shall be cumulative and in addition to all other remedies available under this Warrant and the other Loan Documents, at law or in equity (including a decree of specific performance and/or other injunctive relief), and nothing herein shall limit the right of the Holder to pursue actual damages for any failure by the Company to comply with the terms of this Warrant. The Company acknowledges that a breach by it of its obligations hereunder will cause irreparable harm to the Holder and that the remedy at law for any such breach may be inadequate. The Company therefore agrees that, in the event of any such breach or threatened breach, the Holder shall be entitled, in addition to all other available remedies, to an injunction restraining any breach, without the necessity of showing economic loss and without any bond or other security being required.

14. TRANSFER. This Warrant and the Warrant Shares may be offered for sale, sold, transferred, pledged or assigned without the consent of the Company, subject to compliance with applicable state and federal securities laws. The Holder acknowledges that the Warrant Shares acquired upon the exercise of this Warrant, if not registered, and the Holder does not utilize cashless exercise, will have restrictions upon resale imposed by state and federal securities laws.

15. SEVERABILITY. If any provision of this Warrant is prohibited by law or otherwise determined to be invalid or unenforceable by a court of competent jurisdiction, the provision that would otherwise be prohibited, invalid or unenforceable shall be deemed amended to apply to the broadest extent that it would be valid and enforceable, and the invalidity or unenforceability of such provision shall not affect the validity of the remaining provisions of this Warrant so long as this Warrant as so modified continues to express, without material change, the original intentions of the parties as to the subject matter hereof and the prohibited nature, invalidity or unenforceability of the provision(s) in question does not substantially impair the respective expectations or reciprocal obligations of the parties or the practical realization of the benefits that would otherwise be conferred upon the parties. The parties will endeavor in good faith negotiations to replace the prohibited, invalid or unenforceable provision(s) with a valid provision(s), the effect of which comes as close as possible to that of the prohibited, invalid or unenforceable provision(s).

16. NO DISCLOSURE. The Company shall not provide material, non-public information or confidential or proprietary information to the Holder without such Holder's written consent.

17. REPRESENTATIONS OF HOLDERS.

(a) Investment Intent. Each Holder represents and warrants that it is acquiring this Warrant and the Warrant Shares (collectively, the "**Securities**"), solely for its beneficial account, for investment purposes, and not with a view to, or for resale in connection with, any distribution of the Securities in violation of applicable securities laws.

(b) Unregistered Securities. Each Holder represents and warrants that it understands that the Securities have not been registered under the Securities Act or any state securities laws by reason of specific exemptions under the provisions thereof, the availability of which depend in part upon the bona fide nature of its investment intent and upon the accuracy of its representations made herein.

(c) Reliance. Each Holder represents and warrants that it understands that the Company is relying in part upon the representations and agreements of the Holders contained herein for the purpose of determining whether the offer, sale and issuance of the Securities meet the requirements for such exemptions described in Section 17(b).

(d) Accredited Investor. Each Holder represents and warrants that it is an “accredited investor” as defined in Rule 501(a) under the Securities Act.

(e) Sophisticated Investor. Each Holder represents and warrants that it has such knowledge, skill and experience in business, financial and investment matters that it is capable of evaluating the merits and risks of an investment in the Securities, including experience in and knowledge of the industry in which the Company operates.

(f) Restricted Securities. Each Holder represents and warrants that it understand that the Securities will be “restricted securities” under applicable federal securities laws and that the Securities Act and the rules of the SEC provide in substance that it may dispose of the Securities only pursuant to an effective registration statement under the Securities Act or an exemption therefrom.

(g) Information. Each Holder represents and warrants that it has been furnished by the Company all information (or provided access to all information) regarding the business and financial condition of the Company, the attributes of the Securities, and the merits and risks of an investment in such Securities which it has requested or otherwise needs to evaluate the investment in such Securities; that in making the proposed investment decision, such Holder is relying solely on such information, the representations, warranties and agreements of the Company and the other Loan Parties contained herein and in the other Loan Documents and on investigations made by it and its representatives; that the offer to sell the Securities hereunder was communicated to such Holder in such a manner that it was able to ask questions of and receive answers from the management of the Company concerning the terms and conditions of the proposed transaction and that at no time was it presented with or solicited by or through any leaflet, public promotional meeting, television advertisement or any other form of general or public advertising or solicitation; and such Holder recognizes that an investment in the Securities involves risks and can result in a total loss of all funds invested.

(h) Non-Reliance. Notwithstanding anything in this Warrant to the contrary, each Holder hereby acknowledges, with respect to itself, that the Company may possess material non-public information with respect to the Company and/or its securities not known to each Holder as of the date hereof or at a time when each Holder exercises its right to purchase Warrant Shares pursuant to this Warrant and that any such information may impact the value of the Warrant and the Warrant Shares. Each Holder with respect to itself irrevocably waives any claim, or potential claim, that it may have based on the failure of the Company or its Affiliates, officers, directors, employees, agents or other representatives to disclose such information in connection with the execution and delivery of this Warrant or the purchase of Warrant Shares hereunder; *provided, however*, notwithstanding anything in this Section 17(h) or otherwise to the contrary, each Holder does not and shall not be deemed to have waived or otherwise compromised any rights or claims based upon or arising out of (i) the Company’s disclosure obligations under the federal securities laws with respect to any untrue statement of a material fact or omission to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading in any public statement or filing made by the Company pursuant to the Exchange Act, or (ii)

any breach or inaccuracy of any representation or warranty of the Company or any other Loan Party in the Credit Agreement or any other Loan Document. Each Holder with respect to itself acknowledges that the Company would not enter into this Warrant in the absence of the agreements set forth in this Section 17.

18. REPRESENTATIONS OF THE COMPANY. The Company represents and warrants to the Holder that:

(a) The Company (i) is duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation; (ii) has the requisite power and authority to own, lease and operate its properties, to carry on its business as it is now being conducted and to enter into, deliver and perform its obligations under this Warrant; and (iii) is duly licensed or qualified to conduct its business and, if applicable, is in good standing under the laws of each jurisdiction (other than its jurisdiction of incorporation) in which the conduct of its business or the ownership of its properties or assets requires such license or qualification, except, with respect to the foregoing clause (iii), where the failure to be in good standing would not reasonably be expected to have a Company Material Adverse Effect. For purposes of this Warrant, a “**Company Material Adverse Effect**” means an event, change, development, occurrence, condition or effect with respect to the Company and its subsidiaries, taken together as a whole (on a consolidated basis), that, individually or in the aggregate, (A) would reasonably be expected to have a material adverse effect on the business, financial condition or results of operations of the Company and its subsidiaries, taken together as a whole (on a consolidated basis) or (B) would prevent, materially delay or materially impede the performance by the Company or its subsidiaries of their respective obligations under this Warrant or the other Loan Documents.

(b) This Warrant is duly authorized, validly issued and constitutes legal, valid and binding obligations of the Company, enforceable against the Company in accordance with its terms, except that the enforcement thereof may be subject to applicable bankruptcy, insolvency or similar laws affecting creditors’ rights generally or by equitable principles relating to enforceability (collectively, the “**Enforceability Exceptions**”), and has not been issued in violation of any preemptive rights created under the Company’s organizational documents or the laws of the State of Delaware.

(c) The Warrant Shares have been duly authorized and, when issued and delivered to the Holder upon conversion of this Warrant, will be validly issued, fully paid and nonassessable and will not have been issued in violation of any preemptive rights created under the Company’s organizational documents or the laws of the State of Delaware.

(d) The execution and delivery of this Warrant, the issuance and delivery of the Warrant Shares in accordance with the terms hereof and the compliance by the Company with all of the provisions of this Warrant and the consummation of the transactions contemplated herein will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of the Company pursuant to the terms of (i) any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which the Company is a party or by which the Company is bound or to which any of the property or assets of the Company is subject; (ii) the organizational documents of the Company; or (iii) any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over the Company or any of its properties that, in the case of clauses (i) and (iii), would reasonably be expected to have a Company Material Adverse Effect or have a material adverse effect on the Company’s ability to consummate the transactions contemplated hereby.

(e) Assuming the accuracy of the representations and warranties of the Holder, the Company is not required to obtain any consent, waiver, authorization or order of, give any

notice to, or make any filing or registration with, any court or other federal, state, local or other governmental authority, self-regulatory organization (including the Nasdaq Stock Market) or other person in connection with the execution, delivery and performance of this Warrant, other than (i) filings required by applicable state securities laws, (ii) the filing of the registration statement pursuant to the First Amendment Registration Rights Agreement, (iii) the filing of a Notice of Exempt Offering of Securities on Form D with the SEC, if applicable and (iv) those the failure of which to obtain would not be reasonably likely to have a Company Material Adverse Effect or have a material adverse effect on the Company's ability to consummate the transactions contemplated hereby.

(f) As of their respective dates, all reports required to be filed by the Company with the SEC (the "**SEC Reports**") complied in all material respects with the requirements of the Exchange Act, and the rules and regulations of the SEC promulgated thereunder, and none of the SEC Reports, when filed, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The financial statements of the Company included in the SEC Reports comply in all material respects with applicable accounting requirements and the rules and regulations of the SEC with respect thereto as in effect at the time of filing and fairly present in all material respects the financial position of the Company as of and for the dates thereof and the results of operations and cash flows for the periods then ended, subject, in the case of unaudited statements, to normal, year-end audit adjustments.

(g) Except for such matters as have not had and would not be reasonably likely to have a Company Material Adverse Effect or have a material adverse effect on the Company's ability to consummate the transactions contemplated hereby, there is no (i) suit, action, investigation, proceeding or arbitration before a governmental authority or arbitrator pending, or, to the knowledge of the Company, threatened in writing against the Company or any of its directors or officers in their capacities as such or (ii) judgment, decree, injunction, ruling or order of any governmental authority or arbitrator outstanding against the Company or any of its directors or officers in their capacities as such.

(h) Except for such matters as have not had and would not be reasonably likely to have a Company Material Adverse Effect or have a material adverse effect on the Company's ability to consummate the transactions contemplated hereby, the Company is, and has been since its inception, in compliance with all laws applicable to the conduct of the business of the Company. The Company has not received any written, or to its knowledge, other communication from a governmental entity that alleges that the Company is not in compliance with or is in default or violation of any applicable law, except where such noncompliance, default or violation would not be reasonably expected to have, individually or in the aggregate, a Company Material Adverse Effect.

(i) The Company has all franchises, permits, licenses and any similar authority necessary for the conduct of its business as now being conducted by it, the lack of which would have a material adverse effect, and to the Company's knowledge, the Company is not in default in any material respect under any of such franchises, permits, licenses or other authority.

(j) There is no action, suit, proceeding or investigation pending or, to the Company's knowledge, currently threatened in writing against the Company that questions the validity of this Warrant or the right of the Company to enter into this Warrant, or to consummate the transactions contemplated hereby, or that might result, if determined adversely to the Company, in a material adverse effect, or in any material change in the current equity ownership of the Company.

(k) To the Company's knowledge, the Company owns or possesses sufficient legal rights to all (a) patents, patent applications and inventions; (b) trademarks, service marks, trade names,

trade dress, logos, domain names or corporate names and registrations and applications for registration thereof, together with all of the goodwill associated therewith; (c) copyrights (registered or unregistered) and copyrightable works and registrations and applications for registrations thereof; (d) computer software, data, and databases and documentation thereof; (e) trade secrets and other confidential information; and (f) licenses, information and proprietary rights and processes necessary for its business as now conducted. The Company has not received any written communications alleging that the Company has violated or, by conducting its business as proposed, would violate any of the patents, trademarks, service marks, trade names, copyrights or trade secrets or other proprietary rights of any other person or entity.

19. CERTAIN DEFINITIONS. For purposes of this Warrant, the following terms shall have the following meanings:

(b) “**Attribution Parties**” means, collectively, the following Persons and entities: (i) any investment vehicle, including, any funds, feeder funds or managed accounts, currently, or from time to time after the Issuance Date, directly or indirectly managed or advised by the Holder’s investment manager or any of its Affiliates or principals, (ii) any direct or indirect Affiliates of the Holder or any of the foregoing, (iii) any Person acting or who could be deemed to be acting as a Group together with the Holder or any of the foregoing and (iv) any other Persons whose beneficial ownership of the Company’s Common Stock would or could be aggregated with the Holder’s and the other Attribution Parties for purposes of Section 13(d) of the Exchange Act. For clarity, the purpose of the foregoing is to subject collectively the Holder and all other Attribution Parties to the Maximum Percentage.

(c) “**Black Scholes Going Private Value**” means the value of the unexercised portion of this Warrant remaining on the date of the consummation of the Fundamental Transaction referred to in Section 4(b)(i), which value is calculated using the Black Scholes Option Pricing Model obtained from the “OV” function on Bloomberg utilizing (i) an underlying price per share equal to the greater of (1) the highest Closing Sale Price of the Common Stock during the period beginning on the Trading Day immediately preceding the announcement of the applicable Fundamental Transaction (or the consummation of the applicable Fundamental Transaction, if earlier) and ending on the date of consummation of the applicable Fundamental Transaction and (2) the sum of the price per share being offered in cash in the applicable Fundamental Transaction (if any) plus the value of the non-cash consideration being offered in the applicable Fundamental Transaction (if any), (ii) a strike price equal to the Exercise Price in effect on the date of consummation of the applicable Fundamental Transaction, (iii) a risk-free interest rate corresponding to the U.S. Treasury rate for a period equal to the greater of (1) the remaining term of this Warrant as of the date of consummation of the applicable Fundamental Transaction and (2) the remaining term of this Warrant as of the date of consummation of the applicable Fundamental Transaction, (iv) a zero cost of borrow and (v) an expected volatility equal to the greater of 100% and the 60 day volatility obtained from the “HVT” function on Bloomberg (determined utilizing a 365 day annualization factor) as of the Trading Day immediately following the earliest to occur of (A) the public disclosure of the applicable Fundamental Transaction, and (B) the consummation of the applicable Fundamental Transaction.

WARRANT TO PURCHASE COMMON STOCK

Warrant No.: 2023-2
Number of Shares of Common Stock: 128,280
Date of Issuance: March 31, 2023 (“**Issuance Date**”)

Presto Automation Inc., a Delaware corporation (the “**Company**”), hereby certifies that, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Metropolitan Partners Fund VII, LP, the registered holder hereof or its permitted assigns (the “**Holder**”), is entitled, subject to the terms set forth below, to purchase from the Company, at the Exercise Price (as defined below) then in effect, at any time or times on or after the Issuance Date, but not after 11:59 p.m., New York time, on the Expiration Date, (as defined below), 128,280 duly authorized, validly issued, fully paid, nonassessable shares of Common Stock, subject to adjustment as provided herein (the “**Warrant Shares**”). Except as otherwise defined herein, capitalized terms in this Warrant to Purchase Common Stock (including any Warrants to Purchase Common Stock issued in exchange, transfer or replacement hereof, this “**Warrant**”) shall have the meanings set forth in Section 17. This Warrant is being issued pursuant to Section 4 of that certain Amended and Restated Fee Letter, dated March 31, 2023, among E La Carte, LLC, the Company and Metropolitan Partners Group Administration, LLC, as agent (the “**Fee Letter**”). Capitalized terms used herein and not otherwise defined shall have the definitions ascribed to such terms in the Credit Agreement (as defined in the Fee Letter).

1. EXERCISE OF WARRANT.

(a) Mechanics of Exercise. Subject to the terms and conditions hereof (including, without limitation, the limitations set forth in Section 1(f)), this Warrant may be exercised by the Holder at any time or times on or after the Issuance Date, in whole or in part, by (i) delivery (whether via facsimile or otherwise) of a written notice, in the form attached hereto as Exhibit A (the “**Exercise Notice**”), of the Holder’s election to exercise this Warrant and (ii) (A) payment to the Company of an amount equal to the applicable Exercise Price multiplied by the number of Warrant Shares as to which this Warrant is being exercised (the “**Aggregate Exercise Price**”) in cash by wire transfer of immediately available funds or (B) if the provisions of Section 1(d) are applicable, by notifying the Company that this Warrant is being exercised pursuant to a Cashless Exercise. The Holder shall not be required to physically

surrender this Warrant to the Company until the Holder has purchased all of the Warrant Shares available hereunder and the Warrant has been exercised in full, in which case the Holder shall surrender this Warrant to the Company for cancellation within three (3) Trading Days after the date the Warrant Shares which are the subject of the Exercise Notice being delivered to the Holder. Partial exercises of this Warrant resulting in purchases of a portion of the total number of Warrant Shares available hereunder shall have the effect of lowering the outstanding number of Warrant Shares purchasable hereunder in an amount equal to the applicable number of Warrant Shares purchased. The Holder and the Company shall maintain records showing the number of Warrant Shares purchased and the date of such purchases. **The Holder and any assignee, by acceptance of this Warrant, acknowledge and agree that, by reason of the provisions of this paragraph, following the purchase of a portion of the Warrant Shares hereunder, the number of Warrant Shares available for purchase hereunder at any given time may be less than the amount stated on the face hereof.** On or before the third (3rd) Trading Day following the date on which the Company has received the Exercise Notice (the “**Share Delivery Date**”), so long as the Holder delivers the Aggregate Exercise Price (or notice of a Cashless Exercise) on or prior to the second (2nd) Trading Day following the date on which the Company has received the Exercise Notice (provided that if the Aggregate Exercise Price (or notice of a Cashless Exercise) has not been delivered by such date, the Share Delivery Date shall be extended one (1) Trading Day after the Aggregate Exercise Price (or notice of a Cashless Exercise) is delivered), the Company shall (X) provided that the Company’s transfer agent (“**Transfer Agent**”) is participating in The Depository Trust Company (“**DTC**”) Fast Automated Securities Transfer Program (“**FAST**”) and the Warrant Shares are eligible to be issued without a restrictive legend, credit such aggregate number of Warrant Shares to which the Holder is entitled pursuant to such exercise to the Holder’s or its designee’s balance account with DTC through its Deposit/Withdrawal At Custodian system, or (Y) if the Transfer Agent is not participating in FAST or the Warrant Shares are not eligible to be issued without a restrictive legend, issue and dispatch by overnight courier to the address as specified in the Exercise Notice, a certificate, registered in the Company’s share register in the name of the Holder or its designee, for the number of Warrant Shares to which the Holder is entitled pursuant to such exercise. The Company shall be responsible for all fees and expenses of the Transfer Agent and all fees and expenses with respect to the issuance of Warrant Shares via DTC, if any. Upon delivery of the Exercise Notice and the Aggregate Exercise Price (or notice of a Cashless Exercise), the Holder shall be deemed for all corporate purposes to have become the holder of record of the Warrant Shares with respect to which this Warrant has been exercised, irrespective of the date such Warrant Shares are credited to the Holder’s DTC account or the date of delivery of the certificates evidencing such Warrant Shares, as the case may be. If this Warrant is submitted in connection with any exercise pursuant to this Section 1(a) and the number of Warrant Shares represented by this Warrant submitted for exercise is greater than the number of Warrant Shares being acquired upon an exercise, then the Company shall as soon as reasonably practicable and in no event later than three (3) Trading Days after any exercise and at its own expense, issue a new Warrant (in accordance with Section 1(d)) representing the right to purchase the number of Warrant Shares issuable immediately prior to such exercise under this Warrant, less the number of Warrant Shares with respect to which this Warrant is exercised upon surrender of the Warrant so exercised. No fractional Warrant Shares are to be issued upon the exercise of this Warrant, but rather the number of Warrant Shares to be issued shall be rounded down to the nearest whole number. The Company shall pay any and all transfer, stamp, issuance and similar taxes (but not any United States federal, state or local income taxes) that may be payable with respect to the issuance and delivery of Warrant Shares upon exercise of this Warrant. The Company’s obligations to issue and deliver Warrant Shares in accordance with the terms and subject to the conditions hereof are absolute and unconditional, irrespective of any action or inaction by the Holder to enforce the same, any waiver or consent with respect to any provision hereof, the recovery of any judgment against any Person or any action to enforce the same, or any setoff, counterclaim, recoupment, limitation or termination.

(b) Exercise Price. For purposes of this Warrant, “**Exercise Price**” means \$0.01, subject to adjustment as provided herein.

(c) Company's Failure to Timely Deliver Securities. If the Company shall fail, for any reason or for no reason, on or prior to the Share Delivery Date, if the Transfer Agent is not participating in FAST or such shares of Common Stock may not be issued without legends under the Securities Act, to issue and deliver to the Holder (or its designee) a certificate for the number of Warrant Shares to which the Holder is entitled and register such Warrant Shares on the Company's share register or, if the Transfer Agent is participating in FAST and such shares of Common Stock may not be issued without legends under the Securities Act, to credit the balance account of the Holder or the Holder's designee with DTC for such number of Warrant Shares to which the Holder is entitled upon the Holder's exercise of this Warrant (as the case may be) (a "**Delivery Failure**"), then, in addition to all other remedies available to the Holder, (X) the Company shall pay in cash to the Holder on each day after the Share Delivery Date and during such Delivery Failure an amount in cash, as liquidated damages and not as a penalty, equal to 2.0% of the product of (A) the sum of the number of shares of Common Stock not issued to the Holder on or prior to the Share Delivery Date and to which the Holder is entitled, and (B) any trading price of the Common Stock selected by the Holder in writing as in effect at any time during the period beginning on the applicable exercise date and ending on the applicable Share Delivery Date, and (Y) the Holder, upon written notice to the Company, may void its Exercise Notice with respect to, and retain or have returned, as the case may be, any portion of this Warrant that has not been exercised pursuant to such Exercise Notice; provided that the voiding of an Exercise Notice shall not affect the Company's obligations to make any payments which have accrued prior to the date of such notice pursuant to this Section 1(c) or otherwise. In addition to the foregoing, if on or after such Share Delivery Date the Holder purchases (in an open market transaction or otherwise) shares of Common Stock to deliver in satisfaction of a sale by the Holder of all or any portion of the number of shares of Common Stock issuable upon such exercise that the Holder is entitled to receive from the Company (a "**Buy-In**"), then, in addition to all other remedies available to the Holder, the Company shall, within three (3) Business Days after the Holder's request and in the Holder's discretion, either (i) pay cash to the Holder in an amount equal to the Holder's total purchase price (including brokerage commissions and other out-of-pocket expenses, if any) for the shares of Common Stock so purchased (including, without limitation, by any other Person in respect, or on behalf, of the Holder) (the "**Buy-In Price**"), at which point the Company's obligation to so issue and deliver such certificate (and to issue such shares of Common Stock) or credit the balance account of such Holder or such Holder's designee, as applicable, with DTC for the number of Warrant Shares to which the Holder is entitled upon the Holder's exercise hereunder (as the case may be) (and to issue such Warrant Shares) shall terminate, or (ii) promptly honor its obligation to so issue and deliver to the Holder a certificate or certificates representing such Warrant Shares or credit the balance account of such Holder or such Holder's designee, as applicable, with DTC for the number of Warrant Shares to which the Holder is entitled upon the Holder's exercise hereunder (as the case may be) and pay cash to the Holder in an amount equal to the excess (if any) of the Buy-In Price over the product of (A) such number of Warrant Shares multiplied by (B) the Closing Sale Price of the Common Stock on the Share Delivery Date with respect to the related Exercise Notice (the "**Buy-In Payment Amount**"). The Holder shall provide the Company written notice indicating the amounts payable to the Holder in respect of the Buy-In and, upon request of the Company, evidence of the amount of such loss. Nothing shall limit the Holder's right to pursue any other remedies available to it hereunder, at law or in equity, including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver certificates representing shares of Common Stock (or to electronically deliver such shares of Common Stock) upon the exercise of this Warrant as required pursuant to the terms hereof.

(d) Cashless Exercise. Notwithstanding anything contained herein to the contrary (other than Section 1(f) below), the Holder may, in its sole discretion (and without limiting the Holder's rights and remedies contained herein), exercise this Warrant in whole or in part and, subject to the provisions of Section 1(a), in lieu of making the cash payment otherwise contemplated to be made to the Company upon such exercise in payment of the Aggregate Exercise Price, elect instead to receive upon such exercise the "Net Number" of Warrant Shares determined according to the following formula:

$$\text{Net Number} = \frac{(A \times B) - (A \times C)}{B}$$

For purposes of the foregoing formula:

A= the total number of shares with respect to which this Warrant is then being exercised.

B = the quotient of (x) the sum of the VWAP of the Common Stock of each of the five (5) Trading Days ending at the close of business on the Principal Market immediately prior to the time of exercise as set forth in the applicable Exercise Notice, divided by (y) five (5).

C = the Exercise Price then in effect for the applicable Warrant Shares at the time of such exercise.

For purposes of Rule 144(d) promulgated under the Securities Act, as in effect on the date hereof, it is intended that the Warrant Shares issued in a Cashless Exercise shall be deemed to have been acquired by the Holder, and the holding period for the Warrant Shares shall be deemed to have commenced, on the date this Warrant was originally issued pursuant to the Credit Agreement.

(e) Disputes. In the case of a dispute as to the determination of the Exercise Price or the arithmetic calculation of the number of Warrant Shares to be issued pursuant to the terms hereof, the Company shall promptly issue to the Holder the number of Warrant Shares that are not disputed and resolve such dispute in accordance with Section 12.

(f) Limitations on Exercises. Notwithstanding anything to the contrary contained herein, the Company shall not effect the exercise of any portion of this Warrant, and the Holder shall not have the right to exercise any portion of this Warrant, pursuant to the terms and conditions of this Warrant and any such exercise shall be null and void and treated as if never made, to the extent that after giving effect to such exercise, the Holder together with the other Attribution Parties collectively would beneficially own in excess of 4.99% (the "**Maximum Percentage**") of the number of shares of Common Stock outstanding immediately after giving effect to such exercise. For purposes of the foregoing sentence, the aggregate number of shares of Common Stock beneficially owned by the Holder and the other Attribution Parties shall include the number of shares of Common Stock held by the Holder and all other Attribution Parties plus the number of shares of Common Stock issuable upon exercise of this Warrant with respect to which the determination of such sentence is being made, but shall exclude the number of shares of Common Stock which would be issuable upon (A) exercise of the remaining, unexercised portion of this Warrant beneficially owned by the Holder or any of the other Attribution Parties and (B) exercise or conversion of the unexercised or unconverted portion of any other securities of the Company (including, without limitation, any convertible notes or convertible preferred stock or warrants) beneficially owned by the Holder or any other Attribution Party subject to a limitation on conversion or exercise analogous to the limitation contained in this Section 1(f). For purposes of this Section 1(f), beneficial ownership shall be calculated in accordance with Section 13(d) of the Securities Exchange Act of 1934, as amended (the "**Exchange Act**"). For purposes of this Warrant, in determining the number of outstanding shares of Common Stock the Holder may acquire upon the exercise of this Warrant without exceeding the Maximum Percentage, the Holder may rely on the number of outstanding shares of Common Stock as reflected in (x) the Company's most recent Annual Report on Form 10-K, Quarterly Report on Form 10-Q, Current Report on Form 8-K or other public filing with the Securities and Exchange Commission (the "**SEC**"), as the case may be, (y) a more recent public announcement by the Company or (z) any other written notice by the Company or the Transfer Agent, if any, setting forth the number of shares of Common Stock outstanding (the "**Reported Outstanding Share Number**"). If the Company receives an Exercise Notice from the Holder at a time when the actual number of outstanding shares of Common Stock is less than the Reported

Outstanding Share Number, the Company shall (i) notify the Holder in writing of the number of shares of Common Stock then outstanding and, to the extent that such Exercise Notice would otherwise cause the Holder's beneficial ownership, as determined pursuant to this Section 1(f), to exceed the Maximum Percentage, the Holder must notify the Company of a reduced number of Warrant Shares to be purchased pursuant to such Exercise Notice (the number of shares by which such purchase is reduced, the "**Reduction Shares**") and (ii) as soon as reasonably practicable, the Company shall return to the Holder any exercise price paid by the Holder for the Reduction Shares. For any reason at any time, upon the written or oral request of the Holder, the Company shall within one (1) Business Day confirm orally and in writing or by electronic mail to the Holder the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to the conversion or exercise of securities of the Company, including this Warrant, by the Holder and any other Attribution Party since the date as of which the Reported Outstanding Share Number was reported. In the event that the issuance of shares of Common Stock to the Holder upon exercise of this Warrant results in the Holder and the other Attribution Parties being deemed to beneficially own, in the aggregate, more than the Maximum Percentage of the number of outstanding shares of Common Stock (as determined under Section 13(d) of the Exchange Act), the number of shares so issued by which the Holder's and the other Attribution Parties' aggregate beneficial ownership exceeds the Maximum Percentage (the "**Excess Shares**") shall be deemed null and void and shall be cancelled ab initio, and the Holder shall not have the power to vote or to transfer the Excess Shares. As soon as reasonably practicable after the issuance of the Excess Shares has been deemed null and void, the Company shall return to the Holder the exercise price paid by the Holder for the Excess Shares. Upon delivery of a written notice to the Company, the Holder may from time to time increase (with such increase not effective until the sixty-first (61st) day after delivery of such notice) or decrease the Maximum Percentage to any other percentage not in excess of 9.99% as specified in such notice; provided that (i) any such increase in the Maximum Percentage will not be effective until the sixty-first (61st) day after such notice is delivered to the Company and (ii) any such increase or decrease will apply only to the Holder and the other Attribution Parties and not to any other holder that is not an Attribution Party of the Holder. For purposes of clarity, the shares of Common Stock issuable pursuant to the terms of this Warrant in excess of the Maximum Percentage shall not be deemed to be beneficially owned by the Holder for any purpose including for purposes of Section 13(d) or Rule 16a-1(a)(1) of the Exchange Act. No prior inability to exercise this Warrant pursuant to this paragraph shall have any effect on the applicability of the provisions of this paragraph with respect to any subsequent determination of exercisability. The provisions of this paragraph shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this Section 1(f) to the extent necessary to correct this paragraph or any portion of this paragraph which may be defective or inconsistent with the intended beneficial ownership limitation contained in this Section 1(f) or to make changes or supplements necessary or desirable to properly give effect to such limitation. The limitation contained in this paragraph may not be waived and shall apply to a successor holder of this Warrant.

(g) Insufficient Authorized Shares. If at any time while this Warrant remains outstanding the Company does not have a sufficient number of authorized and unreserved shares of Common Stock to satisfy its obligation to reserve for issuance upon exercise of this Warrant at least a number of shares of Common Stock equal to the number of shares of Common Stock as shall from time to time be necessary to effect the exercise of all of this Warrant then outstanding (the "**Required Reserve Amount**" and the failure to have such sufficient number of authorized and unreserved shares of Common Stock, an "**Authorized Share Failure**"), then the Company shall as soon as reasonably practicable take all action necessary to increase the Company's authorized shares of Common Stock to an amount sufficient to allow the Company to reserve the Required Reserve Amount for this Warrant then outstanding. Without limiting the generality of the foregoing sentence, as soon as reasonably practicable after the date of the occurrence of an Authorized Share Failure, but in no event later than seventy-five (75) days after the occurrence of such Authorized Share Failure, the Company shall hold a meeting of its stockholders for the approval of an increase in the number of authorized shares of Common Stock. In connection with such

meeting, the Company shall provide each stockholder with a proxy statement and shall use its reasonable best efforts to solicit its stockholders' approval of such increase in authorized shares of Common Stock and to cause its board of directors to recommend to the stockholders that they approve such proposal. In the event that the Company is prohibited from issuing shares of Common Stock upon an exercise of this Warrant due to the failure by the Company to have sufficient shares of Common Stock available out of the authorized but unissued shares of Common Stock (such unavailable number of shares of Common Stock, the "**Authorization Failure Shares**"), in lieu of delivering such Authorization Failure Shares to the Holder, the Company shall pay cash in exchange for the cancellation of such portion of this Warrant exercisable into such Authorization Failure Shares at a price equal to the sum of (i) the product of (x) such number of Authorization Failure Shares and (y) the Closing Sale Price of the Common Stock on the date the Holder delivers the applicable Exercise Notice with respect to such Authorization Failure Shares to the Company; and (ii) to the extent the Holder purchases (in an open market transaction or otherwise) shares of Common Stock to deliver in satisfaction of a sale by the Holder of Authorization Failure Shares, any Buy-In Payment Amount, brokerage commissions and other out-of-pocket expenses, if any, of the Holder incurred in connection therewith. Nothing contained in this Section 1(g) shall limit any obligations of the Company under any provision of the Credit Agreement.

2. ADJUSTMENT OF EXERCISE PRICE AND NUMBER OF WARRANT SHARES. The Exercise Price and the number of Warrant Shares issuable upon exercise of this Warrant are subject to adjustments from time to time as set forth in this Section 2.

(a) Adjustment Upon Subdivision or Combination of Shares of Common Stock. If the Company at any time on or after the Issuance Date subdivides (by any stock split, stock dividend, recapitalization or otherwise) one or more classes of its outstanding shares of Common Stock into a greater number of shares, the Exercise Price in effect immediately prior to such subdivision will be proportionately reduced and the number of Warrant Shares will be proportionately increased. If the Company at any time on or after the Issuance Date combines (by combination, reverse stock split or otherwise) one or more classes of its outstanding shares of Common Stock into a smaller number of shares, the Exercise Price in effect immediately prior to such combination will be proportionately increased and the number of Warrant Shares will be proportionately decreased. Any adjustment under this Section 2(a) shall become effective at the close of business on the date the subdivision or combination becomes effective.

(b) Adjustment to Number of Warrant Shares. Simultaneously with any adjustment to the Exercise Price pursuant to Section 2, the number of Warrant Shares that may be purchased upon exercise of this Warrant shall be increased or decreased proportionately, so that after such adjustment the aggregate Exercise Price payable hereunder for the adjusted number of Warrant Shares shall be the same as the aggregate Exercise Price in effect immediately prior to such adjustment (without regard to any limitations on exercise contained herein).

(c) Par Value. Notwithstanding anything to the contrary in this Warrant, in no event shall the Exercise Price be reduced below the par value of the Company's Common Stock.

(d) Voluntary Adjustment by Company. Subject to Section 2(c), the Company may at any time during the term of this Warrant, with prior written notice to the Holder, reduce the then current Exercise Price to any amount and for any period of time deemed appropriate by the board of directors of the Company.

3. RIGHTS UPON DISTRIBUTION OF ASSETS. In addition to any adjustments pursuant to Section 2 above, if the Company shall declare or make any dividend or other distribution of its assets (or rights to acquire its assets) to holders of shares of Common Stock, by way of return of capital or otherwise (including, without limitation, any distribution of cash, stock or other securities, property,

options, evidence of indebtedness or any other assets by way of a dividend, spin off, reclassification, corporate rearrangement, scheme of arrangement or other similar transaction) (a “**Distribution**”), at any time after the issuance of this Warrant, then, in each such case, the Holder shall be entitled to participate in such Distribution to the same extent that the Holder would have participated therein if the Holder had held the number of shares of Common Stock acquirable upon complete exercise of this Warrant (without regard to any limitations or restrictions on exercise of this Warrant, including without limitation, the Maximum Percentage) immediately before the date on which a record is taken for such Distribution, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the participation in such Distribution (provided, however, that to the extent that the Holder’s right to participate in any such Distribution would result in the Holder and the other Attribution Parties exceeding the Maximum Percentage, then the Holder shall not be entitled to participate in such Distribution to the extent of the Maximum Percentage (and shall not be entitled to beneficial ownership of such shares of Common Stock as a result of such Distribution (and beneficial ownership) to the extent of any such excess) and the portion of such Distribution shall be held in abeyance for the benefit of the Holder until such time or times, if ever, as its right thereto would not result in the Holder and the other Attribution Parties exceeding the Maximum Percentage, at which time or times the Holder shall be granted such Distribution (and any Distributions declared or made on such initial Distribution or on any subsequent Distribution held similarly in abeyance) to the same extent as if there had been no such limitation).

4. PURCHASE RIGHTS; FUNDAMENTAL TRANSACTIONS.

(a) Purchase Rights. In addition to any adjustments pursuant to Section 2 above, if at any time the Company grants, issues or sells any Options, Convertible Securities or rights to purchase stock, warrants, securities or other property pro rata to the record holders of any class of Common Stock (the “**Purchase Rights**”), then the Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which the Holder could have acquired if the Holder had held the number of shares of Common Stock acquirable upon complete exercise of this Warrant (without regard to any limitations or restrictions on exercise of this Warrant, including without limitation, the Maximum Percentage) immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the grant, issuance or sale of such Purchase Rights (provided, however, that to the extent that the Holder’s right to participate in any such Purchase Right would result in the Holder and the other Attribution Parties exceeding the Maximum Percentage, then the Holder shall not be entitled to participate in such Purchase Right to the extent of the Maximum Percentage (and shall not be entitled to beneficial ownership of such shares of Common Stock as a result of such Purchase Right (and beneficial ownership) to the extent of any such excess) and such Purchase Right to such extent shall be held in abeyance for the benefit of the Holder until such time or times, if ever, as its right thereto would not result in the Holder and the other Attribution Parties exceeding the Maximum Percentage, at which time or times the Holder shall be granted such right (and any Purchase Right granted, issued or sold on such initial Purchase Right or on any subsequent Purchase Right held similarly in abeyance) to the same extent as if there had been no such limitation).

(b) Fundamental Transactions. The Company shall not enter into or be party to a Fundamental Transaction unless:

(i) in the event that the Successor Entity (including its Parent Entity) is not a publicly traded entity with common equity quoted on or listed for trading on an Eligible Market and registered under the Exchange Act, the Company or the Successor Entity, as applicable, shall, on or prior to the date of consummation of such Fundamental Transaction, purchase this Warrant from the Holder by paying to the Holder cash in an amount equal to the Black Scholes Going Private Value (without regard to the limitation set forth in Section 1(f)) whereupon the Successor Entity shall have no obligation to assume

the obligations of the Company under this Warrant and the other Loan Documents, including any obligation to deliver to the Holder in exchange for this Warrant any security of the Successor Entity, and

(ii) in the event that the Successor Entity (including its Parent Entity) is a publicly traded entity with common equity quoted on or listed for trading on an Eligible Market and registered under the Exchange Act, the Successor Entity assumes in writing all of the obligations of the Company under this Warrant and the other Loan Documents in accordance with the provisions of this Section 4(b)(ii) pursuant to written agreements in form and substance satisfactory to the Holder and approved by the Holder prior to such Fundamental Transaction, including agreements to deliver to the Holder in exchange for this Warrant a security of the Successor Entity evidenced by a written instrument substantially similar in form and substance to this Warrant, including, without limitation, which is exercisable for a corresponding number of shares of capital stock equivalent to the shares of Common Stock acquirable and receivable upon exercise of this Warrant (without regard to any limitations on the exercise of this Warrant) prior to such Fundamental Transaction, and with an exercise price which applies the exercise price hereunder to such shares of capital stock (but taking into account the relative value of the shares of Common Stock pursuant to such Fundamental Transaction and the value of such shares of capital stock, such adjustments to the number of shares of capital stock and such exercise price being for the purpose of protecting the economic value of this Warrant immediately prior to the consummation of such Fundamental Transaction). Upon the consummation of each Fundamental Transaction described in this Section 4(b)(ii) (each such Fundamental Transaction, a **“Public Fundamental Transaction”**), the Successor Entity shall (x) succeed to, and be substituted for (so that from and after the date of the applicable Public Fundamental Transaction, the provisions of this Warrant and the other Loan Documents referring to the “Company” or the “Borrower” shall refer instead to the Successor Entity), and may exercise every right and power of the Company and shall assume all of the obligations of the Company under this Warrant and the other Loan Documents with the same effect as if such Successor Entity had been named as the Company herein or therein, and (y) deliver to the Holder confirmation that there shall be issued upon exercise of this Warrant at any time after the consummation of the applicable Public Fundamental Transaction, in lieu of the shares of Common Stock (or other securities, cash, assets or other property (except such items still issuable under Sections 3 and 4(a) above, which shall continue to be receivable thereafter)) issuable upon the exercise of this Warrant prior to the applicable Public Fundamental Transaction, such shares of publicly traded common stock (or its equivalent) of the Successor Entity (including its Parent Entity) which the Holder would have been entitled to receive upon the happening of the applicable Public Fundamental Transaction had this Warrant been exercised immediately prior to the applicable Public Fundamental Transaction (without regard to any limitations on the exercise of this Warrant), as adjusted in accordance with the provisions of this Warrant. Notwithstanding the foregoing, and without limiting Section 1(f) hereof, the Holder may elect, at its sole option, by delivery of written notice to the Company to waive this Section 4(b)(ii) to permit the Public Fundamental Transaction without the assumption of this Warrant.

In addition to and not in substitution for any other rights hereunder, prior to the consummation of each Fundamental Transaction pursuant to which holders of shares of Common Stock are entitled to receive securities or other assets with respect to or in exchange for shares of Common Stock (a **“Corporate Event”**), the Company shall make appropriate provision to insure that the Holder will thereafter have the right to receive upon an exercise of this Warrant at any time after the consummation of the applicable Fundamental Transaction but prior to the Expiration Date, in lieu of the shares of the Common Stock (or other securities, cash, assets or other property (except such items still issuable under Sections 3 and 4(a) above, which shall continue to be receivable thereafter)) issuable upon the exercise of the Warrant prior to such Fundamental Transaction, such shares of stock, securities, cash, assets or any other property whatsoever (including warrants or other purchase or subscription rights) which the Holder would have been entitled to receive upon the happening of the applicable Fundamental Transaction had this Warrant been exercised immediately prior to the applicable Fundamental Transaction (without regard to any limitations

on the exercise of this Warrant). Provision made pursuant to the preceding sentence shall be in a form and substance reasonably satisfactory to the Holder.

(c) Holder Optional Redemptions. Notwithstanding the foregoing and the provisions of Section 4(b)(ii) above, at the request of the Holder delivered at any time commencing on the earliest to occur of (x) the public disclosure of any Public Fundamental Transaction, (y) the consummation of any Public Fundamental Transaction and (z) the Holder first becoming aware of any Public Fundamental Transaction through the date that is ninety (90) days after the public disclosure of the consummation of such Public Fundamental Transaction by the Company pursuant to a Current Report on Form 8-K filed with the SEC, the Company or the Successor Entity (as the case may be) shall purchase this Warrant from the Holder on the date of such request by paying to the Holder cash in an amount equal to the Black Scholes Value. Payment of such amounts shall be made by the Company (or at the Company's direction) to the Holder on or prior to the later of (x) the second (2nd) Trading Day after the date of such request and (y) the date of consummation of such Public Fundamental Transaction.

(d) Application. The provisions of this Section 4 shall apply similarly and equally to successive Fundamental Transactions and Corporate Events and shall be applied as if this Warrant (and any such subsequent warrants) were fully exercisable and without regard to any limitations on the exercise of this Warrant (provided that the Holder shall continue to be entitled to the benefit of the Maximum Percentage, applied however with respect to shares of capital stock registered under the Exchange Act and thereafter receivable upon exercise of this Warrant (or any such other warrant)).

5. NONCIRCUMVENTION. The Company hereby covenants and agrees that the Company will not, by amendment of its Certificate of Incorporation or Bylaws, or through any reorganization, transfer of assets, consolidation, merger, scheme of arrangement, dissolution, issuance or sale of securities, or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, and will at all times in good faith carry out all of the provisions of this Warrant and take all action as may be required to protect the rights of the Holder. Without limiting the generality of the foregoing, the Company (i) shall not increase the par value of any shares of Common Stock receivable upon the exercise of this Warrant above the Exercise Price then in effect, (ii) shall take all such actions as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable shares of Common Stock upon the proper exercise of this Warrant by the Holder, and (iii) shall, so long as this Warrant is outstanding, take all action necessary to reserve and keep available out of its authorized and unissued shares of Common Stock, solely for the purpose of effecting the exercise of this Warrant, the number of shares of Common Stock as shall from time to time be necessary to effect the exercise of this Warrant (without regard to any limitations on exercise). Notwithstanding anything herein to the contrary, if after the sixty (60) calendar day anniversary of the Issuance Date, the Holder is not permitted to exercise this Warrant in full for any reason (other than pursuant to restrictions set forth in Section 1(f) hereof), the Company shall use its reasonable best efforts to promptly remedy such failure, including, without limitation, obtaining such consents or approvals as necessary to permit such exercise into shares of Common Stock.

6. WARRANT HOLDER NOT DEEMED A STOCKHOLDER. Except as otherwise specifically provided herein, the Holder, solely in such Person's capacity as a holder of this Warrant, shall not be entitled to vote or receive dividends or be deemed the holder of share capital of the Company for any purpose, nor shall anything contained in this Warrant be construed to confer upon the Holder, solely in such Person's capacity as the Holder of this Warrant, any of the rights of a stockholder of the Company or any right to vote, give or withhold consent to any corporate action (whether any reorganization, issue of stock, reclassification of stock, consolidation, merger, conveyance or otherwise), receive notice of meetings, receive dividends or subscription rights, or otherwise, prior to the issuance to the Holder of the Warrant Shares which such Person is then entitled to receive upon the due exercise of this Warrant. In

addition, nothing contained in this Warrant shall be construed as imposing any liabilities on the Holder to purchase any securities (upon exercise of this Warrant or otherwise) or as a stockholder of the Company, whether such liabilities are asserted by the Company or by creditors of the Company. Notwithstanding this Section 6, the Company shall provide the Holder with copies of the same notices and other information given to the stockholders of the Company generally, contemporaneously with the giving thereof to the stockholders.

7. REISSUANCE OF WARRANTS.

(a) Transfer of Warrant. If this Warrant is to be transferred and reissued to the transferee, the Holder shall surrender this Warrant to the Company together with a written assignment of this Warrant substantially in the form attached hereto duly executed by the Holder or its agent or attorney and funds sufficient to pay any transfer taxes payable upon the making of such transfer, whereupon the Company will forthwith issue and deliver upon the order of the Holder a new Warrant (in accordance with Section 7(d)), registered as the Holder may request, representing the right to purchase the number of Warrant Shares being transferred by the Holder and, if less than the total number of Warrant Shares then underlying this Warrant is being transferred, a new Warrant (in accordance with Section 7(d)) to the Holder representing the right to purchase the number of Warrant Shares not being transferred. For the avoidance of doubt, this Section 7(a) will not apply to a sale, transfer, pledge or assignment of this Warrant that does not involve a reissuance of this Warrant.

(b) Lost, Stolen or Mutilated Warrant. Upon receipt by the Company of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of this Warrant (as to which a written certification and the indemnification contemplated below shall suffice as such evidence), and, in the case of loss, theft or destruction, of any indemnification undertaking by the Holder to the Company in customary and reasonable form and, in the case of mutilation, upon surrender and cancellation of this Warrant, the Company shall execute and deliver to the Holder a new Warrant (in accordance with Section 7(d)) representing the right to purchase the Warrant Shares then underlying this Warrant.

(c) Exchangeable for Multiple Warrants. This Warrant is exchangeable, upon the surrender hereof by the Holder at the principal office of the Company, for a new Warrant or Warrants (in accordance with Section 7(d)) representing in the aggregate the right to purchase the number of Warrant Shares then underlying this Warrant, and each such new Warrant will represent the right to purchase such portion of such Warrant Shares as is designated by the Holder at the time of such surrender; provided, however, that no warrants for fractional shares of Common Stock shall be given.

(d) Issuance of New Warrants. Whenever the Company is required to issue a new Warrant pursuant to the terms of this Warrant, such new Warrant (i) shall be of like tenor with this Warrant, (ii) shall represent, as indicated on the face of such new Warrant, the right to purchase the Warrant Shares then underlying this Warrant (or in the case of a new Warrant being issued pursuant to Section 7(a) or Section 7(c), the Warrant Shares designated by the Holder which, when added to the number of shares of Common Stock underlying the other new Warrants issued in connection with such issuance, does not exceed the number of Warrant Shares then underlying this Warrant), (iii) shall have an issuance date, as indicated on the face of such new Warrant which is the same as the Issuance Date, and (iv) shall have the same rights and conditions as this Warrant.

8. NOTICES OF CHANGES IN WARRANT. Whenever notice is required to be given under this Warrant, unless otherwise provided herein, such notice shall be given in accordance with Section 8.2 of the Credit Agreement. Upon every adjustment of the Exercise Price or the number of shares of Common Stock issuable upon exercise of a Warrant, the Company shall give written notice thereof to

the Holders, which notice shall state the Exercise Price resulting from such adjustment and the increase or decrease, if any, in the number of Warrant Shares purchasable at such price upon the exercise of a Warrant, setting forth in reasonable detail the method of calculation and the facts upon which such calculation is based.

9. AMENDMENT AND WAIVER. Except as otherwise provided herein, the provisions of this Warrant may be amended or waived and the Company may take any action herein prohibited, or omit to perform any act herein required to be performed by it, only if the Company has obtained the written consent of (i) the Holder, if there is one Holder, or (ii) the Holder or Holders of the Warrant or Warrants representing the majority of Warrant Shares if there is more than one Holder, and with respect to any amendment, the amendment is in writing and signed by the Company and the Holder.

10. GOVERNING LAW; JURISDICTION; JURY TRIAL. This Warrant shall be governed by and construed and enforced in accordance with, and all questions concerning the construction, validity, interpretation and performance of this Warrant shall be governed by, the internal laws of the State of New York, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of New York or any other jurisdictions) that would cause the application of the laws of any jurisdictions other than the State of New York. The Company and the Holder each hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in The City of New York, Borough of Manhattan, for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is brought in an inconvenient forum or that the venue of such suit, action or proceeding is improper. The Company and the Holder each hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof to the Company or such Holder, as applicable at the address set forth in Section 8.2 of the Credit Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law. Nothing contained herein shall be deemed or operate to preclude the Holder from bringing suit or taking other legal action against the Company in any other jurisdiction to collect on the Company's obligations to the Holder, to realize on any collateral or any other security for such obligations, or to enforce a judgment or other court ruling in favor of the Holder. **THE COMPANY HEREBY AND THE HOLDER EACH IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE, AND AGREES NOT TO REQUEST, A JURY TRIAL FOR THE ADJUDICATION OF ANY DISPUTE HEREUNDER OR IN CONNECTION WITH OR ARISING OUT OF THIS WARRANT OR ANY TRANSACTION CONTEMPLATED HEREBY.**

11. CONSTRUCTION; HEADINGS; BUSINESS DAYS. This Warrant shall be deemed to be jointly drafted by the Company and the Holder and shall not be construed against any Person as the drafter hereof. The headings of this Warrant are for convenience of reference and shall not form part of, or affect the interpretation of, this Warrant. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a Business Day, then, such action may be taken or such right may be exercised on the next succeeding Business Day.

12. DISPUTE RESOLUTION. In the case of a dispute as to the determination of the Exercise Price or the arithmetic calculation of the Warrant Shares, the Company shall submit the disputed determinations or arithmetic calculations via facsimile or electronic mail within two (2) Business Days of receipt of the Exercise Notice giving rise to such dispute, as the case may be, to the Holder. If the Holder and the Company are unable to agree upon such determination or calculation of the Exercise Price or the Warrant Shares within three (3) Business Days of such disputed determination or arithmetic calculation being submitted to the Holder, then the Company shall, within two (2) Business Days submit via facsimile

or electronic mail the dispute to a nationally recognized accounting firm selected by the Holder and reasonably satisfactory to the Company. If the Company does not object in writing to the selection of the accounting firm within two (2) Business Days of notice of the Holder's selection, the Company will have deemed to have consented to such selection. If the Company does object, the Company shall provide the Holder its rationale for such rejection and five (5) acceptable alternative firms. The Company shall cause at its expense the accepted accounting firm to perform the determinations or calculations and notify the Company and the Holder of the results no later than three (3) Business Days from the time it receives the disputed determinations or calculations. Such accounting firm's determination or calculation, as the case may be, shall be binding upon all parties absent demonstrable error. In the event that the accounting firm resolves the dispute in the Holder's favor, a Delivery Failure will be deemed to have occurred and the Buy- In and other remedies available to the Holder under Section 1(c) will apply.

13. REMEDIES, OTHER OBLIGATIONS, BREACHES AND INJUNCTIVE RELIEF. The remedies provided in this Warrant shall be cumulative and in addition to all other remedies available under this Warrant and the other Loan Documents, at law or in equity (including a decree of specific performance and/or other injunctive relief), and nothing herein shall limit the right of the Holder to pursue actual damages for any failure by the Company to comply with the terms of this Warrant. The Company acknowledges that a breach by it of its obligations hereunder will cause irreparable harm to the Holder and that the remedy at law for any such breach may be inadequate. The Company therefore agrees that, in the event of any such breach or threatened breach, the Holder shall be entitled, in addition to all other available remedies, to an injunction restraining any breach, without the necessity of showing economic loss and without any bond or other security being required.

14. TRANSFER. This Warrant and the Warrant Shares may be offered for sale, sold, transferred, pledged or assigned without the consent of the Company, subject to compliance with applicable state and federal securities laws. The Holder acknowledges that the Warrant Shares acquired upon the exercise of this Warrant, if not registered, and the Holder does not utilize cashless exercise, will have restrictions upon resale imposed by state and federal securities laws.

15. SEVERABILITY. If any provision of this Warrant is prohibited by law or otherwise determined to be invalid or unenforceable by a court of competent jurisdiction, the provision that would otherwise be prohibited, invalid or unenforceable shall be deemed amended to apply to the broadest extent that it would be valid and enforceable, and the invalidity or unenforceability of such provision shall not affect the validity of the remaining provisions of this Warrant so long as this Warrant as so modified continues to express, without material change, the original intentions of the parties as to the subject matter hereof and the prohibited nature, invalidity or unenforceability of the provision(s) in question does not substantially impair the respective expectations or reciprocal obligations of the parties or the practical realization of the benefits that would otherwise be conferred upon the parties. The parties will endeavor in good faith negotiations to replace the prohibited, invalid or unenforceable provision(s) with a valid provision(s), the effect of which comes as close as possible to that of the prohibited, invalid or unenforceable provision(s).

16. NO DISCLOSURE. The Company shall not provide material, non-public information or confidential or proprietary information to the Holder without such Holder's written consent.

17. REPRESENTATIONS OF HOLDERS.

(a) Investment Intent. Each Holder represents and warrants that it is acquiring this Warrant and the Warrant Shares (collectively, the "**Securities**"), solely for its beneficial account, for investment purposes, and not with a view to, or for resale in connection with, any distribution of the Securities in violation of applicable securities laws.

(b) Unregistered Securities. Each Holder represents and warrants that it understands that the Securities have not been registered under the Securities Act or any state securities laws by reason of specific exemptions under the provisions thereof, the availability of which depend in part upon the bona fide nature of its investment intent and upon the accuracy of its representations made herein.

(c) Reliance. Each Holder represents and warrants that it understands that the Company is relying in part upon the representations and agreements of the Holders contained herein for the purpose of determining whether the offer, sale and issuance of the Securities meet the requirements for such exemptions described in Section 17(b).

(d) Accredited Investor. Each Holder represents and warrants that it is an “accredited investor” as defined in Rule 501(a) under the Securities Act.

(e) Sophisticated Investor. Each Holder represents and warrants that it has such knowledge, skill and experience in business, financial and investment matters that it is capable of evaluating the merits and risks of an investment in the Securities, including experience in and knowledge of the industry in which the Company operates.

(f) Restricted Securities. Each Holder represents and warrants that it understand that the Securities will be “restricted securities” under applicable federal securities laws and that the Securities Act and the rules of the SEC provide in substance that it may dispose of the Securities only pursuant to an effective registration statement under the Securities Act or an exemption therefrom.

(g) Information. Each Holder represents and warrants that it has been furnished by the Company all information (or provided access to all information) regarding the business and financial condition of the Company, the attributes of the Securities, and the merits and risks of an investment in such Securities which it has requested or otherwise needs to evaluate the investment in such Securities; that in making the proposed investment decision, such Holder is relying solely on such information, the representations, warranties and agreements of the Company and the other Loan Parties contained herein and in the other Loan Documents and on investigations made by it and its representatives; that the offer to sell the Securities hereunder was communicated to such Holder in such a manner that it was able to ask questions of and receive answers from the management of the Company concerning the terms and conditions of the proposed transaction and that at no time was it presented with or solicited by or through any leaflet, public promotional meeting, television advertisement or any other form of general or public advertising or solicitation; and such Holder recognizes that an investment in the Securities involves risks and can result in a total loss of all funds invested.

(h) Non-Reliance. Notwithstanding anything in this Warrant to the contrary, each Holder hereby acknowledges, with respect to itself, that the Company may possess material non-public information with respect to the Company and/or its securities not known to each Holder as of the date hereof or at a time when each Holder exercises its right to purchase Warrant Shares pursuant to this Warrant and that any such information may impact the value of the Warrant and the Warrant Shares. Each Holder with respect to itself irrevocably waives any claim, or potential claim, that it may have based on the failure of the Company or its Affiliates, officers, directors, employees, agents or other representatives to disclose such information in connection with the execution and delivery of this Warrant or the purchase of Warrant Shares hereunder; *provided, however*, notwithstanding anything in this Section 17(h) or otherwise to the contrary, each Holder does not and shall not be deemed to have waived or otherwise compromised any rights or claims based upon or arising out of (i) the Company’s disclosure obligations under the federal securities laws with respect to any untrue statement of a material fact or omission to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading in any public statement or filing made by the Company pursuant to the Exchange Act, or (ii)

any breach or inaccuracy of any representation or warranty of the Company or any other Loan Party in the Credit Agreement or any other Loan Document. Each Holder with respect to itself acknowledges that the Company would not enter into this Warrant in the absence of the agreements set forth in this Section 17.

18. REPRESENTATIONS OF THE COMPANY. The Company represents and warrants to the Holder that:

(a) The Company (i) is duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation; (ii) has the requisite power and authority to own, lease and operate its properties, to carry on its business as it is now being conducted and to enter into, deliver and perform its obligations under this Warrant; and (iii) is duly licensed or qualified to conduct its business and, if applicable, is in good standing under the laws of each jurisdiction (other than its jurisdiction of incorporation) in which the conduct of its business or the ownership of its properties or assets requires such license or qualification, except, with respect to the foregoing clause (iii), where the failure to be in good standing would not reasonably be expected to have a Company Material Adverse Effect. For purposes of this Warrant, a “**Company Material Adverse Effect**” means an event, change, development, occurrence, condition or effect with respect to the Company and its subsidiaries, taken together as a whole (on a consolidated basis), that, individually or in the aggregate, (A) would reasonably be expected to have a material adverse effect on the business, financial condition or results of operations of the Company and its subsidiaries, taken together as a whole (on a consolidated basis) or (B) would prevent, materially delay or materially impede the performance by the Company or its subsidiaries of their respective obligations under this Warrant or the other Loan Documents.

(b) This Warrant is duly authorized, validly issued and constitutes legal, valid and binding obligations of the Company, enforceable against the Company in accordance with its terms, except that the enforcement thereof may be subject to applicable bankruptcy, insolvency or similar laws affecting creditors’ rights generally or by equitable principles relating to enforceability (collectively, the “**Enforceability Exceptions**”), and has not been issued in violation of any preemptive rights created under the Company’s organizational documents or the laws of the State of Delaware.

(c) The Warrant Shares have been duly authorized and, when issued and delivered to the Holder upon conversion of this Warrant, will be validly issued, fully paid and nonassessable and will not have been issued in violation of any preemptive rights created under the Company’s organizational documents or the laws of the State of Delaware.

(d) The execution and delivery of this Warrant, the issuance and delivery of the Warrant Shares in accordance with the terms hereof and the compliance by the Company with all of the provisions of this Warrant and the consummation of the transactions contemplated herein will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of the Company pursuant to the terms of (i) any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which the Company is a party or by which the Company is bound or to which any of the property or assets of the Company is subject; (ii) the organizational documents of the Company; or (iii) any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over the Company or any of its properties that, in the case of clauses (i) and (iii), would reasonably be expected to have a Company Material Adverse Effect or have a material adverse effect on the Company’s ability to consummate the transactions contemplated hereby.

(e) Assuming the accuracy of the representations and warranties of the Holder, the Company is not required to obtain any consent, waiver, authorization or order of, give any

notice to, or make any filing or registration with, any court or other federal, state, local or other governmental authority, self-regulatory organization (including the Nasdaq Stock Market) or other person in connection with the execution, delivery and performance of this Warrant, other than (i) filings required by applicable state securities laws, (ii) the filing of the registration statement pursuant to the First Amendment Registration Rights Agreement, (iii) the filing of a Notice of Exempt Offering of Securities on Form D with the SEC, if applicable and (iv) those the failure of which to obtain would not be reasonably likely to have a Company Material Adverse Effect or have a material adverse effect on the Company's ability to consummate the transactions contemplated hereby.

(f) As of their respective dates, all reports required to be filed by the Company with the SEC (the "**SEC Reports**") complied in all material respects with the requirements of the Exchange Act, and the rules and regulations of the SEC promulgated thereunder, and none of the SEC Reports, when filed, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The financial statements of the Company included in the SEC Reports comply in all material respects with applicable accounting requirements and the rules and regulations of the SEC with respect thereto as in effect at the time of filing and fairly present in all material respects the financial position of the Company as of and for the dates thereof and the results of operations and cash flows for the periods then ended, subject, in the case of unaudited statements, to normal, year-end audit adjustments.

(g) Except for such matters as have not had and would not be reasonably likely to have a Company Material Adverse Effect or have a material adverse effect on the Company's ability to consummate the transactions contemplated hereby, there is no (i) suit, action, investigation, proceeding or arbitration before a governmental authority or arbitrator pending, or, to the knowledge of the Company, threatened in writing against the Company or any of its directors or officers in their capacities as such or (ii) judgment, decree, injunction, ruling or order of any governmental authority or arbitrator outstanding against the Company or any of its directors or officers in their capacities as such.

(h) Except for such matters as have not had and would not be reasonably likely to have a Company Material Adverse Effect or have a material adverse effect on the Company's ability to consummate the transactions contemplated hereby, the Company is, and has been since its inception, in compliance with all laws applicable to the conduct of the business of the Company. The Company has not received any written, or to its knowledge, other communication from a governmental entity that alleges that the Company is not in compliance with or is in default or violation of any applicable law, except where such noncompliance, default or violation would not be reasonably expected to have, individually or in the aggregate, a Company Material Adverse Effect.

(i) The Company has all franchises, permits, licenses and any similar authority necessary for the conduct of its business as now being conducted by it, the lack of which would have a material adverse effect, and to the Company's knowledge, the Company is not in default in any material respect under any of such franchises, permits, licenses or other authority.

(j) There is no action, suit, proceeding or investigation pending or, to the Company's knowledge, currently threatened in writing against the Company that questions the validity of this Warrant or the right of the Company to enter into this Warrant, or to consummate the transactions contemplated hereby, or that might result, if determined adversely to the Company, in a material adverse effect, or in any material change in the current equity ownership of the Company.

(k) To the Company's knowledge, the Company owns or possesses sufficient legal rights to all (a) patents, patent applications and inventions; (b) trademarks, service marks, trade names,

trade dress, logos, domain names or corporate names and registrations and applications for registration thereof, together with all of the goodwill associated therewith; (c) copyrights (registered or unregistered) and copyrightable works and registrations and applications for registrations thereof; (d) computer software, data, and databases and documentation thereof; (e) trade secrets and other confidential information; and (f) licenses, information and proprietary rights and processes necessary for its business as now conducted. The Company has not received any written communications alleging that the Company has violated or, by conducting its business as proposed, would violate any of the patents, trademarks, service marks, trade names, copyrights or trade secrets or other proprietary rights of any other person or entity.

Date of Issuance: March 31, 2023 (“**Issuance Date**”)

Presto Automation Inc., a Delaware corporation (the “**Company**”), hereby certifies that, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Metropolitan Offshore Partners Fund VII, LP, the registered holder hereof or its permitted assigns (the “**Holder**”), is entitled, subject to the terms set forth below, to purchase from the Company, at the Exercise Price (as defined below) then in effect, at any time or times on or after the Issuance Date, but not after 11:59 p.m., New York time, on the Expiration Date, (as defined below), 42,280 duly authorized, validly issued, fully paid, nonassessable shares of Common Stock, subject to adjustment as provided herein (the “**Warrant Shares**”). Except as otherwise defined herein, capitalized terms in this Warrant to Purchase Common Stock (including any Warrants to Purchase Common Stock issued in exchange, transfer or replacement hereof, this “**Warrant**”) shall have the meanings set forth in Section 17. This Warrant is being issued pursuant to Section 4 of that certain Amended and Restated Fee Letter, dated March 31, 2023, among E La Carte, LLC, the Company and Metropolitan Partners Group Administration, LLC, as agent (the “**Fee Letter**”). Capitalized terms used herein and not otherwise defined shall have the definitions ascribed to such terms in the Credit Agreement (as defined in the Fee Letter).

1. EXERCISE OF WARRANT.

(a) Mechanics of Exercise. Subject to the terms and conditions hereof (including, without limitation, the limitations set forth in Section 1(f)), this Warrant may be exercised by the Holder at any time or times on or after the Issuance Date, in whole or in part, by (i) delivery (whether via facsimile or otherwise) of a written notice, in the form attached hereto as Exhibit A (the “**Exercise Notice**”), of the Holder’s election to exercise this Warrant and (ii) (A) payment to the Company of an amount equal to the applicable Exercise Price multiplied by the number of Warrant Shares as to which this Warrant is being exercised (the “**Aggregate Exercise Price**”) in cash by wire transfer of immediately available funds or (B) if the provisions of Section 1(d) are applicable, by notifying the Company that this Warrant is being exercised pursuant to a Cashless Exercise. The Holder shall not be required to physically

surrender this Warrant to the Company until the Holder has purchased all of the Warrant Shares available hereunder and the Warrant has been exercised in full, in which case the Holder shall surrender this Warrant to the Company for cancellation within three (3) Trading Days after the date the Warrant Shares which are the subject of the Exercise Notice being delivered to the Holder. Partial exercises of this Warrant resulting in purchases of a portion of the total number of Warrant Shares available hereunder shall have the effect of lowering the outstanding number of Warrant Shares purchasable hereunder in an amount equal to the applicable number of Warrant Shares purchased. The Holder and the Company shall maintain records showing the number of Warrant Shares purchased and the date of such purchases. **The Holder and any assignee, by acceptance of this Warrant, acknowledge and agree that, by reason of the provisions of this paragraph, following the purchase of a portion of the Warrant Shares hereunder, the number of Warrant Shares available for purchase hereunder at any given time may be less than the amount stated on the face hereof.** On or before the third (3rd) Trading Day following the date on which the Company has received the Exercise Notice (the “**Share Delivery Date**”), so long as the Holder delivers the Aggregate Exercise Price (or notice of a Cashless Exercise) on or prior to the second (2nd) Trading Day following the date on which the Company has received the Exercise Notice (provided that if the Aggregate Exercise Price (or notice of a Cashless Exercise) has not been delivered by such date, the Share Delivery Date shall be extended one (1) Trading Day after the Aggregate Exercise Price (or notice of a Cashless Exercise) is delivered), the Company shall (X) provided that the Company’s transfer agent (“**Transfer Agent**”) is participating in The Depository Trust Company (“**DTC**”) Fast Automated Securities Transfer Program (“**FAST**”) and the Warrant Shares are eligible to be issued without a restrictive legend, credit such aggregate number of Warrant Shares to which the Holder is entitled pursuant to such exercise to the Holder’s or its designee’s balance account with DTC through its Deposit/Withdrawal At Custodian system, or (Y) if the Transfer Agent is not participating in FAST or the Warrant Shares are not eligible to be issued without a restrictive legend, issue and dispatch by overnight courier to the address as specified in the Exercise Notice, a certificate, registered in the Company’s share register in the name of the Holder or its designee, for the number of Warrant Shares to which the Holder is entitled pursuant to such exercise. The Company shall be responsible for all fees and expenses of the Transfer Agent and all fees and expenses with respect to the issuance of Warrant Shares via DTC, if any. Upon delivery of the Exercise Notice and the Aggregate Exercise Price (or notice of a Cashless Exercise), the Holder shall be deemed for all corporate purposes to have become the holder of record of the Warrant Shares with respect to which this Warrant has been exercised, irrespective of the date such Warrant Shares are credited to the Holder’s DTC account or the date of delivery of the certificates evidencing such Warrant Shares, as the case may be. If this Warrant is submitted in connection with any exercise pursuant to this Section 1(a) and the number of Warrant Shares represented by this Warrant submitted for exercise is greater than the number of Warrant Shares being acquired upon an exercise, then the Company shall as soon as reasonably practicable and in no event later than three (3) Trading Days after any exercise and at its own expense, issue a new Warrant (in accordance with Section 1(d)) representing the right to purchase the number of Warrant Shares issuable immediately prior to such exercise under this Warrant, less the number of Warrant Shares with respect to which this Warrant is exercised upon surrender of the Warrant so exercised. No fractional Warrant Shares are to be issued upon the exercise of this Warrant, but rather the number of Warrant Shares to be issued shall be rounded down to the nearest whole number. The Company shall pay any and all transfer, stamp, issuance and similar taxes (but not any United States federal, state or local income taxes) that may be payable with respect to the issuance and delivery of Warrant Shares upon exercise of this Warrant. The Company’s obligations to issue and deliver Warrant Shares in accordance with the terms and subject to the conditions hereof are absolute and unconditional, irrespective of any action or inaction by the Holder to enforce the same, any waiver or consent with respect to any provision hereof, the recovery of any judgment against any Person or any action to enforce the same, or any setoff, counterclaim, recoupment, limitation or termination.

(b) Exercise Price. For purposes of this Warrant, “**Exercise Price**” means \$0.01, subject to adjustment as provided herein.

(c) Company's Failure to Timely Deliver Securities. If the Company shall fail, for any reason or for no reason, on or prior to the Share Delivery Date, if the Transfer Agent is not participating in FAST or such shares of Common Stock may not be issued without legends under the Securities Act, to issue and deliver to the Holder (or its designee) a certificate for the number of Warrant Shares to which the Holder is entitled and register such Warrant Shares on the Company's share register or, if the Transfer Agent is participating in FAST and such shares of Common Stock may not be issued without legends under the Securities Act, to credit the balance account of the Holder or the Holder's designee with DTC for such number of Warrant Shares to which the Holder is entitled upon the Holder's exercise of this Warrant (as the case may be) (a "**Delivery Failure**"), then, in addition to all other remedies available to the Holder, (X) the Company shall pay in cash to the Holder on each day after the Share Delivery Date and during such Delivery Failure an amount in cash, as liquidated damages and not as a penalty, equal to 2.0% of the product of (A) the sum of the number of shares of Common Stock not issued to the Holder on or prior to the Share Delivery Date and to which the Holder is entitled, and (B) any trading price of the Common Stock selected by the Holder in writing as in effect at any time during the period beginning on the applicable exercise date and ending on the applicable Share Delivery Date, and (Y) the Holder, upon written notice to the Company, may void its Exercise Notice with respect to, and retain or have returned, as the case may be, any portion of this Warrant that has not been exercised pursuant to such Exercise Notice; provided that the voiding of an Exercise Notice shall not affect the Company's obligations to make any payments which have accrued prior to the date of such notice pursuant to this Section [1\(c\)](#) or otherwise. In addition to the foregoing, if on or after such Share Delivery Date the Holder purchases (in an open market transaction or otherwise) shares of Common Stock to deliver in satisfaction of a sale by the Holder of all or any portion of the number of shares of Common Stock issuable upon such exercise that the Holder is entitled to receive from the Company (a "**Buy-In**"), then, in addition to all other remedies available to the Holder, the Company shall, within three (3) Business Days after the Holder's request and in the Holder's discretion, either (i) pay cash to the Holder in an amount equal to the Holder's total purchase price (including brokerage commissions and other out-of-pocket expenses, if any) for the shares of Common Stock so purchased (including, without limitation, by any other Person in respect, or on behalf, of the Holder) (the "**Buy-In Price**"), at which point the Company's obligation to so issue and deliver such certificate (and to issue such shares of Common Stock) or credit the balance account of such Holder or such Holder's designee, as applicable, with DTC for the number of Warrant Shares to which the Holder is entitled upon the Holder's exercise hereunder (as the case may be) (and to issue such Warrant Shares) shall terminate, or (ii) promptly honor its obligation to so issue and deliver to the Holder a certificate or certificates representing such Warrant Shares or credit the balance account of such Holder or such Holder's designee, as applicable, with DTC for the number of Warrant Shares to which the Holder is entitled upon the Holder's exercise hereunder (as the case may be) and pay cash to the Holder in an amount equal to the excess (if any) of the Buy-In Price over the product of (A) such number of Warrant Shares multiplied by (B) the Closing Sale Price of the Common Stock on the Share Delivery Date with respect to the related Exercise Notice (the "**Buy-In Payment Amount**"). The Holder shall provide the Company written notice indicating the amounts payable to the Holder in respect of the Buy-In and, upon request of the Company, evidence of the amount of such loss. Nothing shall limit the Holder's right to pursue any other remedies available to it hereunder, at law or in equity, including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver certificates representing shares of Common Stock (or to electronically deliver such shares of Common Stock) upon the exercise of this Warrant as required pursuant to the terms hereof.

(d) Cashless Exercise. Notwithstanding anything contained herein to the contrary (other than Section [1\(f\)](#) below), the Holder may, in its sole discretion (and without limiting the Holder's rights and remedies contained herein), exercise this Warrant in whole or in part and, subject to the provisions of Section [1\(a\)](#), in lieu of making the cash payment otherwise contemplated to be made to the Company upon such exercise in payment of the Aggregate Exercise Price, elect instead to receive upon such exercise the "Net Number" of Warrant Shares determined according to the following formula:

$$\text{Net Number} = \frac{(A \times B) - (A \times C)}{B}$$

For purposes of the foregoing formula:

A= the total number of shares with respect to which this Warrant is then being exercised.

B = the quotient of (x) the sum of the VWAP of the Common Stock of each of the five (5) Trading Days ending at the close of business on the Principal Market immediately prior to the time of exercise as set forth in the applicable Exercise Notice, divided by (y) five (5).

C = the Exercise Price then in effect for the applicable Warrant Shares at the time of such exercise.

For purposes of Rule 144(d) promulgated under the Securities Act, as in effect on the date hereof, it is intended that the Warrant Shares issued in a Cashless Exercise shall be deemed to have been acquired by the Holder, and the holding period for the Warrant Shares shall be deemed to have commenced, on the date this Warrant was originally issued pursuant to the Credit Agreement.

(e) Disputes. In the case of a dispute as to the determination of the Exercise Price or the arithmetic calculation of the number of Warrant Shares to be issued pursuant to the terms hereof, the Company shall promptly issue to the Holder the number of Warrant Shares that are not disputed and resolve such dispute in accordance with Section [12](#).

(f) Limitations on Exercises. Notwithstanding anything to the contrary contained herein, the Company shall not effect the exercise of any portion of this Warrant, and the Holder shall not have the right to exercise any portion of this Warrant, pursuant to the terms and conditions of this Warrant and any such exercise shall be null and void and treated as if never made, to the extent that after giving effect to such exercise, the Holder together with the other Attribution Parties collectively would beneficially own in excess of 4.99% (the “**Maximum Percentage**”) of the number of shares of Common Stock outstanding immediately after giving effect to such exercise. For purposes of the foregoing sentence, the aggregate number of shares of Common Stock beneficially owned by the Holder and the other Attribution Parties shall include the number of shares of Common Stock held by the Holder and all other Attribution Parties plus the number of shares of Common Stock issuable upon exercise of this Warrant with respect to which the determination of such sentence is being made, but shall exclude the number of shares of Common Stock which would be issuable upon (A) exercise of the remaining, unexercised portion of this Warrant beneficially owned by the Holder or any of the other Attribution Parties and (B) exercise or conversion of the unexercised or unconverted portion of any other securities of the Company (including, without limitation, any convertible notes or convertible preferred stock or warrants) beneficially owned by the Holder or any other Attribution Party subject to a limitation on conversion or exercise analogous to the limitation contained in this Section [1\(f\)](#). For purposes of this Section [1\(f\)](#), beneficial ownership shall be calculated in accordance with Section 13(d) of the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”). For purposes of this Warrant, in determining the number of outstanding shares of Common Stock the Holder may acquire upon the exercise of this Warrant without exceeding the Maximum Percentage, the Holder may rely on the number of outstanding shares of Common Stock as reflected in (x) the Company’s most recent Annual Report on Form 10-K, Quarterly Report on Form 10-Q, Current Report on Form 8-K or other public filing with the Securities and Exchange Commission (the “**SEC**”), as the case may be, (y) a more recent public announcement by the Company or (z) any other written notice by the Company or the Transfer Agent, if any, setting forth the number of shares of Common Stock outstanding (the “**Reported Outstanding Share Number**”). If the Company receives an Exercise Notice from the Holder at a time when the actual number of outstanding shares of Common Stock is less than the Reported

Outstanding Share Number, the Company shall (i) notify the Holder in writing of the number of shares of Common Stock then outstanding and, to the extent that such Exercise Notice would otherwise cause the Holder's beneficial ownership, as determined pursuant to this Section 1(f), to exceed the Maximum Percentage, the Holder must notify the Company of a reduced number of Warrant Shares to be purchased pursuant to such Exercise Notice (the number of shares by which such purchase is reduced, the "**Reduction Shares**") and (ii) as soon as reasonably practicable, the Company shall return to the Holder any exercise price paid by the Holder for the Reduction Shares. For any reason at any time, upon the written or oral request of the Holder, the Company shall within one (1) Business Day confirm orally and in writing or by electronic mail to the Holder the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to the conversion or exercise of securities of the Company, including this Warrant, by the Holder and any other Attribution Party since the date as of which the Reported Outstanding Share Number was reported. In the event that the issuance of shares of Common Stock to the Holder upon exercise of this Warrant results in the Holder and the other Attribution Parties being deemed to beneficially own, in the aggregate, more than the Maximum Percentage of the number of outstanding shares of Common Stock (as determined under Section 13(d) of the Exchange Act), the number of shares so issued by which the Holder's and the other Attribution Parties' aggregate beneficial ownership exceeds the Maximum Percentage (the "**Excess Shares**") shall be deemed null and void and shall be cancelled ab initio, and the Holder shall not have the power to vote or to transfer the Excess Shares. As soon as reasonably practicable after the issuance of the Excess Shares has been deemed null and void, the Company shall return to the Holder the exercise price paid by the Holder for the Excess Shares. Upon delivery of a written notice to the Company, the Holder may from time to time increase (with such increase not effective until the sixty-first (61st) day after delivery of such notice) or decrease the Maximum Percentage to any other percentage not in excess of 9.99% as specified in such notice; provided that (i) any such increase in the Maximum Percentage will not be effective until the sixty-first (61st) day after such notice is delivered to the Company and (ii) any such increase or decrease will apply only to the Holder and the other Attribution Parties and not to any other holder that is not an Attribution Party of the Holder. For purposes of clarity, the shares of Common Stock issuable pursuant to the terms of this Warrant in excess of the Maximum Percentage shall not be deemed to be beneficially owned by the Holder for any purpose including for purposes of Section 13(d) or Rule 16a-1(a)(1) of the Exchange Act. No prior inability to exercise this Warrant pursuant to this paragraph shall have any effect on the applicability of the provisions of this paragraph with respect to any subsequent determination of exercisability. The provisions of this paragraph shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this Section 1(f) to the extent necessary to correct this paragraph or any portion of this paragraph which may be defective or inconsistent with the intended beneficial ownership limitation contained in this Section 1(f) or to make changes or supplements necessary or desirable to properly give effect to such limitation. The limitation contained in this paragraph may not be waived and shall apply to a successor holder of this Warrant.

(g) Insufficient Authorized Shares. If at any time while this Warrant remains outstanding the Company does not have a sufficient number of authorized and unreserved shares of Common Stock to satisfy its obligation to reserve for issuance upon exercise of this Warrant at least a number of shares of Common Stock equal to the number of shares of Common Stock as shall from time to time be necessary to effect the exercise of all of this Warrant then outstanding (the "**Required Reserve Amount**") and the failure to have such sufficient number of authorized and unreserved shares of Common Stock, an "**Authorized Share Failure**"), then the Company shall as soon as reasonably practicable take all action necessary to increase the Company's authorized shares of Common Stock to an amount sufficient to allow the Company to reserve the Required Reserve Amount for this Warrant then outstanding. Without limiting the generality of the foregoing sentence, as soon as reasonably practicable after the date of the occurrence of an Authorized Share Failure, but in no event later than seventy-five (75) days after the occurrence of such Authorized Share Failure, the Company shall hold a meeting of its stockholders for the approval of an increase in the number of authorized shares of Common Stock. In connection with such

meeting, the Company shall provide each stockholder with a proxy statement and shall use its reasonable best efforts to solicit its stockholders' approval of such increase in authorized shares of Common Stock and to cause its board of directors to recommend to the stockholders that they approve such proposal. In the event that the Company is prohibited from issuing shares of Common Stock upon an exercise of this Warrant due to the failure by the Company to have sufficient shares of Common Stock available out of the authorized but unissued shares of Common Stock (such unavailable number of shares of Common Stock, the "Authorization Failure Shares"), in lieu of delivering such Authorization Failure Shares to the Holder, the Company shall pay cash in exchange for the cancellation of such portion of this Warrant exercisable into such Authorization Failure Shares at a price equal to the sum of (i) the product of (x) such number of Authorization Failure Shares and (y) the Closing Sale Price of the Common Stock on the date the Holder delivers the applicable Exercise Notice with respect to such Authorization Failure Shares to the Company; and (ii) to the extent the Holder purchases (in an open market transaction or otherwise) shares of Common Stock to deliver in satisfaction of a sale by the Holder of Authorization Failure Shares, any Buy-In Payment Amount, brokerage commissions and other out-of-pocket expenses, if any, of the Holder incurred in connection therewith. Nothing contained in this Section 1(g) shall limit any obligations of the Company under any provision of the Credit Agreement.

2. ADJUSTMENT OF EXERCISE PRICE AND NUMBER OF WARRANT SHARES. The Exercise Price and the number of Warrant Shares issuable upon exercise of this Warrant are subject to adjustments from time to time as set forth in this Section 2.

(a) Adjustment Upon Subdivision or Combination of Shares of Common Stock. If the Company at any time on or after the Issuance Date subdivides (by any stock split, stock dividend, recapitalization or otherwise) one or more classes of its outstanding shares of Common Stock into a greater number of shares, the Exercise Price in effect immediately prior to such subdivision will be proportionately reduced and the number of Warrant Shares will be proportionately increased. If the Company at any time on or after the Issuance Date combines (by combination, reverse stock split or otherwise) one or more classes of its outstanding shares of Common Stock into a smaller number of shares, the Exercise Price in effect immediately prior to such combination will be proportionately increased and the number of Warrant Shares will be proportionately decreased. Any adjustment under this Section 2(a) shall become effective at the close of business on the date the subdivision or combination becomes effective.

(b) Adjustment to Number of Warrant Shares. Simultaneously with any adjustment to the Exercise Price pursuant to Section 2, the number of Warrant Shares that may be purchased upon exercise of this Warrant shall be increased or decreased proportionately, so that after such adjustment the aggregate Exercise Price payable hereunder for the adjusted number of Warrant Shares shall be the same as the aggregate Exercise Price in effect immediately prior to such adjustment (without regard to any limitations on exercise contained herein).

(c) Par Value. Notwithstanding anything to the contrary in this Warrant, in no event shall the Exercise Price be reduced below the par value of the Company's Common Stock.

(d) Voluntary Adjustment by Company. Subject to Section 2(c), the Company may at any time during the term of this Warrant, with prior written notice to the Holder, reduce the then current Exercise Price to any amount and for any period of time deemed appropriate by the board of directors of the Company.

3. RIGHTS UPON DISTRIBUTION OF ASSETS. In addition to any adjustments pursuant to Section 2 above, if the Company shall declare or make any dividend or other distribution of its assets (or rights to acquire its assets) to holders of shares of Common Stock, by way of return of capital or otherwise (including, without limitation, any distribution of cash, stock or other securities, property,

options, evidence of indebtedness or any other assets by way of a dividend, spin off, reclassification, corporate rearrangement, scheme of arrangement or other similar transaction) (a “**Distribution**”), at any time after the issuance of this Warrant, then, in each such case, the Holder shall be entitled to participate in such Distribution to the same extent that the Holder would have participated therein if the Holder had held the number of shares of Common Stock acquirable upon complete exercise of this Warrant (without regard to any limitations or restrictions on exercise of this Warrant, including without limitation, the Maximum Percentage) immediately before the date on which a record is taken for such Distribution, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the participation in such Distribution (provided, however, that to the extent that the Holder’s right to participate in any such Distribution would result in the Holder and the other Attribution Parties exceeding the Maximum Percentage, then the Holder shall not be entitled to participate in such Distribution to the extent of the Maximum Percentage (and shall not be entitled to beneficial ownership of such shares of Common Stock as a result of such Distribution (and beneficial ownership) to the extent of any such excess) and the portion of such Distribution shall be held in abeyance for the benefit of the Holder until such time or times, if ever, as its right thereto would not result in the Holder and the other Attribution Parties exceeding the Maximum Percentage, at which time or times the Holder shall be granted such Distribution (and any Distributions declared or made on such initial Distribution or on any subsequent Distribution held similarly in abeyance) to the same extent as if there had been no such limitation).

4. PURCHASE RIGHTS; FUNDAMENTAL TRANSACTIONS.

(a) Purchase Rights. In addition to any adjustments pursuant to Section 2 above, if at any time the Company grants, issues or sells any Options, Convertible Securities or rights to purchase stock, warrants, securities or other property pro rata to the record holders of any class of Common Stock (the “**Purchase Rights**”), then the Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which the Holder could have acquired if the Holder had held the number of shares of Common Stock acquirable upon complete exercise of this Warrant (without regard to any limitations or restrictions on exercise of this Warrant, including without limitation, the Maximum Percentage) immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the grant, issuance or sale of such Purchase Rights (provided, however, that to the extent that the Holder’s right to participate in any such Purchase Right would result in the Holder and the other Attribution Parties exceeding the Maximum Percentage, then the Holder shall not be entitled to participate in such Purchase Right to the extent of the Maximum Percentage (and shall not be entitled to beneficial ownership of such shares of Common Stock as a result of such Purchase Right (and beneficial ownership) to the extent of any such excess) and such Purchase Right to such extent shall be held in abeyance for the benefit of the Holder until such time or times, if ever, as its right thereto would not result in the Holder and the other Attribution Parties exceeding the Maximum Percentage, at which time or times the Holder shall be granted such right (and any Purchase Right granted, issued or sold on such initial Purchase Right or on any subsequent Purchase Right held similarly in abeyance) to the same extent as if there had been no such limitation).

(b) Fundamental Transactions. The Company shall not enter into or be party to a Fundamental Transaction unless:

(i) in the event that the Successor Entity (including its Parent Entity) is not a publicly traded entity with common equity quoted on or listed for trading on an Eligible Market and registered under the Exchange Act, the Company or the Successor Entity, as applicable, shall, on or prior to the date of consummation of such Fundamental Transaction, purchase this Warrant from the Holder by paying to the Holder cash in an amount equal to the Black Scholes Going Private Value (without regard to the limitation set forth in Section 1(f)) whereupon the Successor Entity shall have no obligation to assume

the obligations of the Company under this Warrant and the other Loan Documents, including any obligation to deliver to the Holder in exchange for this Warrant any security of the Successor Entity, and

(ii) in the event that the Successor Entity (including its Parent Entity) is a publicly traded entity with common equity quoted on or listed for trading on an Eligible Market and registered under the Exchange Act, the Successor Entity assumes in writing all of the obligations of the Company under this Warrant and the other Loan Documents in accordance with the provisions of this Section 4(b)(ii) pursuant to written agreements in form and substance satisfactory to the Holder and approved by the Holder prior to such Fundamental Transaction, including agreements to deliver to the Holder in exchange for this Warrant a security of the Successor Entity evidenced by a written instrument substantially similar in form and substance to this Warrant, including, without limitation, which is exercisable for a corresponding number of shares of capital stock equivalent to the shares of Common Stock acquirable and receivable upon exercise of this Warrant (without regard to any limitations on the exercise of this Warrant) prior to such Fundamental Transaction, and with an exercise price which applies the exercise price hereunder to such shares of capital stock (but taking into account the relative value of the shares of Common Stock pursuant to such Fundamental Transaction and the value of such shares of capital stock, such adjustments to the number of shares of capital stock and such exercise price being for the purpose of protecting the economic value of this Warrant immediately prior to the consummation of such Fundamental Transaction). Upon the consummation of each Fundamental Transaction described in this Section 4(b)(ii) (each such Fundamental Transaction, a “**Public Fundamental Transaction**”), the Successor Entity shall (x) succeed to, and be substituted for (so that from and after the date of the applicable Public Fundamental Transaction, the provisions of this Warrant and the other Loan Documents referring to the “Company” or the “Borrower” shall refer instead to the Successor Entity), and may exercise every right and power of the Company and shall assume all of the obligations of the Company under this Warrant and the other Loan Documents with the same effect as if such Successor Entity had been named as the Company herein or therein, and (y) deliver to the Holder confirmation that there shall be issued upon exercise of this Warrant at any time after the consummation of the applicable Public Fundamental Transaction, in lieu of the shares of Common Stock (or other securities, cash, assets or other property (except such items still issuable under Sections 3 and 4(a) above, which shall continue to be receivable thereafter)) issuable upon the exercise of this Warrant prior to the applicable Public Fundamental Transaction, such shares of publicly traded common stock (or its equivalent) of the Successor Entity (including its Parent Entity) which the Holder would have been entitled to receive upon the happening of the applicable Public Fundamental Transaction had this Warrant been exercised immediately prior to the applicable Public Fundamental Transaction (without regard to any limitations on the exercise of this Warrant), as adjusted in accordance with the provisions of this Warrant. Notwithstanding the foregoing, and without limiting Section 1(f) hereof, the Holder may elect, at its sole option, by delivery of written notice to the Company to waive this Section 4(b)(ii) to permit the Public Fundamental Transaction without the assumption of this Warrant.

In addition to and not in substitution for any other rights hereunder, prior to the consummation of each Fundamental Transaction pursuant to which holders of shares of Common Stock are entitled to receive securities or other assets with respect to or in exchange for shares of Common Stock (a “**Corporate Event**”), the Company shall make appropriate provision to insure that the Holder will thereafter have the right to receive upon an exercise of this Warrant at any time after the consummation of the applicable Fundamental Transaction but prior to the Expiration Date, in lieu of the shares of the Common Stock (or other securities, cash, assets or other property (except such items still issuable under Sections 3 and 4(a) above, which shall continue to be receivable thereafter)) issuable upon the exercise of the Warrant prior to such Fundamental Transaction, such shares of stock, securities, cash, assets or any other property whatsoever (including warrants or other purchase or subscription rights) which the Holder would have been entitled to receive upon the happening of the applicable Fundamental Transaction had this Warrant been exercised immediately prior to the applicable Fundamental Transaction (without regard to any limitations

on the exercise of this Warrant). Provision made pursuant to the preceding sentence shall be in a form and substance reasonably satisfactory to the Holder.

(c) Holder Optional Redemptions. Notwithstanding the foregoing and the provisions of Section 4(b)(ii) above, at the request of the Holder delivered at any time commencing on the earliest to occur of (x) the public disclosure of any Public Fundamental Transaction, (y) the consummation of any Public Fundamental Transaction and (z) the Holder first becoming aware of any Public Fundamental Transaction through the date that is ninety (90) days after the public disclosure of the consummation of such Public Fundamental Transaction by the Company pursuant to a Current Report on Form 8-K filed with the SEC, the Company or the Successor Entity (as the case may be) shall purchase this Warrant from the Holder on the date of such request by paying to the Holder cash in an amount equal to the Black Scholes Value. Payment of such amounts shall be made by the Company (or at the Company's direction) to the Holder on or prior to the later of (x) the second (2nd) Trading Day after the date of such request and (y) the date of consummation of such Public Fundamental Transaction.

(d) Application. The provisions of this Section 4 shall apply similarly and equally to successive Fundamental Transactions and Corporate Events and shall be applied as if this Warrant (and any such subsequent warrants) were fully exercisable and without regard to any limitations on the exercise of this Warrant (provided that the Holder shall continue to be entitled to the benefit of the Maximum Percentage, applied however with respect to shares of capital stock registered under the Exchange Act and thereafter receivable upon exercise of this Warrant (or any such other warrant)).

5. NONCIRCUMVENTION. The Company hereby covenants and agrees that the Company will not, by amendment of its Certificate of Incorporation or Bylaws, or through any reorganization, transfer of assets, consolidation, merger, scheme of arrangement, dissolution, issuance or sale of securities, or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, and will at all times in good faith carry out all of the provisions of this Warrant and take all action as may be required to protect the rights of the Holder. Without limiting the generality of the foregoing, the Company (i) shall not increase the par value of any shares of Common Stock receivable upon the exercise of this Warrant above the Exercise Price then in effect, (ii) shall take all such actions as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable shares of Common Stock upon the proper exercise of this Warrant by the Holder, and (iii) shall, so long as this Warrant is outstanding, take all action necessary to reserve and keep available out of its authorized and unissued shares of Common Stock, solely for the purpose of effecting the exercise of this Warrant, the number of shares of Common Stock as shall from time to time be necessary to effect the exercise of this Warrant (without regard to any limitations on exercise). Notwithstanding anything herein to the contrary, if after the sixty (60) calendar day anniversary of the Issuance Date, the Holder is not permitted to exercise this Warrant in full for any reason (other than pursuant to restrictions set forth in Section 1(f) hereof), the Company shall use its reasonable best efforts to promptly remedy such failure, including, without limitation, obtaining such consents or approvals as necessary to permit such exercise into shares of Common Stock.

6. WARRANT HOLDER NOT DEEMED A STOCKHOLDER. Except as otherwise specifically provided herein, the Holder, solely in such Person's capacity as a holder of this Warrant, shall not be entitled to vote or receive dividends or be deemed the holder of share capital of the Company for any purpose, nor shall anything contained in this Warrant be construed to confer upon the Holder, solely in such Person's capacity as the Holder of this Warrant, any of the rights of a stockholder of the Company or any right to vote, give or withhold consent to any corporate action (whether any reorganization, issue of stock, reclassification of stock, consolidation, merger, conveyance or otherwise), receive notice of meetings, receive dividends or subscription rights, or otherwise, prior to the issuance to the Holder of the Warrant Shares which such Person is then entitled to receive upon the due exercise of this Warrant. In

addition, nothing contained in this Warrant shall be construed as imposing any liabilities on the Holder to purchase any securities (upon exercise of this Warrant or otherwise) or as a stockholder of the Company, whether such liabilities are asserted by the Company or by creditors of the Company. Notwithstanding this Section 6, the Company shall provide the Holder with copies of the same notices and other information given to the stockholders of the Company generally, contemporaneously with the giving thereof to the stockholders.

7. REISSUANCE OF WARRANTS.

(a) Transfer of Warrant. If this Warrant is to be transferred and reissued to the transferee, the Holder shall surrender this Warrant to the Company together with a written assignment of this Warrant substantially in the form attached hereto duly executed by the Holder or its agent or attorney and funds sufficient to pay any transfer taxes payable upon the making of such transfer, whereupon the Company will forthwith issue and deliver upon the order of the Holder a new Warrant (in accordance with Section 7(d)), registered as the Holder may request, representing the right to purchase the number of Warrant Shares being transferred by the Holder and, if less than the total number of Warrant Shares then underlying this Warrant is being transferred, a new Warrant (in accordance with Section 7(d)) to the Holder representing the right to purchase the number of Warrant Shares not being transferred. For the avoidance of doubt, this Section 7(a) will not apply to a sale, transfer, pledge or assignment of this Warrant that does not involve a reissuance of this Warrant.

(b) Lost, Stolen or Mutilated Warrant. Upon receipt by the Company of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of this Warrant (as to which a written certification and the indemnification contemplated below shall suffice as such evidence), and, in the case of loss, theft or destruction, of any indemnification undertaking by the Holder to the Company in customary and reasonable form and, in the case of mutilation, upon surrender and cancellation of this Warrant, the Company shall execute and deliver to the Holder a new Warrant (in accordance with Section 7(d)) representing the right to purchase the Warrant Shares then underlying this Warrant.

(c) Exchangeable for Multiple Warrants. This Warrant is exchangeable, upon the surrender hereof by the Holder at the principal office of the Company, for a new Warrant or Warrants (in accordance with Section 7(d)) representing in the aggregate the right to purchase the number of Warrant Shares then underlying this Warrant, and each such new Warrant will represent the right to purchase such portion of such Warrant Shares as is designated by the Holder at the time of such surrender; provided, however, that no warrants for fractional shares of Common Stock shall be given.

(d) Issuance of New Warrants. Whenever the Company is required to issue a new Warrant pursuant to the terms of this Warrant, such new Warrant (i) shall be of like tenor with this Warrant, (ii) shall represent, as indicated on the face of such new Warrant, the right to purchase the Warrant Shares then underlying this Warrant (or in the case of a new Warrant being issued pursuant to Section 7(a) or Section 7(c), the Warrant Shares designated by the Holder which, when added to the number of shares of Common Stock underlying the other new Warrants issued in connection with such issuance, does not exceed the number of Warrant Shares then underlying this Warrant), (iii) shall have an issuance date, as indicated on the face of such new Warrant which is the same as the Issuance Date, and (iv) shall have the same rights and conditions as this Warrant.

8. NOTICES OF CHANGES IN WARRANT. Whenever notice is required to be given under this Warrant, unless otherwise provided herein, such notice shall be given in accordance with Section 8.2 of the Credit Agreement. Upon every adjustment of the Exercise Price or the number of shares of Common Stock issuable upon exercise of a Warrant, the Company shall give written notice thereof to

the Holders, which notice shall state the Exercise Price resulting from such adjustment and the increase or decrease, if any, in the number of Warrant Shares purchasable at such price upon the exercise of a Warrant, setting forth in reasonable detail the method of calculation and the facts upon which such calculation is based.

9. AMENDMENT AND WAIVER. Except as otherwise provided herein, the provisions of this Warrant may be amended or waived and the Company may take any action herein prohibited, or omit to perform any act herein required to be performed by it, only if the Company has obtained the written consent of (i) the Holder, if there is one Holder, or (ii) the Holder or Holders of the Warrant or Warrants representing the majority of Warrant Shares if there is more than one Holder, and with respect to any amendment, the amendment is in writing and signed by the Company and the Holder.

10. GOVERNING LAW; JURISDICTION; JURY TRIAL. This Warrant shall be governed by and construed and enforced in accordance with, and all questions concerning the construction, validity, interpretation and performance of this Warrant shall be governed by, the internal laws of the State of New York, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of New York or any other jurisdictions) that would cause the application of the laws of any jurisdictions other than the State of New York. The Company and the Holder each hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in The City of New York, Borough of Manhattan, for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is brought in an inconvenient forum or that the venue of such suit, action or proceeding is improper. The Company and the Holder each hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof to the Company or such Holder, as applicable at the address set forth in Section 8.2 of the Credit Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law. Nothing contained herein shall be deemed or operate to preclude the Holder from bringing suit or taking other legal action against the Company in any other jurisdiction to collect on the Company's obligations to the Holder, to realize on any collateral or any other security for such obligations, or to enforce a judgment or other court ruling in favor of the Holder. **THE COMPANY HEREBY AND THE HOLDER EACH IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE, AND AGREES NOT TO REQUEST, A JURY TRIAL FOR THE ADJUDICATION OF ANY DISPUTE HEREUNDER OR IN CONNECTION WITH OR ARISING OUT OF THIS WARRANT OR ANY TRANSACTION CONTEMPLATED HEREBY.**

11. CONSTRUCTION; HEADINGS; BUSINESS DAYS. This Warrant shall be deemed to be jointly drafted by the Company and the Holder and shall not be construed against any Person as the drafter hereof. The headings of this Warrant are for convenience of reference and shall not form part of, or affect the interpretation of, this Warrant. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a Business Day, then, such action may be taken or such right may be exercised on the next succeeding Business Day.

12. DISPUTE RESOLUTION. In the case of a dispute as to the determination of the Exercise Price or the arithmetic calculation of the Warrant Shares, the Company shall submit the disputed determinations or arithmetic calculations via facsimile or electronic mail within two (2) Business Days of receipt of the Exercise Notice giving rise to such dispute, as the case may be, to the Holder. If the Holder and the Company are unable to agree upon such determination or calculation of the Exercise Price or the Warrant Shares within three (3) Business Days of such disputed determination or arithmetic calculation being submitted to the Holder, then the Company shall, within two (2) Business Days submit via facsimile

or electronic mail the dispute to a nationally recognized accounting firm selected by the Holder and reasonably satisfactory to the Company. If the Company does not object in writing to the selection of the accounting firm within two (2) Business Days of notice of the Holder's selection, the Company will have deemed to have consented to such selection. If the Company does object, the Company shall provide the Holder its rationale for such rejection and five (5) acceptable alternative firms. The Company shall cause at its expense the accepted accounting firm to perform the determinations or calculations and notify the Company and the Holder of the results no later than three (3) Business Days from the time it receives the disputed determinations or calculations. Such accounting firm's determination or calculation, as the case may be, shall be binding upon all parties absent demonstrable error. In the event that the accounting firm resolves the dispute in the Holder's favor, a Delivery Failure will be deemed to have occurred and the Buy- In and other remedies available to the Holder under Section 1(c) will apply.

13. REMEDIES, OTHER OBLIGATIONS, BREACHES AND INJUNCTIVE RELIEF. The remedies provided in this Warrant shall be cumulative and in addition to all other remedies available under this Warrant and the other Loan Documents, at law or in equity (including a decree of specific performance and/or other injunctive relief), and nothing herein shall limit the right of the Holder to pursue actual damages for any failure by the Company to comply with the terms of this Warrant. The Company acknowledges that a breach by it of its obligations hereunder will cause irreparable harm to the Holder and that the remedy at law for any such breach may be inadequate. The Company therefore agrees that, in the event of any such breach or threatened breach, the Holder shall be entitled, in addition to all other available remedies, to an injunction restraining any breach, without the necessity of showing economic loss and without any bond or other security being required.

14. TRANSFER. This Warrant and the Warrant Shares may be offered for sale, sold, transferred, pledged or assigned without the consent of the Company, subject to compliance with applicable state and federal securities laws. The Holder acknowledges that the Warrant Shares acquired upon the exercise of this Warrant, if not registered, and the Holder does not utilize cashless exercise, will have restrictions upon resale imposed by state and federal securities laws.

15. SEVERABILITY. If any provision of this Warrant is prohibited by law or otherwise determined to be invalid or unenforceable by a court of competent jurisdiction, the provision that would otherwise be prohibited, invalid or unenforceable shall be deemed amended to apply to the broadest extent that it would be valid and enforceable, and the invalidity or unenforceability of such provision shall not affect the validity of the remaining provisions of this Warrant so long as this Warrant as so modified continues to express, without material change, the original intentions of the parties as to the subject matter hereof and the prohibited nature, invalidity or unenforceability of the provision(s) in question does not substantially impair the respective expectations or reciprocal obligations of the parties or the practical realization of the benefits that would otherwise be conferred upon the parties. The parties will endeavor in good faith negotiations to replace the prohibited, invalid or unenforceable provision(s) with a valid provision(s), the effect of which comes as close as possible to that of the prohibited, invalid or unenforceable provision(s).

16. NO DISCLOSURE. The Company shall not provide material, non-public information or confidential or proprietary information to the Holder without such Holder's written consent.

17. REPRESENTATIONS OF HOLDERS.

(a) Investment Intent. Each Holder represents and warrants that it is acquiring this Warrant and the Warrant Shares (collectively, the "**Securities**"), solely for its beneficial account, for investment purposes, and not with a view to, or for resale in connection with, any distribution of the Securities in violation of applicable securities laws.

(b) Unregistered Securities. Each Holder represents and warrants that it understands that the Securities have not been registered under the Securities Act or any state securities laws by reason of specific exemptions under the provisions thereof, the availability of which depend in part upon the bona fide nature of its investment intent and upon the accuracy of its representations made herein.

(c) Reliance. Each Holder represents and warrants that it understands that the Company is relying in part upon the representations and agreements of the Holders contained herein for the purpose of determining whether the offer, sale and issuance of the Securities meet the requirements for such exemptions described in Section 17(b).

(d) Accredited Investor. Each Holder represents and warrants that it is an “accredited investor” as defined in Rule 501(a) under the Securities Act.

(e) Sophisticated Investor. Each Holder represents and warrants that it has such knowledge, skill and experience in business, financial and investment matters that it is capable of evaluating the merits and risks of an investment in the Securities, including experience in and knowledge of the industry in which the Company operates.

(f) Restricted Securities. Each Holder represents and warrants that it understand that the Securities will be “restricted securities” under applicable federal securities laws and that the Securities Act and the rules of the SEC provide in substance that it may dispose of the Securities only pursuant to an effective registration statement under the Securities Act or an exemption therefrom.

(g) Information. Each Holder represents and warrants that it has been furnished by the Company all information (or provided access to all information) regarding the business and financial condition of the Company, the attributes of the Securities, and the merits and risks of an investment in such Securities which it has requested or otherwise needs to evaluate the investment in such Securities; that in making the proposed investment decision, such Holder is relying solely on such information, the representations, warranties and agreements of the Company and the other Loan Parties contained herein and in the other Loan Documents and on investigations made by it and its representatives; that the offer to sell the Securities hereunder was communicated to such Holder in such a manner that it was able to ask questions of and receive answers from the management of the Company concerning the terms and conditions of the proposed transaction and that at no time was it presented with or solicited by or through any leaflet, public promotional meeting, television advertisement or any other form of general or public advertising or solicitation; and such Holder recognizes that an investment in the Securities involves risks and can result in a total loss of all funds invested.

(h) Non-Reliance. Notwithstanding anything in this Warrant to the contrary, each Holder hereby acknowledges, with respect to itself, that the Company may possess material non-public information with respect to the Company and/or its securities not known to each Holder as of the date hereof or at a time when each Holder exercises its right to purchase Warrant Shares pursuant to this Warrant and that any such information may impact the value of the Warrant and the Warrant Shares. Each Holder with respect to itself irrevocably waives any claim, or potential claim, that it may have based on the failure of the Company or its Affiliates, officers, directors, employees, agents or other representatives to disclose such information in connection with the execution and delivery of this Warrant or the purchase of Warrant Shares hereunder; *provided, however*, notwithstanding anything in this Section 17(h) or otherwise to the contrary, each Holder does not and shall not be deemed to have waived or otherwise compromised any rights or claims based upon or arising out of (i) the Company’s disclosure obligations under the federal securities laws with respect to any untrue statement of a material fact or omission to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading in any public statement or filing made by the Company pursuant to the Exchange Act, or (ii)

any breach or inaccuracy of any representation or warranty of the Company or any other Loan Party in the Credit Agreement or any other Loan Document. Each Holder with respect to itself acknowledges that the Company would not enter into this Warrant in the absence of the agreements set forth in this Section 17.

18. REPRESENTATIONS OF THE COMPANY. The Company represents and warrants to the Holder that:

(a) The Company (i) is duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation; (ii) has the requisite power and authority to own, lease and operate its properties, to carry on its business as it is now being conducted and to enter into, deliver and perform its obligations under this Warrant; and (iii) is duly licensed or qualified to conduct its business and, if applicable, is in good standing under the laws of each jurisdiction (other than its jurisdiction of incorporation) in which the conduct of its business or the ownership of its properties or assets requires such license or qualification, except, with respect to the foregoing clause (iii), where the failure to be in good standing would not reasonably be expected to have a Company Material Adverse Effect. For purposes of this Warrant, a “**Company Material Adverse Effect**” means an event, change, development, occurrence, condition or effect with respect to the Company and its subsidiaries, taken together as a whole (on a consolidated basis), that, individually or in the aggregate, (A) would reasonably be expected to have a material adverse effect on the business, financial condition or results of operations of the Company and its subsidiaries, taken together as a whole (on a consolidated basis) or (B) would prevent, materially delay or materially impede the performance by the Company or its subsidiaries of their respective obligations under this Warrant or the other Loan Documents.

(b) This Warrant is duly authorized, validly issued and constitutes legal, valid and binding obligations of the Company, enforceable against the Company in accordance with its terms, except that the enforcement thereof may be subject to applicable bankruptcy, insolvency or similar laws affecting creditors’ rights generally or by equitable principles relating to enforceability (collectively, the “**Enforceability Exceptions**”), and has not been issued in violation of any preemptive rights created under the Company’s organizational documents or the laws of the State of Delaware.

(c) The Warrant Shares have been duly authorized and, when issued and delivered to the Holder upon conversion of this Warrant, will be validly issued, fully paid and nonassessable and will not have been issued in violation of any preemptive rights created under the Company’s organizational documents or the laws of the State of Delaware.

(d) The execution and delivery of this Warrant, the issuance and delivery of the Warrant Shares in accordance with the terms hereof and the compliance by the Company with all of the provisions of this Warrant and the consummation of the transactions contemplated herein will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of the Company pursuant to the terms of (i) any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which the Company is a party or by which the Company is bound or to which any of the property or assets of the Company is subject; (ii) the organizational documents of the Company; or (iii) any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over the Company or any of its properties that, in the case of clauses (i) and (iii), would reasonably be expected to have a Company Material Adverse Effect or have a material adverse effect on the Company’s ability to consummate the transactions contemplated hereby.

(e) Assuming the accuracy of the representations and warranties of the Holder, the Company is not required to obtain any consent, waiver, authorization or order of, give any

notice to, or make any filing or registration with, any court or other federal, state, local or other governmental authority, self-regulatory organization (including the Nasdaq Stock Market) or other person in connection with the execution, delivery and performance of this Warrant, other than (i) filings required by applicable state securities laws, (ii) the filing of the registration statement pursuant to the First Amendment Registration Rights Agreement, (iii) the filing of a Notice of Exempt Offering of Securities on Form D with the SEC, if applicable and (iv) those the failure of which to obtain would not be reasonably likely to have a Company Material Adverse Effect or have a material adverse effect on the Company's ability to consummate the transactions contemplated hereby.

(f) As of their respective dates, all reports required to be filed by the Company with the SEC (the "*SEC Reports*") complied in all material respects with the requirements of the Exchange Act, and the rules and regulations of the SEC promulgated thereunder, and none of the SEC Reports, when filed, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The financial statements of the Company included in the SEC Reports comply in all material respects with applicable accounting requirements and the rules and regulations of the SEC with respect thereto as in effect at the time of filing and fairly present in all material respects the financial position of the Company as of and for the dates thereof and the results of operations and cash flows for the periods then ended, subject, in the case of unaudited statements, to normal, year-end audit adjustments.

(g) Except for such matters as have not had and would not be reasonably likely to have a Company Material Adverse Effect or have a material adverse effect on the Company's ability to consummate the transactions contemplated hereby, there is no (i) suit, action, investigation, proceeding or arbitration before a governmental authority or arbitrator pending, or, to the knowledge of the Company, threatened in writing against the Company or any of its directors or officers in their capacities as such or (ii) judgment, decree, injunction, ruling or order of any governmental authority or arbitrator outstanding against the Company or any of its directors or officers in their capacities as such.

(h) Except for such matters as have not had and would not be reasonably likely to have a Company Material Adverse Effect or have a material adverse effect on the Company's ability to consummate the transactions contemplated hereby, the Company is, and has been since its inception, in compliance with all laws applicable to the conduct of the business of the Company. The Company has not received any written, or to its knowledge, other communication from a governmental entity that alleges that the Company is not in compliance with or is in default or violation of any applicable law, except where such noncompliance, default or violation would not be reasonably expected to have, individually or in the aggregate, a Company Material Adverse Effect.

(i) The Company has all franchises, permits, licenses and any similar authority necessary for the conduct of its business as now being conducted by it, the lack of which would have a material adverse effect, and to the Company's knowledge, the Company is not in default in any material respect under any of such franchises, permits, licenses or other authority.

(j) There is no action, suit, proceeding or investigation pending or, to the Company's knowledge, currently threatened in writing against the Company that questions the validity of this Warrant or the right of the Company to enter into this Warrant, or to consummate the transactions contemplated hereby, or that might result, if determined adversely to the Company, in a material adverse effect, or in any material change in the current equity ownership of the Company.

(k) To the Company's knowledge, the Company owns or possesses sufficient legal rights to all (a) patents, patent applications and inventions; (b) trademarks, service marks, trade names,

trade dress, logos, domain names or corporate names and registrations and applications for registration thereof, together with all of the goodwill associated therewith; (c) copyrights (registered or unregistered) and copyrightable works and registrations and applications for registrations thereof; (d) computer software, data, and databases and documentation thereof; (e) trade secrets and other confidential information; and (f) licenses, information and proprietary rights and processes necessary for its business as now conducted. The Company has not received any written communications alleging that the Company has violated or, by conducting its business as proposed, would violate any of the patents, trademarks, service marks, trade names, copyrights or trade secrets or other proprietary rights of any other person or entity.

PRESTO AUTOMATION INC.

WARRANT TO PURCHASE COMMON STOCK

Warrant No.: 2023-4

Number of Shares of Common Stock: 50,920

Date of Issuance: March 31, 2023 (“**Issuance Date**”)

Presto Automation Inc., a Delaware corporation (the “**Company**”), hereby certifies that, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, CEOF Holdings LP, the registered holder hereof or its permitted assigns (the “**Holder**”), is entitled, subject to the terms set forth below, to purchase from the Company, at the Exercise Price (as defined below) then in effect, at any time or times on or after the Issuance Date, but not after 11:59 p.m., New York time, on the Expiration Date, (as defined below), 50,920 duly authorized, validly issued, fully paid, nonassessable shares of Common Stock, subject to adjustment as provided herein (the “**Warrant Shares**”). Except as otherwise defined herein, capitalized terms in this Warrant to Purchase Common Stock (including any Warrants to Purchase Common Stock issued in exchange, transfer or replacement hereof, this “**Warrant**”) shall have the meanings set forth in Section 17. This Warrant is being issued pursuant to Section 4 of that certain Amended and Restated Fee Letter, dated March 31, 2023, among E La Carte, LLC, the Company and Metropolitan Partners Group Administration, LLC, as agent (the “**Fee Letter**”). Capitalized terms used herein and not otherwise defined shall have the definitions ascribed to such terms in the Credit Agreement (as defined in the Fee Letter).

1. EXERCISE OF WARRANT.

(a) Mechanics of Exercise. Subject to the terms and conditions hereof (including, without limitation, the limitations set forth in Section 1(f)), this Warrant may be exercised by the Holder at any time or times on or after the Issuance Date, in whole or in part, by (i) delivery (whether via facsimile or otherwise) of a written notice, in the form attached hereto as Exhibit A (the “**Exercise Notice**”), of the Holder’s election to exercise this Warrant and (ii) (A) payment to the Company of an amount equal to the applicable Exercise Price multiplied by the number of Warrant Shares as to which this Warrant is being exercised (the “**Aggregate Exercise Price**”) in cash by wire transfer of immediately available funds or (B) if the provisions of Section 1(d) are applicable, by notifying the Company that this Warrant is being exercised pursuant to a Cashless Exercise. The Holder shall not be required to physically

surrender this Warrant to the Company until the Holder has purchased all of the Warrant Shares available hereunder and the Warrant has been exercised in full, in which case the Holder shall surrender this Warrant to the Company for cancellation within three (3) Trading Days after the date the Warrant Shares which are the subject of the Exercise Notice being delivered to the Holder. Partial exercises of this Warrant resulting in purchases of a portion of the total number of Warrant Shares available hereunder shall have the effect of lowering the outstanding number of Warrant Shares purchasable hereunder in an amount equal to the applicable number of Warrant Shares purchased. The Holder and the Company shall maintain records showing the number of Warrant Shares purchased and the date of such purchases. **The Holder and any assignee, by acceptance of this Warrant, acknowledge and agree that, by reason of the provisions of this paragraph, following the purchase of a portion of the Warrant Shares hereunder, the number of Warrant Shares available for purchase hereunder at any given time may be less than the amount stated on the face hereof.** On or before the third (3rd) Trading Day following the date on which the Company has received the Exercise Notice (the “**Share Delivery Date**”), so long as the Holder delivers the Aggregate Exercise Price (or notice of a Cashless Exercise) on or prior to the second (2nd) Trading Day following the date on which the Company has received the Exercise Notice (provided that if the Aggregate Exercise Price (or notice of a Cashless Exercise) has not been delivered by such date, the Share Delivery Date shall be extended one (1) Trading Day after the Aggregate Exercise Price (or notice of a Cashless Exercise) is delivered), the Company shall (X) provided that the Company’s transfer agent (“**Transfer Agent**”) is participating in The Depository Trust Company (“**DTC**”) Fast Automated Securities Transfer Program (“**FAST**”) and the Warrant Shares are eligible to be issued without a restrictive legend, credit such aggregate number of Warrant Shares to which the Holder is entitled pursuant to such exercise to the Holder’s or its designee’s balance account with DTC through its Deposit/Withdrawal At Custodian system, or (Y) if the Transfer Agent is not participating in FAST or the Warrant Shares are not eligible to be issued without a restrictive legend, issue and dispatch by overnight courier to the address as specified in the Exercise Notice, a certificate, registered in the Company’s share register in the name of the Holder or its designee, for the number of Warrant Shares to which the Holder is entitled pursuant to such exercise. The Company shall be responsible for all fees and expenses of the Transfer Agent and all fees and expenses with respect to the issuance of Warrant Shares via DTC, if any. Upon delivery of the Exercise Notice and the Aggregate Exercise Price (or notice of a Cashless Exercise), the Holder shall be deemed for all corporate purposes to have become the holder of record of the Warrant Shares with respect to which this Warrant has been exercised, irrespective of the date such Warrant Shares are credited to the Holder’s DTC account or the date of delivery of the certificates evidencing such Warrant Shares, as the case may be. If this Warrant is submitted in connection with any exercise pursuant to this Section 1(a) and the number of Warrant Shares represented by this Warrant submitted for exercise is greater than the number of Warrant Shares being acquired upon an exercise, then the Company shall as soon as reasonably practicable and in no event later than three (3) Trading Days after any exercise and at its own expense, issue a new Warrant (in accordance with Section 1(d)) representing the right to purchase the number of Warrant Shares issuable immediately prior to such exercise under this Warrant, less the number of Warrant Shares with respect to which this Warrant is exercised upon surrender of the Warrant so exercised. No fractional Warrant Shares are to be issued upon the exercise of this Warrant, but rather the number of Warrant Shares to be issued shall be rounded down to the nearest whole number. The Company shall pay any and all transfer, stamp, issuance and similar taxes (but not any United States federal, state or local income taxes) that may be payable with respect to the issuance and delivery of Warrant Shares upon exercise of this Warrant. The Company’s obligations to issue and deliver Warrant Shares in accordance with the terms and subject to the conditions hereof are absolute and unconditional, irrespective of any action or inaction by the Holder to enforce the same, any waiver or consent with respect to any provision hereof, the recovery of any judgment against any Person or any action to enforce the same, or any setoff, counterclaim, recoupment, limitation or termination.

(b) **Exercise Price.** For purposes of this Warrant, “**Exercise Price**” means \$0.01, subject to adjustment as provided herein.

(c) Company's Failure to Timely Deliver Securities. If the Company shall fail, for any reason or for no reason, on or prior to the Share Delivery Date, if the Transfer Agent is not participating in FAST or such shares of Common Stock may not be issued without legends under the Securities Act, to issue and deliver to the Holder (or its designee) a certificate for the number of Warrant Shares to which the Holder is entitled and register such Warrant Shares on the Company's share register or, if the Transfer Agent is participating in FAST and such shares of Common Stock may not be issued without legends under the Securities Act, to credit the balance account of the Holder or the Holder's designee with DTC for such number of Warrant Shares to which the Holder is entitled upon the Holder's exercise of this Warrant (as the case may be) (a "**Delivery Failure**"), then, in addition to all other remedies available to the Holder, (X) the Company shall pay in cash to the Holder on each day after the Share Delivery Date and during such Delivery Failure an amount in cash, as liquidated damages and not as a penalty, equal to 2.0% of the product of (A) the sum of the number of shares of Common Stock not issued to the Holder on or prior to the Share Delivery Date and to which the Holder is entitled, and (B) any trading price of the Common Stock selected by the Holder in writing as in effect at any time during the period beginning on the applicable exercise date and ending on the applicable Share Delivery Date, and (Y) the Holder, upon written notice to the Company, may void its Exercise Notice with respect to, and retain or have returned, as the case may be, any portion of this Warrant that has not been exercised pursuant to such Exercise Notice; provided that the voiding of an Exercise Notice shall not affect the Company's obligations to make any payments which have accrued prior to the date of such notice pursuant to this Section 1(c) or otherwise. In addition to the foregoing, if on or after such Share Delivery Date the Holder purchases (in an open market transaction or otherwise) shares of Common Stock to deliver in satisfaction of a sale by the Holder of all or any portion of the number of shares of Common Stock issuable upon such exercise that the Holder is entitled to receive from the Company (a "**Buy-In**"), then, in addition to all other remedies available to the Holder, the Company shall, within three (3) Business Days after the Holder's request and in the Holder's discretion, either (i) pay cash to the Holder in an amount equal to the Holder's total purchase price (including brokerage commissions and other out-of-pocket expenses, if any) for the shares of Common Stock so purchased (including, without limitation, by any other Person in respect, or on behalf, of the Holder) (the "**Buy-In Price**"), at which point the Company's obligation to so issue and deliver such certificate (and to issue such shares of Common Stock) or credit the balance account of such Holder or such Holder's designee, as applicable, with DTC for the number of Warrant Shares to which the Holder is entitled upon the Holder's exercise hereunder (as the case may be) (and to issue such Warrant Shares) shall terminate, or (ii) promptly honor its obligation to so issue and deliver to the Holder a certificate or certificates representing such Warrant Shares or credit the balance account of such Holder or such Holder's designee, as applicable, with DTC for the number of Warrant Shares to which the Holder is entitled upon the Holder's exercise hereunder (as the case may be) and pay cash to the Holder in an amount equal to the excess (if any) of the Buy-In Price over the product of (A) such number of Warrant Shares multiplied by (B) the Closing Sale Price of the Common Stock on the Share Delivery Date with respect to the related Exercise Notice (the "**Buy-In Payment Amount**"). The Holder shall provide the Company written notice indicating the amounts payable to the Holder in respect of the Buy-In and, upon request of the Company, evidence of the amount of such loss. Nothing shall limit the Holder's right to pursue any other remedies available to it hereunder, at law or in equity, including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver certificates representing shares of Common Stock (or to electronically deliver such shares of Common Stock) upon the exercise of this Warrant as required pursuant to the terms hereof.

(d) Cashless Exercise. Notwithstanding anything contained herein to the contrary (other than Section 1(f) below), the Holder may, in its sole discretion (and without limiting the Holder's rights and remedies contained herein), exercise this Warrant in whole or in part and, subject to the provisions of Section 1(a), in lieu of making the cash payment otherwise contemplated to be made to the Company upon such exercise in payment of the Aggregate Exercise Price, elect instead to receive upon such exercise the "Net Number" of Warrant Shares determined according to the following formula:

$$\text{Net Number} = \frac{(A \times B) - (A \times C)}{B}$$

For purposes of the foregoing formula:

A= the total number of shares with respect to which this Warrant is then being exercised.

B = the quotient of (x) the sum of the VWAP of the Common Stock of each of the five (5) Trading Days ending at the close of business on the Principal Market immediately prior to the time of exercise as set forth in the applicable Exercise Notice, divided by (y) five (5).

C = the Exercise Price then in effect for the applicable Warrant Shares at the time of such exercise.

For purposes of Rule 144(d) promulgated under the Securities Act, as in effect on the date hereof, it is intended that the Warrant Shares issued in a Cashless Exercise shall be deemed to have been acquired by the Holder, and the holding period for the Warrant Shares shall be deemed to have commenced, on the date this Warrant was originally issued pursuant to the Credit Agreement.

(e) Disputes. In the case of a dispute as to the determination of the Exercise Price or the arithmetic calculation of the number of Warrant Shares to be issued pursuant to the terms hereof, the Company shall promptly issue to the Holder the number of Warrant Shares that are not disputed and resolve such dispute in accordance with Section 12.

(f) Limitations on Exercises. Notwithstanding anything to the contrary contained herein, the Company shall not effect the exercise of any portion of this Warrant, and the Holder shall not have the right to exercise any portion of this Warrant, pursuant to the terms and conditions of this Warrant and any such exercise shall be null and void and treated as if never made, to the extent that after giving effect to such exercise, the Holder together with the other Attribution Parties collectively would beneficially own in excess of 4.99% (the “**Maximum Percentage**”) of the number of shares of Common Stock outstanding immediately after giving effect to such exercise. For purposes of the foregoing sentence, the aggregate number of shares of Common Stock beneficially owned by the Holder and the other Attribution Parties shall include the number of shares of Common Stock held by the Holder and all other Attribution Parties plus the number of shares of Common Stock issuable upon exercise of this Warrant with respect to which the determination of such sentence is being made, but shall exclude the number of shares of Common Stock which would be issuable upon (A) exercise of the remaining, unexercised portion of this Warrant beneficially owned by the Holder or any of the other Attribution Parties and (B) exercise or conversion of the unexercised or unconverted portion of any other securities of the Company (including, without limitation, any convertible notes or convertible preferred stock or warrants) beneficially owned by the Holder or any other Attribution Party subject to a limitation on conversion or exercise analogous to the limitation contained in this Section 1(f). For purposes of this Section 1(f), beneficial ownership shall be calculated in accordance with Section 13(d) of the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”). For purposes of this Warrant, in determining the number of outstanding shares of Common Stock the Holder may acquire upon the exercise of this Warrant without exceeding the Maximum Percentage, the Holder may rely on the number of outstanding shares of Common Stock as reflected in (x) the Company’s most recent Annual Report on Form 10-K, Quarterly Report on Form 10-Q, Current Report on Form 8-K or other public filing with the Securities and Exchange Commission (the “**SEC**”), as the case may be, (y) a more recent public announcement by the Company or (z) any other written notice by the Company or the Transfer Agent, if any, setting forth the number of shares of Common Stock outstanding (the “**Reported Outstanding Share Number**”). If the Company receives an Exercise Notice from the Holder at a time when the actual number of outstanding shares of Common Stock is less than the Reported

Outstanding Share Number, the Company shall (i) notify the Holder in writing of the number of shares of Common Stock then outstanding and, to the extent that such Exercise Notice would otherwise cause the Holder's beneficial ownership, as determined pursuant to this Section 1(f), to exceed the Maximum Percentage, the Holder must notify the Company of a reduced number of Warrant Shares to be purchased pursuant to such Exercise Notice (the number of shares by which such purchase is reduced, the "**Reduction Shares**") and (ii) as soon as reasonably practicable, the Company shall return to the Holder any exercise price paid by the Holder for the Reduction Shares. For any reason at any time, upon the written or oral request of the Holder, the Company shall within one (1) Business Day confirm orally and in writing or by electronic mail to the Holder the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to the conversion or exercise of securities of the Company, including this Warrant, by the Holder and any other Attribution Party since the date as of which the Reported Outstanding Share Number was reported. In the event that the issuance of shares of Common Stock to the Holder upon exercise of this Warrant results in the Holder and the other Attribution Parties being deemed to beneficially own, in the aggregate, more than the Maximum Percentage of the number of outstanding shares of Common Stock (as determined under Section 13(d) of the Exchange Act), the number of shares so issued by which the Holder's and the other Attribution Parties' aggregate beneficial ownership exceeds the Maximum Percentage (the "**Excess Shares**") shall be deemed null and void and shall be cancelled ab initio, and the Holder shall not have the power to vote or to transfer the Excess Shares. As soon as reasonably practicable after the issuance of the Excess Shares has been deemed null and void, the Company shall return to the Holder the exercise price paid by the Holder for the Excess Shares. Upon delivery of a written notice to the Company, the Holder may from time to time increase (with such increase not effective until the sixty-first (61st) day after delivery of such notice) or decrease the Maximum Percentage to any other percentage not in excess of 9.99% as specified in such notice; provided that (i) any such increase in the Maximum Percentage will not be effective until the sixty-first (61st) day after such notice is delivered to the Company and (ii) any such increase or decrease will apply only to the Holder and the other Attribution Parties and not to any other holder that is not an Attribution Party of the Holder. For purposes of clarity, the shares of Common Stock issuable pursuant to the terms of this Warrant in excess of the Maximum Percentage shall not be deemed to be beneficially owned by the Holder for any purpose including for purposes of Section 13(d) or Rule 16a-1(a)(1) of the Exchange Act. No prior inability to exercise this Warrant pursuant to this paragraph shall have any effect on the applicability of the provisions of this paragraph with respect to any subsequent determination of exercisability. The provisions of this paragraph shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this Section 1(f) to the extent necessary to correct this paragraph or any portion of this paragraph which may be defective or inconsistent with the intended beneficial ownership limitation contained in this Section 1(f) or to make changes or supplements necessary or desirable to properly give effect to such limitation. The limitation contained in this paragraph may not be waived and shall apply to a successor holder of this Warrant.

(g) Insufficient Authorized Shares. If at any time while this Warrant remains outstanding the Company does not have a sufficient number of authorized and unreserved shares of Common Stock to satisfy its obligation to reserve for issuance upon exercise of this Warrant at least a number of shares of Common Stock equal to the number of shares of Common Stock as shall from time to time be necessary to effect the exercise of all of this Warrant then outstanding (the "**Required Reserve Amount**" and the failure to have such sufficient number of authorized and unreserved shares of Common Stock, an "**Authorized Share Failure**"), then the Company shall as soon as reasonably practicable take all action necessary to increase the Company's authorized shares of Common Stock to an amount sufficient to allow the Company to reserve the Required Reserve Amount for this Warrant then outstanding. Without limiting the generality of the foregoing sentence, as soon as reasonably practicable after the date of the occurrence of an Authorized Share Failure, but in no event later than seventy-five (75) days after the occurrence of such Authorized Share Failure, the Company shall hold a meeting of its stockholders for the approval of an increase in the number of authorized shares of Common Stock. In connection with such

meeting, the Company shall provide each stockholder with a proxy statement and shall use its reasonable best efforts to solicit its stockholders' approval of such increase in authorized shares of Common Stock and to cause its board of directors to recommend to the stockholders that they approve such proposal. In the event that the Company is prohibited from issuing shares of Common Stock upon an exercise of this Warrant due to the failure by the Company to have sufficient shares of Common Stock available out of the authorized but unissued shares of Common Stock (such unavailable number of shares of Common Stock, the "**Authorization Failure Shares**"), in lieu of delivering such Authorization Failure Shares to the Holder, the Company shall pay cash in exchange for the cancellation of such portion of this Warrant exercisable into such Authorization Failure Shares at a price equal to the sum of (i) the product of (x) such number of Authorization Failure Shares and (y) the Closing Sale Price of the Common Stock on the date the Holder delivers the applicable Exercise Notice with respect to such Authorization Failure Shares to the Company; and (ii) to the extent the Holder purchases (in an open market transaction or otherwise) shares of Common Stock to deliver in satisfaction of a sale by the Holder of Authorization Failure Shares, any Buy-In Payment Amount, brokerage commissions and other out-of-pocket expenses, if any, of the Holder incurred in connection therewith. Nothing contained in this Section 1(g) shall limit any obligations of the Company under any provision of the Credit Agreement.

2. ADJUSTMENT OF EXERCISE PRICE AND NUMBER OF WARRANT SHARES. The Exercise Price and the number of Warrant Shares issuable upon exercise of this Warrant are subject to adjustments from time to time as set forth in this Section 2.

(a) Adjustment Upon Subdivision or Combination of Shares of Common Stock. If the Company at any time on or after the Issuance Date subdivides (by any stock split, stock dividend, recapitalization or otherwise) one or more classes of its outstanding shares of Common Stock into a greater number of shares, the Exercise Price in effect immediately prior to such subdivision will be proportionately reduced and the number of Warrant Shares will be proportionately increased. If the Company at any time on or after the Issuance Date combines (by combination, reverse stock split or otherwise) one or more classes of its outstanding shares of Common Stock into a smaller number of shares, the Exercise Price in effect immediately prior to such combination will be proportionately increased and the number of Warrant Shares will be proportionately decreased. Any adjustment under this Section 2(a) shall become effective at the close of business on the date the subdivision or combination becomes effective.

(b) Adjustment to Number of Warrant Shares. Simultaneously with any adjustment to the Exercise Price pursuant to Section 2, the number of Warrant Shares that may be purchased upon exercise of this Warrant shall be increased or decreased proportionately, so that after such adjustment the aggregate Exercise Price payable hereunder for the adjusted number of Warrant Shares shall be the same as the aggregate Exercise Price in effect immediately prior to such adjustment (without regard to any limitations on exercise contained herein).

(c) Par Value. Notwithstanding anything to the contrary in this Warrant, in no event shall the Exercise Price be reduced below the par value of the Company's Common Stock.

(d) Voluntary Adjustment by Company. Subject to Section 2(c), the Company may at any time during the term of this Warrant, with prior written notice to the Holder, reduce the then current Exercise Price to any amount and for any period of time deemed appropriate by the board of directors of the Company.

3. RIGHTS UPON DISTRIBUTION OF ASSETS. In addition to any adjustments pursuant to Section 2 above, if the Company shall declare or make any dividend or other distribution of its assets (or rights to acquire its assets) to holders of shares of Common Stock, by way of return of capital or otherwise (including, without limitation, any distribution of cash, stock or other securities, property,

options, evidence of indebtedness or any other assets by way of a dividend, spin off, reclassification, corporate rearrangement, scheme of arrangement or other similar transaction) (a “**Distribution**”), at any time after the issuance of this Warrant, then, in each such case, the Holder shall be entitled to participate in such Distribution to the same extent that the Holder would have participated therein if the Holder had held the number of shares of Common Stock acquirable upon complete exercise of this Warrant (without regard to any limitations or restrictions on exercise of this Warrant, including without limitation, the Maximum Percentage) immediately before the date on which a record is taken for such Distribution, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the participation in such Distribution (provided, however, that to the extent that the Holder’s right to participate in any such Distribution would result in the Holder and the other Attribution Parties exceeding the Maximum Percentage, then the Holder shall not be entitled to participate in such Distribution to the extent of the Maximum Percentage (and shall not be entitled to beneficial ownership of such shares of Common Stock as a result of such Distribution (and beneficial ownership) to the extent of any such excess) and the portion of such Distribution shall be held in abeyance for the benefit of the Holder until such time or times, if ever, as its right thereto would not result in the Holder and the other Attribution Parties exceeding the Maximum Percentage, at which time or times the Holder shall be granted such Distribution (and any Distributions declared or made on such initial Distribution or on any subsequent Distribution held similarly in abeyance) to the same extent as if there had been no such limitation).

4. PURCHASE RIGHTS; FUNDAMENTAL TRANSACTIONS.

(a) Purchase Rights. In addition to any adjustments pursuant to Section 2 above, if at any time the Company grants, issues or sells any Options, Convertible Securities or rights to purchase stock, warrants, securities or other property pro rata to the record holders of any class of Common Stock (the “**Purchase Rights**”), then the Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which the Holder could have acquired if the Holder had held the number of shares of Common Stock acquirable upon complete exercise of this Warrant (without regard to any limitations or restrictions on exercise of this Warrant, including without limitation, the Maximum Percentage) immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the grant, issuance or sale of such Purchase Rights (provided, however, that to the extent that the Holder’s right to participate in any such Purchase Right would result in the Holder and the other Attribution Parties exceeding the Maximum Percentage, then the Holder shall not be entitled to participate in such Purchase Right to the extent of the Maximum Percentage (and shall not be entitled to beneficial ownership of such shares of Common Stock as a result of such Purchase Right (and beneficial ownership) to the extent of any such excess) and such Purchase Right to such extent shall be held in abeyance for the benefit of the Holder until such time or times, if ever, as its right thereto would not result in the Holder and the other Attribution Parties exceeding the Maximum Percentage, at which time or times the Holder shall be granted such right (and any Purchase Right granted, issued or sold on such initial Purchase Right or on any subsequent Purchase Right held similarly in abeyance) to the same extent as if there had been no such limitation).

(b) Fundamental Transactions. The Company shall not enter into or be party to a Fundamental Transaction unless:

(i) in the event that the Successor Entity (including its Parent Entity) is not a publicly traded entity with common equity quoted on or listed for trading on an Eligible Market and registered under the Exchange Act, the Company or the Successor Entity, as applicable, shall, on or prior to the date of consummation of such Fundamental Transaction, purchase this Warrant from the Holder by paying to the Holder cash in an amount equal to the Black Scholes Going Private Value (without regard to the limitation set forth in Section 1(f)) whereupon the Successor Entity shall have no obligation to assume

the obligations of the Company under this Warrant and the other Loan Documents, including any obligation to deliver to the Holder in exchange for this Warrant any security of the Successor Entity, and

(ii) in the event that the Successor Entity (including its Parent Entity) is a publicly traded entity with common equity quoted on or listed for trading on an Eligible Market and registered under the Exchange Act, the Successor Entity assumes in writing all of the obligations of the Company under this Warrant and the other Loan Documents in accordance with the provisions of this Section 4(b)(ii) pursuant to written agreements in form and substance satisfactory to the Holder and approved by the Holder prior to such Fundamental Transaction, including agreements to deliver to the Holder in exchange for this Warrant a security of the Successor Entity evidenced by a written instrument substantially similar in form and substance to this Warrant, including, without limitation, which is exercisable for a corresponding number of shares of capital stock equivalent to the shares of Common Stock acquirable and receivable upon exercise of this Warrant (without regard to any limitations on the exercise of this Warrant) prior to such Fundamental Transaction, and with an exercise price which applies the exercise price hereunder to such shares of capital stock (but taking into account the relative value of the shares of Common Stock pursuant to such Fundamental Transaction and the value of such shares of capital stock, such adjustments to the number of shares of capital stock and such exercise price being for the purpose of protecting the economic value of this Warrant immediately prior to the consummation of such Fundamental Transaction). Upon the consummation of each Fundamental Transaction described in this Section 4(b)(ii) (each such Fundamental Transaction, a “**Public Fundamental Transaction**”), the Successor Entity shall (x) succeed to, and be substituted for (so that from and after the date of the applicable Public Fundamental Transaction, the provisions of this Warrant and the other Loan Documents referring to the “Company” or the “Borrower” shall refer instead to the Successor Entity), and may exercise every right and power of the Company and shall assume all of the obligations of the Company under this Warrant and the other Loan Documents with the same effect as if such Successor Entity had been named as the Company herein or therein, and (y) deliver to the Holder confirmation that there shall be issued upon exercise of this Warrant at any time after the consummation of the applicable Public Fundamental Transaction, in lieu of the shares of Common Stock (or other securities, cash, assets or other property (except such items still issuable under Sections 3 and 4(a) above, which shall continue to be receivable thereafter)) issuable upon the exercise of this Warrant prior to the applicable Public Fundamental Transaction, such shares of publicly traded common stock (or its equivalent) of the Successor Entity (including its Parent Entity) which the Holder would have been entitled to receive upon the happening of the applicable Public Fundamental Transaction had this Warrant been exercised immediately prior to the applicable Public Fundamental Transaction (without regard to any limitations on the exercise of this Warrant), as adjusted in accordance with the provisions of this Warrant. Notwithstanding the foregoing, and without limiting Section 1(f) hereof, the Holder may elect, at its sole option, by delivery of written notice to the Company to waive this Section 4(b)(ii) to permit the Public Fundamental Transaction without the assumption of this Warrant.

In addition to and not in substitution for any other rights hereunder, prior to the consummation of each Fundamental Transaction pursuant to which holders of shares of Common Stock are entitled to receive securities or other assets with respect to or in exchange for shares of Common Stock (a “**Corporate Event**”), the Company shall make appropriate provision to insure that the Holder will thereafter have the right to receive upon an exercise of this Warrant at any time after the consummation of the applicable Fundamental Transaction but prior to the Expiration Date, in lieu of the shares of the Common Stock (or other securities, cash, assets or other property (except such items still issuable under Sections 3 and 4(a) above, which shall continue to be receivable thereafter)) issuable upon the exercise of the Warrant prior to such Fundamental Transaction, such shares of stock, securities, cash, assets or any other property whatsoever (including warrants or other purchase or subscription rights) which the Holder would have been entitled to receive upon the happening of the applicable Fundamental Transaction had this Warrant been exercised immediately prior to the applicable Fundamental Transaction (without regard to any limitations

on the exercise of this Warrant). Provision made pursuant to the preceding sentence shall be in a form and substance reasonably satisfactory to the Holder.

(c) Holder Optional Redemptions. Notwithstanding the foregoing and the provisions of Section 4(b)(ii) above, at the request of the Holder delivered at any time commencing on the earliest to occur of (x) the public disclosure of any Public Fundamental Transaction, (y) the consummation of any Public Fundamental Transaction and (z) the Holder first becoming aware of any Public Fundamental Transaction through the date that is ninety (90) days after the public disclosure of the consummation of such Public Fundamental Transaction by the Company pursuant to a Current Report on Form 8-K filed with the SEC, the Company or the Successor Entity (as the case may be) shall purchase this Warrant from the Holder on the date of such request by paying to the Holder cash in an amount equal to the Black Scholes Value. Payment of such amounts shall be made by the Company (or at the Company's direction) to the Holder on or prior to the later of (x) the second (2nd) Trading Day after the date of such request and (y) the date of consummation of such Public Fundamental Transaction.

(d) Application. The provisions of this Section 4 shall apply similarly and equally to successive Fundamental Transactions and Corporate Events and shall be applied as if this Warrant (and any such subsequent warrants) were fully exercisable and without regard to any limitations on the exercise of this Warrant (provided that the Holder shall continue to be entitled to the benefit of the Maximum Percentage, applied however with respect to shares of capital stock registered under the Exchange Act and thereafter receivable upon exercise of this Warrant (or any such other warrant)).

5. NONCIRCUMVENTION. The Company hereby covenants and agrees that the Company will not, by amendment of its Certificate of Incorporation or Bylaws, or through any reorganization, transfer of assets, consolidation, merger, scheme of arrangement, dissolution, issuance or sale of securities, or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, and will at all times in good faith carry out all of the provisions of this Warrant and take all action as may be required to protect the rights of the Holder. Without limiting the generality of the foregoing, the Company (i) shall not increase the par value of any shares of Common Stock receivable upon the exercise of this Warrant above the Exercise Price then in effect, (ii) shall take all such actions as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable shares of Common Stock upon the proper exercise of this Warrant by the Holder, and (iii) shall, so long as this Warrant is outstanding, take all action necessary to reserve and keep available out of its authorized and unissued shares of Common Stock, solely for the purpose of effecting the exercise of this Warrant, the number of shares of Common Stock as shall from time to time be necessary to effect the exercise of this Warrant (without regard to any limitations on exercise). Notwithstanding anything herein to the contrary, if after the sixty (60) calendar day anniversary of the Issuance Date, the Holder is not permitted to exercise this Warrant in full for any reason (other than pursuant to restrictions set forth in Section 1(f) hereof), the Company shall use its reasonable best efforts to promptly remedy such failure, including, without limitation, obtaining such consents or approvals as necessary to permit such exercise into shares of Common Stock.

6. WARRANT HOLDER NOT DEEMED A STOCKHOLDER. Except as otherwise specifically provided herein, the Holder, solely in such Person's capacity as a holder of this Warrant, shall not be entitled to vote or receive dividends or be deemed the holder of share capital of the Company for any purpose, nor shall anything contained in this Warrant be construed to confer upon the Holder, solely in such Person's capacity as the Holder of this Warrant, any of the rights of a stockholder of the Company or any right to vote, give or withhold consent to any corporate action (whether any reorganization, issue of stock, reclassification of stock, consolidation, merger, conveyance or otherwise), receive notice of meetings, receive dividends or subscription rights, or otherwise, prior to the issuance to the Holder of the Warrant Shares which such Person is then entitled to receive upon the due exercise of this Warrant. In

addition, nothing contained in this Warrant shall be construed as imposing any liabilities on the Holder to purchase any securities (upon exercise of this Warrant or otherwise) or as a stockholder of the Company, whether such liabilities are asserted by the Company or by creditors of the Company. Notwithstanding this Section 6, the Company shall provide the Holder with copies of the same notices and other information given to the stockholders of the Company generally, contemporaneously with the giving thereof to the stockholders.

7. REISSUANCE OF WARRANTS.

(a) Transfer of Warrant. If this Warrant is to be transferred and reissued to the transferee, the Holder shall surrender this Warrant to the Company together with a written assignment of this Warrant substantially in the form attached hereto duly executed by the Holder or its agent or attorney and funds sufficient to pay any transfer taxes payable upon the making of such transfer, whereupon the Company will forthwith issue and deliver upon the order of the Holder a new Warrant (in accordance with Section 7(d)), registered as the Holder may request, representing the right to purchase the number of Warrant Shares being transferred by the Holder and, if less than the total number of Warrant Shares then underlying this Warrant is being transferred, a new Warrant (in accordance with Section 7(d)) to the Holder representing the right to purchase the number of Warrant Shares not being transferred. For the avoidance of doubt, this Section 7(a) will not apply to a sale, transfer, pledge or assignment of this Warrant that does not involve a reissuance of this Warrant.

(b) Lost, Stolen or Mutilated Warrant. Upon receipt by the Company of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of this Warrant (as to which a written certification and the indemnification contemplated below shall suffice as such evidence), and, in the case of loss, theft or destruction, of any indemnification undertaking by the Holder to the Company in customary and reasonable form and, in the case of mutilation, upon surrender and cancellation of this Warrant, the Company shall execute and deliver to the Holder a new Warrant (in accordance with Section 7(d)) representing the right to purchase the Warrant Shares then underlying this Warrant.

(c) Exchangeable for Multiple Warrants. This Warrant is exchangeable, upon the surrender hereof by the Holder at the principal office of the Company, for a new Warrant or Warrants (in accordance with Section 7(d)) representing in the aggregate the right to purchase the number of Warrant Shares then underlying this Warrant, and each such new Warrant will represent the right to purchase such portion of such Warrant Shares as is designated by the Holder at the time of such surrender; provided, however, that no warrants for fractional shares of Common Stock shall be given.

(d) Issuance of New Warrants. Whenever the Company is required to issue a new Warrant pursuant to the terms of this Warrant, such new Warrant (i) shall be of like tenor with this Warrant, (ii) shall represent, as indicated on the face of such new Warrant, the right to purchase the Warrant Shares then underlying this Warrant (or in the case of a new Warrant being issued pursuant to Section 7(a) or Section 7(c), the Warrant Shares designated by the Holder which, when added to the number of shares of Common Stock underlying the other new Warrants issued in connection with such issuance, does not exceed the number of Warrant Shares then underlying this Warrant), (iii) shall have an issuance date, as indicated on the face of such new Warrant which is the same as the Issuance Date, and (iv) shall have the same rights and conditions as this Warrant.

8. NOTICES OF CHANGES IN WARRANT. Whenever notice is required to be given under this Warrant, unless otherwise provided herein, such notice shall be given in accordance with Section 8.2 of the Credit Agreement. Upon every adjustment of the Exercise Price or the number of shares of Common Stock issuable upon exercise of a Warrant, the Company shall give written notice thereof to

the Holders, which notice shall state the Exercise Price resulting from such adjustment and the increase or decrease, if any, in the number of Warrant Shares purchasable at such price upon the exercise of a Warrant, setting forth in reasonable detail the method of calculation and the facts upon which such calculation is based.

9. AMENDMENT AND WAIVER. Except as otherwise provided herein, the provisions of this Warrant may be amended or waived and the Company may take any action herein prohibited, or omit to perform any act herein required to be performed by it, only if the Company has obtained the written consent of (i) the Holder, if there is one Holder, or (ii) the Holder or Holders of the Warrant or Warrants representing the majority of Warrant Shares if there is more than one Holder, and with respect to any amendment, the amendment is in writing and signed by the Company and the Holder.

10. GOVERNING LAW; JURISDICTION; JURY TRIAL. This Warrant shall be governed by and construed and enforced in accordance with, and all questions concerning the construction, validity, interpretation and performance of this Warrant shall be governed by, the internal laws of the State of New York, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of New York or any other jurisdictions) that would cause the application of the laws of any jurisdictions other than the State of New York. The Company and the Holder each hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in The City of New York, Borough of Manhattan, for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is brought in an inconvenient forum or that the venue of such suit, action or proceeding is improper. The Company and the Holder each hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof to the Company or such Holder, as applicable at the address set forth in Section 8.2 of the Credit Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law. Nothing contained herein shall be deemed or operate to preclude the Holder from bringing suit or taking other legal action against the Company in any other jurisdiction to collect on the Company's obligations to the Holder, to realize on any collateral or any other security for such obligations, or to enforce a judgment or other court ruling in favor of the Holder. **THE COMPANY HEREBY AND THE HOLDER EACH IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE, AND AGREES NOT TO REQUEST, A JURY TRIAL FOR THE ADJUDICATION OF ANY DISPUTE HEREUNDER OR IN CONNECTION WITH OR ARISING OUT OF THIS WARRANT OR ANY TRANSACTION CONTEMPLATED HEREBY.**

11. CONSTRUCTION; HEADINGS; BUSINESS DAYS. This Warrant shall be deemed to be jointly drafted by the Company and the Holder and shall not be construed against any Person as the drafter hereof. The headings of this Warrant are for convenience of reference and shall not form part of, or affect the interpretation of, this Warrant. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a Business Day, then, such action may be taken or such right may be exercised on the next succeeding Business Day.

12. DISPUTE RESOLUTION. In the case of a dispute as to the determination of the Exercise Price or the arithmetic calculation of the Warrant Shares, the Company shall submit the disputed determinations or arithmetic calculations via facsimile or electronic mail within two (2) Business Days of receipt of the Exercise Notice giving rise to such dispute, as the case may be, to the Holder. If the Holder and the Company are unable to agree upon such determination or calculation of the Exercise Price or the Warrant Shares within three (3) Business Days of such disputed determination or arithmetic calculation being submitted to the Holder, then the Company shall, within two (2) Business Days submit via facsimile

or electronic mail the dispute to a nationally recognized accounting firm selected by the Holder and reasonably satisfactory to the Company. If the Company does not object in writing to the selection of the accounting firm within two (2) Business Days of notice of the Holder's selection, the Company will have deemed to have consented to such selection. If the Company does object, the Company shall provide the Holder its rationale for such rejection and five (5) acceptable alternative firms. The Company shall cause at its expense the accepted accounting firm to perform the determinations or calculations and notify the Company and the Holder of the results no later than three (3) Business Days from the time it receives the disputed determinations or calculations. Such accounting firm's determination or calculation, as the case may be, shall be binding upon all parties absent demonstrable error. In the event that the accounting firm resolves the dispute in the Holder's favor, a Delivery Failure will be deemed to have occurred and the Buy- In and other remedies available to the Holder under Section 1(c) will apply.

13. REMEDIES, OTHER OBLIGATIONS, BREACHES AND INJUNCTIVE RELIEF. The remedies provided in this Warrant shall be cumulative and in addition to all other remedies available under this Warrant and the other Loan Documents, at law or in equity (including a decree of specific performance and/or other injunctive relief), and nothing herein shall limit the right of the Holder to pursue actual damages for any failure by the Company to comply with the terms of this Warrant. The Company acknowledges that a breach by it of its obligations hereunder will cause irreparable harm to the Holder and that the remedy at law for any such breach may be inadequate. The Company therefore agrees that, in the event of any such breach or threatened breach, the Holder shall be entitled, in addition to all other available remedies, to an injunction restraining any breach, without the necessity of showing economic loss and without any bond or other security being required.

14. TRANSFER. This Warrant and the Warrant Shares may be offered for sale, sold, transferred, pledged or assigned without the consent of the Company, subject to compliance with applicable state and federal securities laws. The Holder acknowledges that the Warrant Shares acquired upon the exercise of this Warrant, if not registered, and the Holder does not utilize cashless exercise, will have restrictions upon resale imposed by state and federal securities laws.

15. SEVERABILITY. If any provision of this Warrant is prohibited by law or otherwise determined to be invalid or unenforceable by a court of competent jurisdiction, the provision that would otherwise be prohibited, invalid or unenforceable shall be deemed amended to apply to the broadest extent that it would be valid and enforceable, and the invalidity or unenforceability of such provision shall not affect the validity of the remaining provisions of this Warrant so long as this Warrant as so modified continues to express, without material change, the original intentions of the parties as to the subject matter hereof and the prohibited nature, invalidity or unenforceability of the provision(s) in question does not substantially impair the respective expectations or reciprocal obligations of the parties or the practical realization of the benefits that would otherwise be conferred upon the parties. The parties will endeavor in good faith negotiations to replace the prohibited, invalid or unenforceable provision(s) with a valid provision(s), the effect of which comes as close as possible to that of the prohibited, invalid or unenforceable provision(s).

16. NO DISCLOSURE. The Company shall not provide material, non-public information or confidential or proprietary information to the Holder without such Holder's written consent.

17. REPRESENTATIONS OF HOLDERS.

(a) Investment Intent. Each Holder represents and warrants that it is acquiring this Warrant and the Warrant Shares (collectively, the "**Securities**"), solely for its beneficial account, for investment purposes, and not with a view to, or for resale in connection with, any distribution of the Securities in violation of applicable securities laws.

(b) Unregistered Securities. Each Holder represents and warrants that it understands that the Securities have not been registered under the Securities Act or any state securities laws by reason of specific exemptions under the provisions thereof, the availability of which depend in part upon the bona fide nature of its investment intent and upon the accuracy of its representations made herein.

(c) Reliance. Each Holder represents and warrants that it understands that the Company is relying in part upon the representations and agreements of the Holders contained herein for the purpose of determining whether the offer, sale and issuance of the Securities meet the requirements for such exemptions described in Section 17(b).

(d) Accredited Investor. Each Holder represents and warrants that it is an “accredited investor” as defined in Rule 501(a) under the Securities Act.

(e) Sophisticated Investor. Each Holder represents and warrants that it has such knowledge, skill and experience in business, financial and investment matters that it is capable of evaluating the merits and risks of an investment in the Securities, including experience in and knowledge of the industry in which the Company operates.

(f) Restricted Securities. Each Holder represents and warrants that it understand that the Securities will be “restricted securities” under applicable federal securities laws and that the Securities Act and the rules of the SEC provide in substance that it may dispose of the Securities only pursuant to an effective registration statement under the Securities Act or an exemption therefrom.

(g) Information. Each Holder represents and warrants that it has been furnished by the Company all information (or provided access to all information) regarding the business and financial condition of the Company, the attributes of the Securities, and the merits and risks of an investment in such Securities which it has requested or otherwise needs to evaluate the investment in such Securities; that in making the proposed investment decision, such Holder is relying solely on such information, the representations, warranties and agreements of the Company and the other Loan Parties contained herein and in the other Loan Documents and on investigations made by it and its representatives; that the offer to sell the Securities hereunder was communicated to such Holder in such a manner that it was able to ask questions of and receive answers from the management of the Company concerning the terms and conditions of the proposed transaction and that at no time was it presented with or solicited by or through any leaflet, public promotional meeting, television advertisement or any other form of general or public advertising or solicitation; and such Holder recognizes that an investment in the Securities involves risks and can result in a total loss of all funds invested.

(h) Non-Reliance. Notwithstanding anything in this Warrant to the contrary, each Holder hereby acknowledges, with respect to itself, that the Company may possess material non-public information with respect to the Company and/or its securities not known to each Holder as of the date hereof or at a time when each Holder exercises its right to purchase Warrant Shares pursuant to this Warrant and that any such information may impact the value of the Warrant and the Warrant Shares. Each Holder with respect to itself irrevocably waives any claim, or potential claim, that it may have based on the failure of the Company or its Affiliates, officers, directors, employees, agents or other representatives to disclose such information in connection with the execution and delivery of this Warrant or the purchase of Warrant Shares hereunder; *provided, however*, notwithstanding anything in this Section 17(h) or otherwise to the contrary, each Holder does not and shall not be deemed to have waived or otherwise compromised any rights or claims based upon or arising out of (i) the Company’s disclosure obligations under the federal securities laws with respect to any untrue statement of a material fact or omission to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading in any public statement or filing made by the Company pursuant to the Exchange Act, or (ii)

any breach or inaccuracy of any representation or warranty of the Company or any other Loan Party in the Credit Agreement or any other Loan Document. Each Holder with respect to itself acknowledges that the Company would not enter into this Warrant in the absence of the agreements set forth in this Section 17.

18. REPRESENTATIONS OF THE COMPANY. The Company represents and warrants to the Holder that:

(a) The Company (i) is duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation; (ii) has the requisite power and authority to own, lease and operate its properties, to carry on its business as it is now being conducted and to enter into, deliver and perform its obligations under this Warrant; and (iii) is duly licensed or qualified to conduct its business and, if applicable, is in good standing under the laws of each jurisdiction (other than its jurisdiction of incorporation) in which the conduct of its business or the ownership of its properties or assets requires such license or qualification, except, with respect to the foregoing clause (iii), where the failure to be in good standing would not reasonably be expected to have a Company Material Adverse Effect. For purposes of this Warrant, a “**Company Material Adverse Effect**” means an event, change, development, occurrence, condition or effect with respect to the Company and its subsidiaries, taken together as a whole (on a consolidated basis), that, individually or in the aggregate, (A) would reasonably be expected to have a material adverse effect on the business, financial condition or results of operations of the Company and its subsidiaries, taken together as a whole (on a consolidated basis) or (B) would prevent, materially delay or materially impede the performance by the Company or its subsidiaries of their respective obligations under this Warrant or the other Loan Documents.

(b) This Warrant is duly authorized, validly issued and constitutes legal, valid and binding obligations of the Company, enforceable against the Company in accordance with its terms, except that the enforcement thereof may be subject to applicable bankruptcy, insolvency or similar laws affecting creditors’ rights generally or by equitable principles relating to enforceability (collectively, the “**Enforceability Exceptions**”), and has not been issued in violation of any preemptive rights created under the Company’s organizational documents or the laws of the State of Delaware.

(c) The Warrant Shares have been duly authorized and, when issued and delivered to the Holder upon conversion of this Warrant, will be validly issued, fully paid and nonassessable and will not have been issued in violation of any preemptive rights created under the Company’s organizational documents or the laws of the State of Delaware.

(d) The execution and delivery of this Warrant, the issuance and delivery of the Warrant Shares in accordance with the terms hereof and the compliance by the Company with all of the provisions of this Warrant and the consummation of the transactions contemplated herein will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of the Company pursuant to the terms of (i) any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which the Company is a party or by which the Company is bound or to which any of the property or assets of the Company is subject; (ii) the organizational documents of the Company; or (iii) any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over the Company or any of its properties that, in the case of clauses (i) and (iii), would reasonably be expected to have a Company Material Adverse Effect or have a material adverse effect on the Company’s ability to consummate the transactions contemplated hereby.

(e) Assuming the accuracy of the representations and warranties of the Holder, the Company is not required to obtain any consent, waiver, authorization or order of, give any

notice to, or make any filing or registration with, any court or other federal, state, local or other governmental authority, self-regulatory organization (including the Nasdaq Stock Market) or other person in connection with the execution, delivery and performance of this Warrant, other than (i) filings required by applicable state securities laws, (ii) the filing of the registration statement pursuant to the First Amendment Registration Rights Agreement, (iii) the filing of a Notice of Exempt Offering of Securities on Form D with the SEC, if applicable and (iv) those the failure of which to obtain would not be reasonably likely to have a Company Material Adverse Effect or have a material adverse effect on the Company's ability to consummate the transactions contemplated hereby.

(f) As of their respective dates, all reports required to be filed by the Company with the SEC (the "**SEC Reports**") complied in all material respects with the requirements of the Exchange Act, and the rules and regulations of the SEC promulgated thereunder, and none of the SEC Reports, when filed, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The financial statements of the Company included in the SEC Reports comply in all material respects with applicable accounting requirements and the rules and regulations of the SEC with respect thereto as in effect at the time of filing and fairly present in all material respects the financial position of the Company as of and for the dates thereof and the results of operations and cash flows for the periods then ended, subject, in the case of unaudited statements, to normal, year-end audit adjustments.

(g) Except for such matters as have not had and would not be reasonably likely to have a Company Material Adverse Effect or have a material adverse effect on the Company's ability to consummate the transactions contemplated hereby, there is no (i) suit, action, investigation, proceeding or arbitration before a governmental authority or arbitrator pending, or, to the knowledge of the Company, threatened in writing against the Company or any of its directors or officers in their capacities as such or (ii) judgment, decree, injunction, ruling or order of any governmental authority or arbitrator outstanding against the Company or any of its directors or officers in their capacities as such.

(h) Except for such matters as have not had and would not be reasonably likely to have a Company Material Adverse Effect or have a material adverse effect on the Company's ability to consummate the transactions contemplated hereby, the Company is, and has been since its inception, in compliance with all laws applicable to the conduct of the business of the Company. The Company has not received any written, or to its knowledge, other communication from a governmental entity that alleges that the Company is not in compliance with or is in default or violation of any applicable law, except where such noncompliance, default or violation would not be reasonably expected to have, individually or in the aggregate, a Company Material Adverse Effect.

(i) The Company has all franchises, permits, licenses and any similar authority necessary for the conduct of its business as now being conducted by it, the lack of which would have a material adverse effect, and to the Company's knowledge, the Company is not in default in any material respect under any of such franchises, permits, licenses or other authority.

(j) There is no action, suit, proceeding or investigation pending or, to the Company's knowledge, currently threatened in writing against the Company that questions the validity of this Warrant or the right of the Company to enter into this Warrant, or to consummate the transactions contemplated hereby, or that might result, if determined adversely to the Company, in a material adverse effect, or in any material change in the current equity ownership of the Company.

(k) To the Company's knowledge, the Company owns or possesses sufficient legal rights to all (a) patents, patent applications and inventions; (b) trademarks, service marks, trade names,

trade dress, logos, domain names or corporate names and registrations and applications for registration thereof, together with all of the goodwill associated therewith; (c) copyrights (registered or unregistered) and copyrightable works and registrations and applications for registrations thereof; (d) computer software, data, and databases and documentation thereof; (e) trade secrets and other confidential information; and (f) licenses, information and proprietary rights and processes necessary for its business as now conducted. The Company has not received any written communications alleging that the Company has violated or, by conducting its business as proposed, would violate any of the patents, trademarks, service marks, trade names, copyrights or trade secrets or other proprietary rights of any other person or entity.

REGISTRATION RIGHTS AGREEMENT

This REGISTRATION RIGHTS AGREEMENT (this “Agreement”) is made as of March 31, 2023, by and among Presto Automation Inc., a Delaware corporation (“Pubco”), and each of the Persons listed on the Schedule of Investors attached hereto as of the date hereof (each an “Investor” and, collectively, the “Investors”). Unless otherwise provided in this Agreement, capitalized terms used herein shall have the meanings set forth in Section 11 hereof.

WHEREAS, Pubco entered into that certain credit agreement (as amended, restated, supplemented or otherwise modified from time to time, the “Credit Agreement”), dated September 21, 2022 with certain lending parties; and

WHEREAS, Pubco entered into an amended and restated fee letter (the “Fee Letter”), dated March 31, 2023, by and among E La Carte, LLC, a Delaware limited liability company, Pubco and Metropolitan Partners Group Administration LLC, a Delaware limited liability company, in connection with a first amendment to the Credit Agreement, dated as of the same date as the Fee Letter, pursuant to which Pubco issued warrants to purchase common stock, with an exercise price of \$0.01 per share, to the Investors (the “Amendment Warrants”).

NOW, THEREFORE, in consideration of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties to this Agreement hereby agree as follows:

1. Resale Shelf Registration Rights.

(a) Registration Statement Covering Resale of Registrable Securities. Pubco shall use its reasonable best efforts to prepare and file or cause to be prepared and filed with the Commission, no later than 30 days following the date hereof (the “Filing Deadline”), a Registration Statement for an offering to be made on a continuous basis pursuant to Rule 415 of the Securities Act registering the resale from time to time by the Investors of all of the Registrable Securities held by the Investors (the “Resale Shelf Registration Statement”). The Resale Shelf Registration Statement shall be on Form S-1; provided, that Pubco shall file, within 30 days of such time as Form S-3 (“Form S-3”) is available for the Resale Shelf Registration Statement, a post-effective amendment to the Resale Shelf Registration Statement then in effect, or otherwise file a Registration Statement on Form S-3, registering the Registrable Securities for resale in accordance with the immediately preceding sentence on Form S-3 (provided that Pubco shall maintain the effectiveness of the Registration Statement then in effect until such time as a Registration Statement (or post-effective amendment) on Form S-3 covering such Registrable Securities has been declared effective by the Commission). Pubco shall use reasonable best efforts to cause the Resale Shelf Registration Statement to be declared effective as soon as possible after filing, but in no event later than the earlier of (i) 60 days following the Filing Deadline and (ii) three Business Days after the Commission notifies Pubco that it will not review the Resale Shelf Registration Statement, if applicable (the “Effectiveness Deadline”); provided, that, if the Registration Statement filed pursuant to this Section 1(a) is reviewed by, and Pubco receives comments from, the Commission with respect to such Registration Statement, the Effectiveness Deadline shall be extended to 90 days following the Filing Deadline. Without limiting the foregoing, as soon as practicable, but in no event later than three Business Days, following the resolution or clearance of all Commission comments or, if applicable, following notification by the Commission that any such Registration Statement or any amendment thereto will not be subject to review, Pubco shall file a request for acceleration of effectiveness of such Registration Statement (to the extent required, by declaration or ordering of effectiveness, of such Registration Statement or amendment by the Commission) to a time and date not later than two Business days after the submission of such request. Once effective, Pubco shall use reasonable best efforts to keep the Resale Shelf Registration Statement continuously effective and to be supplemented and amended to the extent necessary to ensure that such Registration Statement is available or, if not available, to ensure that another Registration Statement is available, under the Securities Act at all times for the public resale of all of the Registrable Securities until such date as all Registrable Securities covered by the Resale Shelf Registration Statement have been disposed of in accordance with the intended method(s) of distribution set forth in such Registration Statement. The Resale Shelf Registration Statement shall contain a Prospectus in such form as to permit any Investor to sell such Registrable Securities pursuant to Rule 415 under the Securities Act (or any successor or similar provision adopted by the Commission then in effect) at any time beginning on the effective date for such Registration Statement, and Pubco

shall file with the Commission the final form of such Prospectus pursuant to Rule 424 (or successor thereto) under the Securities Act no later than the first Business Day after the Resale Shelf Registration Statement becomes effective. The Resale Shelf Registration Statement shall provide that the Registrable Securities may be sold pursuant to any method or combination of methods legally available to, and requested by, the Investors.

(b) Notwithstanding the registration obligations set forth in this Section 1, in the event that, despite Pubco's efforts to include all of the Registrable Securities in any Registration Statement filed pursuant to Section 1(a), the Commission informs Pubco (the "Commission's Notice") that all of the Registrable Securities cannot, as a result of the application of Rule 415 or otherwise, be registered for resale as a secondary offering on a single Registration Statement, Pubco agrees to promptly (i) inform each of the holders thereof and use its reasonable best efforts to file amendments to the Resale Shelf Registration Statement as required by the Commission and (ii) as soon as practicable but in no event later than the New Registration Statement Filing Deadline, file an additional Registration Statement (a "New Registration Statement"), on Form S-3, or if Form S-3 is not then available to Pubco for such Registration Statement, on such other form available to register for resale the Registrable Securities as a secondary offering; provided, however, that prior to filing such amendment or New Registration Statement, Pubco shall be obligated to use its reasonable best efforts to advocate with the Commission for the registration of all of the Registrable Securities in accordance with any publicly-available written or oral guidance, comments, requirements or requests of the Commission staff (the "SEC Guidance"), including without limitation, the Manual of Publicly Available Telephone Interpretations D.29. The Investors shall have the right to participate or have their respective legal counsel participate in any meetings or discussions with the Commission regarding the Commission's position and to comment or have their respective counsel comment on any written submission made to the Commission with respect thereto. No such written submission shall be made to the Commission to which any Investor's counsel reasonably objects. Notwithstanding any other provision of this Agreement, if any SEC Guidance sets forth a limitation of the number of Registrable Securities permitted to be registered on a particular Registration Statement as a secondary offering, unless otherwise directed in writing by a holder as to its Registrable Securities directing the inclusion of less than such holder's pro rata amount or otherwise required by the SEC, the number of Registrable Securities to be registered on such Registration Statement will be reduced on a pro rata basis based on the total number of Registrable Securities held by the Investors. In the event Pubco amends the Resale Shelf Registration Statement or files a New Registration Statement, as the case may be, under clauses (i) or (ii) above, Pubco will use its reasonable best efforts to file with the Commission, as promptly as allowed by Commission or SEC Guidance provided to Pubco or to registrants of securities in general, one or more Registration Statements on Form S-3 or such other form available to register for resale those Registrable Securities that were not registered for resale on the Resale Shelf Registration Statement, as amended, or the New Registration Statement. If Pubco shall not be able to register for resale all of the Registrable Securities on the Resale Shelf Registration Statement within three months following the date of Pubco's receipt of the Commission's Notice, then, until such Resale Shelf Registration Statement is effective, the Majority Investors shall be entitled to demand registration rights pursuant to Section 2 below.

(c) Registrations effected pursuant to this Section 1 shall not be counted as Demand Registrations effected pursuant to Section 2.

(d) No Investor shall be named as an "underwriter" in any Registration Statement filed pursuant to this Section 1 without the Investor's prior written consent; provided that if the Commission requests that an Investor be identified as a statutory underwriter in the Registration Statement, then such Investor will have the option, in its sole and absolute discretion, to either (i) have the opportunity to withdraw from the Registration Statement upon its prompt written request to Pubco, in which case Pubco's obligation to register such Investor's Registrable Securities shall be deemed satisfied or (ii) be included as such in the Registration Statement. Each Registration Statement (and each amendment or supplement thereto, and each request for acceleration of effectiveness thereof) shall be provided to (and shall be subject to the approval, which shall not be unreasonably withheld or delayed, of) the Investors prior to its filing with, or other submission to, the Commission; provided that, Pubco shall not be deemed to be in breach of any Effectiveness Deadline or other deadline set forth in this Agreement if the failure of Pubco to meet such deadline is the result of an Investor's failure to approve such Registration Statement or amendment or supplement thereto or request for acceleration thereof.

(e) In the event that on any Trading Day (as defined below) (the "Registration Trigger Date") the number of shares available under the Registration Statements filed pursuant to this Section 1 is insufficient to cover all of the Registrable Securities (without giving effect to any limitations on the exercise or conversion of any securities

exercisable for, or convertible into, Registrable Securities and, in the case of Registrable Securities issuable upon the exercise of warrants, assuming the exercise of such warrants for cash), Pubco shall amend such Registration Statements, or file a new Registration Statement (on the short form available therefor, if applicable), or both, so as to cover the total number of Registrable Securities so issued or issuable (without giving effect to any limitations on the exercise or conversion of any securities exercisable for, or convertible into, Registrable Securities and, in the case of Registrable Securities issuable upon the exercise of warrants, assuming the exercise of such warrants for cash) as of the Registration Trigger Date as soon as practicable, but in any event within fifteen (15) days after the Registration Trigger Date. Pubco shall use its reasonable best efforts to cause such amendment and/or new Registration Statement to become effective as soon as practicable following the filing thereof, but in any event Pubco shall cause such amendment and/or new Registration Statement to become effective within 60 days of the Registration Trigger Date (or 90 days if the applicable Registration Statement or amendment is reviewed by, and comments are thereto provided from, the Commission) or as promptly as practicable in the event Pubco is required to increase its authorized shares. “Trading Day” shall mean any day on which the Common Stock is traded for any period on the principal securities exchange or other securities market on which the Common Stock is then being traded.

2. Demand Registrations.

(a) Requests for Registration. Provided that Pubco does not then have an effective Registration Statement outstanding covering all of the Registrable Securities, the holders of Registrable Securities may request registration under the Securities Act of all or any portion of their Registrable Securities on Form S-1 or any similar long-form registration statement (“Long-Form Registrations”) or, if available, on Form S-3 (including a shelf registration pursuant to Rule 415 under the Securities Act) or any similar short-form registration statement, including an automatic shelf registration statement (as defined in Rule 405) (an “Automatic Shelf Registration Statement”), if available to Pubco (“Short-Form Registrations”), in accordance with Section 2(b) and Section 2(c) below (such holders being referred to herein as the “Initiating Investors” and all registrations requested by the Initiating Investors being referred to herein as “Demand Registrations”). Each request for a Demand Registration shall specify the approximate number of Registrable Securities requested to be registered and the intended method of distribution. Subject to Sections 10(a) and 10(b) (collectively, the “MNPI Provisions”), within five Business Days after receipt of any such request, Pubco shall give written notice of such requested registration to all other holders of Registrable Securities and, subject to the terms and conditions set forth herein, shall include in such registration (and in all related registrations and qualifications under state blue sky laws or in compliance with other registration requirements and in any related underwriting) all such Registrable Securities with respect to which Pubco has received written requests for inclusion therein within five Business Days after the receipt of Pubco’s notice. Each holder of Registrable Securities agrees that such holder shall treat as confidential the receipt of the notice of Demand Registration and shall not disclose or use the information contained in such notice of Demand Registration without the prior written consent of Pubco until such time as the information contained therein is or becomes available to the public generally, other than as a result of disclosure by the holder in breach of the terms of this Agreement.

(b) Long-Form Registrations. The Majority Investors may request two Long-Form Registrations in which Pubco shall pay all Registration Expenses whether or not any such Long-Form Registration has become effective, provided that if Pubco has already effected a Demand Registration (which became effective) in the preceding 45-day period. A registration shall not count as one of the permitted Long-Form Registrations until it has become effective and unless the holders of Registrable Securities are able to register and sell at least 90% of the Registrable Securities requested to be included in such registration; provided that in any event Pubco shall pay all Registration Expenses in connection with any registration initiated as a Long-Form Registration whether or not it has become effective and whether or not such registration has counted as one of the permitted Long-Form Registrations hereunder.

(c) Short-Form Registrations. In addition to the Long-Form Registration provided pursuant to Section 2(b), the Majority Investors shall be entitled to request Short-Form Registrations in which Pubco shall pay all Registration Expenses whether or not any such Short-Form Registration has become effective; provided, however, that Pubco shall not be obligated to effect any such Short-Form Registration: (x) if Pubco has already effected three Short-Form Registrations (which became effective) for the holders of Registrable Securities requesting a Short-Form Registration pursuant to this Section 2(c), or (y) if Pubco has already effected a Demand Registration (which became effective) in the preceding 90-day period. Demand Registrations shall be Short-Form Registrations whenever Pubco is permitted to use any applicable short form registration and if the managing underwriters (if any) agree to the use of a Short-Form Registration. For so long as Pubco is subject to the reporting requirements of the Exchange Act, Pubco

shall use its reasonable best efforts to make Short-Form Registrations available for the offer and sale of Registrable Securities. If Pubco is qualified to and, pursuant to the request of the holders of a majority of the Registrable Securities, has filed with the Commission a Registration Statement under the Securities Act on Form S-3 pursuant to Rule 415 (a “Shelf Registration”), then Pubco shall use its reasonable best efforts to cause the Shelf Registration to be declared effective under the Securities Act as soon as practicable after filing, and, if Pubco is a WKSI at the time of any such request, to cause such Shelf Registration to be an Automatic Shelf Registration Statement, and once effective, Pubco shall cause such Shelf Registration to remain effective (including by filing a new Shelf Registration, if necessary) for a period ending on the earlier of (i) the date on which all Registrable Securities included in such registration have been sold or distributed pursuant to the Shelf Registration or (ii) the date as of which all of the Registrable Securities included in such registration are able to be sold within a 45-day period in compliance with Rule 144 under the Securities Act (without any restrictions as to volume or the manner of sale or otherwise and without the requirement for Pubco to be in compliance with the current public information required under Rule 144(c)(i) or Rule 144(i)(2) and, in the case of Registrable Securities issuable upon the exercise of warrants, assuming the exercise of such warrants for cash). If for any reason Pubco ceases to be a WKSI or becomes ineligible to utilize Form S-3, Pubco shall prepare and file with the Commission a Registration Statement or Registration Statements on such form that is available for the sale of Registrable Securities.

(d) Shelf Takedowns. At any time when the Resale Shelf Registration Statement or a Shelf Registration for the sale or distribution by holders of Registrable Securities on a delayed or continuous basis pursuant to Rule 415, including by way of an underwritten offering, block sale or other distribution plan (each, a “Resale Shelf Registration”), is effective and its use has not been otherwise suspended by Pubco in accordance with the terms of Section 2(f) below, upon a written demand (a “Takedown Demand”) by any Investor that is, in either case, a Shelf Participant holding Registrable Securities at such time (the “Initiating Holder”), Pubco will facilitate in the manner described in this Agreement a “takedown” of Registrable Securities off of such Resale Shelf Registration (a “take down offering”) and Pubco shall pay all Registration Expenses in connection therewith; provided that, subject to the MNPI Provisions, Pubco will provide (x) in connection with any non-marketed underwritten takedown offering (other than a Block Trade), at least two Business Days’ notice of such Takedown Demand to each holder of Registrable Securities (other than the Initiating Holder) that is a Shelf Participant, (y) in connection with any Block Trade initiated prior to the three year anniversary of the date hereof, notice of such Takedown Demand to each holder of Registrable Securities (other than the Initiating Holder) that is a Shelf Participant no later than noon Eastern time on the Business Day prior to the requested Takedown Demand and (z) in connection with any marketed underwritten takedown offering, at least five Business Days’ notice of such Takedown Demand to each holder of Registrable Securities (other than the Initiating Holder) that is a Shelf Participant. In connection with (x) any non-marketed underwritten takedown offering initiated prior to the three year anniversary of the date hereof and (y) any marketed underwritten takedown offering, if any Shelf Participants entitled to receive a notice pursuant to the preceding sentence request inclusion of their Registrable Securities (by notice to Pubco, which notice must be received by Pubco no later than (A) in the case of a non-marketed underwritten takedown offering (other than a Block Trade), the Business Day following the date notice is given to such participant, (B) in the case of a Block Trade, by 10:00 p.m. Eastern time on the date notice is given to such participant and (C) in the case of a marketed underwritten takedown offering, three Business Days following the date notice is given to such participant), the Initiating Holder and the other Shelf Participants that request inclusion of their Registrable Securities shall be entitled to sell their Registrable Securities in such offering. Each holder of Registrable Securities that is a Shelf Participant agrees that such holder shall treat as confidential the receipt of the notice of a Takedown Demand and shall not disclose or use the information contained in such notice without the prior written consent of Pubco until such time as the information contained therein is or becomes available to the public generally, other than as a result of disclosure by the holder in breach of the terms of this Agreement.

(e) Priority on Demand Registrations and Takedown Offerings. Pubco shall not include in any Demand Registration that is an underwritten offering any securities that are not Registrable Securities without the prior written consent of the managing underwriters and the holders of a majority of the Registrable Securities then outstanding. If a Demand Registration or a takedown offering is an underwritten offering and the managing underwriters advise Pubco in writing that in their opinion the number of Registrable Securities and, if permitted hereunder, other securities requested to be included in such offering exceeds the number of Registrable Securities and other securities, if any, which can be sold in an orderly manner in such offering within a price range acceptable to the holders of a majority of the Registrable Securities included in such underwritten offering, Pubco shall include in such offering, prior to the inclusion of any securities which are not Registrable Securities, the Registrable Securities requested to be included in

such registration (pro rata among the holders of such Registrable Securities on the basis of the number of Registrable Securities owned by each such holder).

(f) Restrictions on Demand Registrations and Takedown Offerings.

(i) Pubco shall not be obligated to effect any Demand Registration within 60 days prior to Pubco's good faith estimate of the date of filing of a Registration Statement in respect of an underwritten public offering of Pubco's securities and for such a period of time after such a filing as the managing underwriters request, provided that such period shall not exceed 120 days from the date of the underwriting agreement entered into in respect of such underwritten public offering. Pubco may postpone, for up to 60 days from the date of the request, the filing or the effectiveness of a Registration Statement for a Demand Registration or suspend the use of a prospectus that is part of any Resale Shelf Registration Statement (and therefore suspend sales of the Registrable Securities included therein pursuant to such Resale Shelf Registration Statement) by providing written notice to the holders of Registrable Securities in accordance with Section 2(f)(ii) if the board of directors of Pubco reasonably determines in good faith that the offer or sale of Registrable Securities would be expected to have a detrimental effect on any proposal or plan by Pubco or any subsidiary thereof to engage in any material acquisition or disposition of assets or stock (other than in the ordinary course of business) or any material merger, consolidation, tender offer, recapitalization, reorganization or similar transaction or would require Pubco to disclose any material nonpublic information which would reasonably be likely to be detrimental to Pubco and its subsidiaries; provided that in such event, the holders of Registrable Securities initially requesting such Demand Registration or Takedown Demand shall be entitled to withdraw such request. Pubco may delay or suspend the effectiveness of a Registration Statement filed hereunder or takedown offering pursuant to this Section 2(f)(i) twice in any consecutive twelve-month period; provided that, for the avoidance of doubt, Pubco may in any event delay or suspend the effectiveness of Demand Registration or takedown offering in the case of an event described under Section 5(g) to enable it to comply with its obligations set forth in Section 5(f).

(ii) In the case of an event that causes Pubco to suspend the use of any Resale Shelf Registration as set forth in Section 2(f)(i) or pursuant to Section 5(g) (a "Suspension Event"), Pubco shall give a notice to the holders of Registrable Securities registered pursuant to such Shelf Registration (a "Suspension Notice"), no later than three Business Days from the date of such Suspension Event, to suspend sales of the Registrable Securities and, subject to the MNPI Provisions, such notice shall state that such suspension shall continue only for so long as the Suspension Event or its effect is continuing (provided that in each notice Pubco shall not disclose the basis for such suspension or any material non-public information to any Investor unless otherwise requested in writing by such Investor). Pubco shall use commercially reasonable efforts to make the Resale Shelf Registration Statement available for the sale by Investors of Registrable Securities as soon as practicable following a Suspension Event. A holder of Registrable Securities shall not effect any sales of the Registrable Securities pursuant to such Resale Shelf Registration (or such filings) at any time after it has received a Suspension Notice from Pubco and prior to receipt of an End of Suspension Notice (as defined below); provided, for the avoidance of doubt, that the foregoing shall not restrict or otherwise affect the consummation of any sale pursuant to a contract entered into, or order placed, by any holder prior to the delivery the Suspension Notice. Each holder of Registrable Securities agrees that such holder shall treat as confidential the receipt of the Suspension Notice and shall not disclose the information contained in such Suspension Notice without the prior written consent of Pubco until such time as the information contained therein is or becomes available to the public generally, other than as a result of disclosure by such holder in breach of the terms of this Agreement. The holders of Registrable Securities may recommence effecting sales of the Registrable Securities pursuant to the Resale Shelf Registration (or such filings) following further written notice to such effect (an "End of Suspension Notice") from Pubco, which End of Suspension Notice shall be given by Pubco to the holders of Registrable Securities and to such holders' counsel, if any, promptly following the conclusion of any Suspension Event.

(iii) Notwithstanding any provision herein to the contrary, if Pubco shall give a Suspension Notice with respect to any Resale Shelf Registration pursuant to this Section 2(f), Pubco agrees that it shall extend the period of time during which such Resale Shelf Registration shall be maintained effective pursuant to this Agreement by the number of days during the period from the date of receipt by the holders of the Suspension Notice to and including the date of receipt by the holders of the End of Suspension Notice and provide copies of the supplemented or amended prospectus necessary to resume sales, with respect to each Suspension Event; provided that such period of time shall not be extended beyond the date that Common Stock covered by such Resale Shelf Registration are no longer Registrable Securities.

(g) Selection of Underwriters. In connection with any Demand Registration, the Applicable Approving Party shall have the right to select the investment banker(s) and manager(s) to administer the offering; provided that such selection shall be subject to the written consent of Pubco, which consent will not be unreasonably withheld, conditioned or delayed. If any takedown offering is an underwritten offering, the Applicable Approving Party shall have the right to select the investment banker(s) and manager(s) to administer such takedown offering, provided that such selection shall be subject to the written consent of Pubco, which consent will not be unreasonably withheld, conditioned or delayed. In each case, Pubco and the Applicable Approving Party shall have the right to approve the underwriting arrangements with such investment banker(s) and manager(s) on behalf of all holders of Registrable Securities participating in such offering. All Investors proposing to distribute their securities through underwriting shall (together with Pubco) enter into an underwriting agreement in customary form with the underwriter or underwriters selected for such underwriting.

(h) Other Registration Rights. Pubco represents and warrants to each holder of Registrable Securities that the registration rights granted in this Agreement do not conflict with any other registration rights granted by Pubco. Except as provided in this Agreement, Pubco shall not grant to any Persons the right to request Pubco to register any equity securities of Pubco, or any securities, options or rights convertible or exchangeable into or exercisable for such securities, without the prior written consent of the holders of a majority of the Registrable Securities then outstanding.

(i) Revocation of Demand Notice or Takedown Notice. At any time prior to the effective date of the Registration Statement relating to a Demand Registration or the “pricing” of any offering relating to a Takedown Demand, the holders of Registrable Securities that requested such Demand Registration or takedown offering may revoke such request for a Demand Registration or takedown offering on behalf of all holders of Registrable Securities participating in such Demand Registration or takedown offering without liability to such holders of Registrable Securities, in each case by providing written notice to Pubco.

3. Piggyback Registrations.

(a) Right to Piggyback. Whenever Pubco proposes to register under the Securities Act an offering of any of its securities on behalf of any holders thereof or otherwise effect an underwritten offering of securities (other than (i) pursuant to the Resale Shelf Registration Statement, (ii) pursuant to a Demand Registration (which, for the avoidance of doubt, is addressed in and subject to the rights set forth in, Section 2 hereof), (iii) pursuant to a Takedown Demand (which, for the avoidance of doubt, is addressed in and subject to the rights set forth in, Section 2 hereof), (iv) in connection with registrations on Form S-4 or S-8 promulgated by the Commission or any successor forms, (v) pursuant to a registration relating solely to employment benefit plans, or (vi) in connection with a registration the primary purpose of which is to register debt securities) and the registration form to be used may be used for the registration of Registrable Securities (a “Piggyback Registration”), Pubco shall give prompt written notice to all holders of Registrable Securities of its intention to effect such a Piggyback Registration and, subject to the terms of Sections 3(c) and 3(d) hereof, shall include in such Piggyback Registration (and in all related registrations or qualifications under blue sky laws or in compliance with other registration requirements and in any related underwriting) all Registrable Securities with respect to which Pubco has received written requests for inclusion therein within 10 Business Days after the delivery of Pubco’s notice; provided that any such other holder may withdraw its request for inclusion at any time prior to executing the underwriting agreement or, if none, prior to the applicable Registration Statement becoming effective (if applicable).

(b) Piggyback Expenses. The Registration Expenses of the holders of Registrable Securities shall be paid by Pubco in all Piggyback Registrations, whether or not any such registration became effective.

(c) Priority on Primary Registrations. If a Piggyback Registration is an underwritten primary registration on behalf of Pubco, and the managing underwriters advise Pubco in writing that in their opinion the number of securities requested to be included in such registration exceeds the number of securities which can be sold in such offering without adversely affecting the marketability, proposed offering price, timing or method of distribution of the offering, Pubco shall include in such registration (i) first, the securities Pubco proposes to sell, (ii) second, the Registrable Securities requested to be included in such registration by the Investors which, in the opinion of such underwriters, can be sold, without any such adverse effect (pro rata among the holders of such Registrable Securities on the basis of the number of Registrable Securities owned by each such holder), and (iii) third, other

securities requested to be included in such registration which, in the opinion of such underwriters, can be sold, without any such adverse effect.

(d) Priority on Secondary Registrations. If a Piggyback Registration is an underwritten secondary registration on behalf of holders of Pubco's securities other than holders of Registrable Securities, and the managing underwriters advise Pubco in writing that in their opinion the number of securities requested to be included in such registration exceeds the number of securities which can be sold in such offering without adversely affecting the marketability, proposed offering price, timing or method of distribution of the offering, Pubco shall include in such registration (i) first, the securities requested to be included therein by the holders initially requesting such registration, (ii) second, the Registrable Securities requested to be included in such registration by the Investors which, in the opinion of such underwriters, can be sold, without any such adverse effect (pro rata among the holders of such Registrable Securities on the basis of the number of Registrable Securities owned by each such holder), and (iii) third, other securities requested to be included in such registration which, in the opinion of such underwriters, can be sold, without any such adverse effect.

(e) Other Registrations. If Pubco has previously filed a Registration Statement with respect to Registrable Securities pursuant to Section 2 or pursuant to this Section 3, and if such previous registration has not been withdrawn or abandoned, then Pubco shall not be required to file or cause to be effected any other registration of any of its equity securities or securities convertible or exchangeable into or exercisable for its equity securities under the Securities Act (except on Form S-8 or any successor form or the Resale Shelf Registration Statement or a New Registration Statement) at the request of any holder or holders of such Registrable Securities until a period of at least 90 days has elapsed from the effective date of such previous registration; provided, however, that Pubco shall at all times remain obligated to file, supplement and/or amend, as applicable, each Registration Statement required to be filed pursuant to Section 1 in accordance with Sections 1(a) and 1(b), as applicable.

(f) Right to Terminate Registration. Pubco shall have the right to terminate or withdraw any registration initiated by it under this Section 3 whether or not any holder of Registrable Securities has elected to include securities in such registration. The Registration Expenses of such withdrawn registration shall be borne by Pubco in accordance with Section 7.

4. Agreements of Certain Holders.

(a) If required by the managing underwriter(s), in connection with any underwritten Public Offering on or after the date hereof, any Investor that beneficially owns 1% or more of the outstanding Common Stock on the date of such underwritten Public Offering shall enter into lock-up agreements with the managing underwriter(s) of such underwritten Public Offering in such form as agreed to by such managing underwriter(s). In no event shall any Investor holding Registrable Securities be required to enter into any such lock-up agreement (i) that contains less favorable terms than the terms offered to any other Investor, or (ii) unless such Investor has requested its Registrable Securities be included in such underwritten registration, after the first anniversary of the date hereof if it owns less than 5% of the outstanding Common Stock on the date of such underwritten Public Offering. In addition, (i) in no event shall any Investor be required to enter into lock-up agreements pursuant to this Section 4(a) on more than two occasions (unless such Investor is including its Registrable Securities in an underwritten registration and such lock-up is requested by the managing underwriter(s) in connection therewith), (ii) any lock-up agreement into which any Investor enters into pursuant to this Section 4(a) shall be for a period of not more than 60 days, (iii) the obligations of the Investors to enter into lockup agreements pursuant to this Section 4(a) shall terminate on the second anniversary of the date hereof, and (iv) no Investor shall be required to enter into a lock-up agreement pursuant to this Section 4(a) within six months following the expiration of a previous lock-up agreement entered into by such Investor pursuant to this Section 4(a).

(b) The holders of Registrable Securities shall use commercially reasonable efforts to provide such information as may reasonably be requested by Pubco, or the managing underwriter, if any, in connection with the preparation of any Registration Statement in which the Registrable Securities of such holder are to be included, including amendments and supplements thereto, in order to effect the Registration Statement, including amendments and supplements thereto, in order to effect the Registration of any Registrable Securities under the Securities Act pursuant to Section 3. Notwithstanding anything else in this Agreement, Pubco shall not be obligated to include such holder's Registrable Securities to the extent Pubco has not received such information, and received any other reasonably requested selling stockholder questionnaires, on or prior to the later of (i) the tenth (10th) Business Day

following the date on which such information is requested from such holder and (ii) the second Business Day prior to the first anticipated filing date of a Registration Statement pursuant to this Agreement.

5. Registration Procedures. In connection with the Registration to be effected pursuant to the Resale Shelf Registration Statement, and whenever the holders of Registrable Securities have requested that any Registrable Securities be registered pursuant to this Agreement or have initiated a takedown offering, Pubco shall use its reasonable best efforts to effect the registration and the sale of such Registrable Securities in accordance with the intended method of disposition thereof, and pursuant thereto Pubco shall as expeditiously as reasonably possible:

(a) prepare in accordance with the Securities Act and all applicable rules and regulations promulgated thereunder and file with the Commission a Registration Statement, and all amendments and supplements thereto and related prospectuses as may be necessary to comply with applicable securities laws, with respect to such Registrable Securities and use its reasonable best efforts to cause such Registration Statement to become effective (provided that at least two Business Days before filing a Registration Statement or prospectus or any amendments or supplements thereto, Pubco shall furnish to counsel selected by the Applicable Approving Party copies of all such documents proposed to be filed, which documents shall be subject to the review and comment of such counsel, and no such document shall be filed with the Commission to which any Investor or its counsel reasonably objects);

(b) notify each holder of Registrable Securities of (A) the issuance by the Commission of any stop order suspending the effectiveness of any Registration Statement or the initiation of any proceedings for that purpose, (B) the receipt by Pubco or its counsel of any notification with respect to the suspension of the qualification of the Registrable Securities for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose, and (C) the effectiveness of each Registration Statement filed hereunder;

(c) prepare and file with the Commission such amendments and supplements to such Registration Statement and the prospectus used in connection therewith as may be necessary to keep such Registration Statement and the prospectus used in connection therewith current, effective and available for the resale of all of the Registrable Securities required to be covered thereby for a period ending when all of the securities covered by such Registration Statement have been disposed of in accordance with the intended methods of distribution by the sellers thereof set forth in such Registration Statement (but not in any event before the expiration of any longer period required under the Securities Act or, if such Registration Statement relates to an underwritten Public Offering, such longer period as in the opinion of counsel for the underwriters a prospectus is required by law to be delivered in connection with sale of Registrable Securities by an underwriter or dealer) and comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such Registration Statement during such period in accordance with the intended methods of disposition by the sellers thereof set forth in such Registration Statement;

(d) furnish to each seller of Registrable Securities thereunder such number of copies of such Registration Statement, each amendment and supplement thereto, the prospectus included in such Registration Statement (including each preliminary prospectus), each Free-Writing Prospectus and such other documents as such seller may reasonably request in order to facilitate the disposition of the Registrable Securities owned by such seller;

(e) during any period in which a prospectus is required to be delivered under the Securities Act, promptly file all documents required to be filed with the Commission, including pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Securities Act;

(f) use its reasonable best efforts to register or qualify such Registrable Securities under such other securities or blue sky laws of such jurisdictions as the lead underwriter or the Applicable Approving Party reasonably requests and do any and all other acts and things which may be reasonably necessary or advisable to enable such seller to consummate the disposition in such jurisdictions of the Registrable Securities owned by such seller (provided that Pubco shall not be required to (i) qualify generally to do business in any jurisdiction where it would not otherwise be required to qualify but for this Section 5(f), (ii) consent to general service of process in any such jurisdiction or (iii) subject itself to taxation in any such jurisdiction);

(g) promptly notify in writing each seller of such Registrable Securities (i) after it receives notice thereof, of the date and time when such Registration Statement and each post-effective amendment thereto has become effective or a prospectus or supplement to any prospectus relating to a Registration Statement has been filed and when

any registration or qualification has become effective under a state securities or blue sky law or any exemption thereunder has been obtained, (ii) subject to the MNPI Provisions after receipt thereof, of any request by the Commission for the amendment or supplementing of such Registration Statement or prospectus or for additional information, and (iii) at any time when a prospectus relating thereto is required to be delivered under the Securities Act, of the happening of any event as a result of which the prospectus included in such Registration Statement contains an untrue statement of a material fact or omits any fact necessary to make the statements therein not misleading, and, at the request of any such seller, Pubco promptly shall prepare, file with the Commission and furnish to each such seller a reasonable number of copies of a supplement or amendment to such prospectus so that, as thereafter delivered to the purchasers of such Registrable Securities, such prospectus shall not contain an untrue statement of a material fact or omit to state any fact necessary to make the statements therein not misleading;

(h) cause all such Registrable Securities to be listed on each securities exchange on which similar securities issued by Pubco are then listed and, if similar securities are not so listed, to be listed on a securities exchange and, without limiting the generality of the foregoing, to arrange for at least two market makers to register as such with respect to such Registrable Securities with FINRA;

(i) if applicable, promptly effect a filing with FINRA pursuant to FINRA Rule 5110 (or successor thereto) with respect to the public offering contemplated by resales of securities under the Resale Shelf Registration Statement (an “Issuer Filing”), pay the filing fee required by such Issuer Filing and use its reasonable best efforts to pursue the Issuer Filing until FINRA issues a letter confirming that it does not object to the terms of the offering contemplated by the Resale Shelf Registration Statement.

(j) provide a transfer agent and registrar for all such Registrable Securities not later than the effective date of such Registration Statement;

(k) enter into and perform such customary agreements (including underwriting agreements in customary form) and take all such other actions as the Applicable Approving Party or the underwriters, if any, reasonably request in order to expedite or facilitate the disposition of such Registrable Securities (including, without limitation, participating in such number of “road shows”, investor presentations and marketing events as the underwriters managing such offering may reasonably request);

(l) make available for inspection by a representative of the Majority Investors, any underwriter participating in any disposition pursuant to such Registration Statement and any attorney, accountant or other agent retained by any such representative or underwriter, all financial and other records, pertinent corporate and business documents and properties of Pubco as shall be reasonably requested to enable them to exercise their due diligence responsibility, and cause Pubco’s officers, managers, directors, employees, agents, representatives and independent accountants to supply all information reasonably requested by any such representative, underwriter, attorney, accountant or agent in connection with such Registration Statement; provided, however, that any such representative or underwriter enters into a confidentiality agreement, in form and substance reasonably satisfactory to Pubco, prior to the release or disclosure of any such information;

(m) take all reasonable actions to ensure that any Free-Writing Prospectus utilized in connection with any Demand Registration (including any Shelf Registration) or Piggyback Registration hereunder complies in all material respects with the Securities Act, is filed in accordance with the Securities Act to the extent required thereby, is retained in accordance with the Securities Act to the extent required thereby and, when taken together with the related prospectus, shall not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading;

(n) otherwise use its reasonable best efforts to comply with all applicable rules and regulations of the Commission;

(o) permit any holder of Registrable Securities who, in its good faith judgment (based on the advice of counsel), could reasonably be expected to be deemed to be an underwriter or a controlling Person of Pubco to participate in the preparation of such registration or comparable statement and to require the insertion therein of material furnished to Pubco in writing, which in the reasonable judgment of such holder and its counsel should be included;

(p) in the event of the issuance of any stop order suspending the effectiveness of a Registration Statement, or of any order suspending or preventing the use of any related prospectus or suspending the qualification of any Common Stock included in such Registration Statement for sale in any jurisdiction, use its reasonable best efforts promptly to obtain the withdrawal of such order;

(q) use its reasonable best efforts to cause such Registrable Securities covered by such Registration Statement to be registered with or approved by such other governmental agencies or authorities as may be necessary to enable the sellers thereof to consummate the disposition of such Registrable Securities;

(r) cooperate with the holders of Registrable Securities covered by the Registration Statement and the managing underwriter or agent, if any, to facilitate the timely preparation and delivery of certificates (not bearing any restrictive legends) representing securities to be sold under the Registration Statement and enable such securities to be in such denominations and registered in such names as the managing underwriter, or agent, if any, or such holders may request;

(s) cooperate with each holder of Registrable Securities covered by the Registration Statement and each underwriter or agent participating in the disposition of such Registrable Securities and their respective counsel in connection with any filings required to be made with FINRA;

(t) if such registration includes an underwritten public offering, use its reasonable best efforts to obtain a cold comfort letter from Pubco's independent public accountants and addressed to the underwriters, in customary form and covering such matters of the type customarily covered by cold comfort letters as the underwriters in such registration reasonably request;

(u) provide a legal opinion of Pubco's outside counsel, dated the effective date of such Registration Statement (and, if such registration includes an underwritten Public Offering, dated the date of the closing under the underwriting agreement), with respect to the Registration Statement, each amendment and supplement thereto, the prospectus included therein (including the preliminary prospectus) and such other documents relating thereto in customary form and covering such matters of the type customarily covered by legal opinions of such nature, which opinion shall be addressed to the underwriters;

(v) if Pubco files an Automatic Shelf Registration Statement covering any Registrable Securities, use its reasonable best efforts to remain a WKSII (and not become an ineligible issuer (as defined in Rule 405)) during the period during which such Automatic Shelf Registration Statement is required to remain effective;

(w) if Pubco does not pay the filing fee covering the Registrable Securities at the time an Automatic Shelf Registration Statement is filed, pay such fee at such time or times as the Registrable Securities are to be sold;

(x) subject to the terms of Section 2(c) and Section 2(d), if an Automatic Shelf Registration Statement has been outstanding for at least three years, at the end of the third year, refile a new Automatic Shelf Registration Statement covering the Registrable Securities, and, if at any time when Pubco is required to re-evaluate its WKSII status Pubco determines that it is not a WKSII, use its reasonable best efforts to refile the Registration Statement on Form S-3 and keep such Registration Statement effective (including by filing a new Resale Shelf Registration or Shelf Registration, if necessary) during the period throughout which such Registration Statement is required to be kept effective;

(y) cooperate with each Investor that holds Registrable Securities being offered and the managing underwriter or underwriters with respect to an applicable Registration Statement, if any, to facilitate the timely (i) preparation and delivery of certificates (not bearing any restrictive legends) representing Registrable Securities to be offered pursuant to such Registration Statement, and enable such certificates to be registered in such names and in such denominations or amounts, as the case may be, or (ii) crediting of the Registrable Securities to be offered pursuant to a Registration Statement to the applicable account (or accounts) with The Depository Trust Company ("DTC") through its Deposit/Withdrawal At Custodian ("DWAC") system, in any such case as such Investor or the managing underwriter or underwriters, if any, may reasonably request; and

(z) for so long as this Agreement remains effective, (a) cause the Common Stock to be eligible for clearing through DTC, through its DWAC system; (b) be eligible and participating in the Direct Registration System (DRS) of DTC with respect to the Common Stock; (c) ensure that the transfer agent for the Common Stock is a participant in, and that the Common Stock is eligible for transfer pursuant to, DTC's Fast Automated Securities Transfer Program (or successor thereto); and (d) use its reasonable best efforts to cause the Common Stock to not at any time be subject to any DTC "chill," "freeze" or similar restriction with respect to any DTC services, including the clearing of shares of Common Stock through DTC, and, in the event the Common Stock becomes subject to any DTC "chill," "freeze" or similar restriction with respect to any DTC services, use its reasonable best efforts to cause any such "chill," "freeze" or similar restriction to be removed at the earliest possible time.

6. Termination of Rights. Notwithstanding anything contained herein to the contrary, the right of any Investor to include Registrable Securities in any Demand Registration or any Piggyback Registration shall terminate on such date that (i) such Investor (together with its affiliates) beneficially owns less than 1% of the outstanding Common Stock, (ii) has held the securities for one year and (iii) may sell all of the Registrable Securities owned by such Investor pursuant to Rule 144 of the Securities Act without any restrictions as to volume or the manner of sale or otherwise and without the requirement for Pubco to be in compliance with the current public information required under Rule 144(c)(i) or Rule 144(i)(2); provided, however, that with respect to any Investor whose rights have terminated pursuant to this Section 6, if following such a termination, such Investor loses the ability to sell all of its Registrable Securities pursuant to Rule 144 of the Securities Act without any restrictions as to volume or the manner of sale or otherwise and without the requirement for Pubco to be in compliance with the current public information required under Rule 144(c)(i) or Rule 144(i)(2) due to a change in interpretive guidance by the Commission or otherwise, then such Investor's right to include Registrable Securities in any Demand Registration or any Piggyback Registration shall be reinstated until such time as the Investor is once again able to sell all of its Registrable Securities pursuant to Rule 144 of the Securities Act without any restrictions as to volume or the manner of sale or otherwise and without the requirement for Pubco to be in compliance with the current public information required under Rule 144(c)(i) or Rule 144(i)(2).

7. Registration Expenses.

(a) All expenses incident to Pubco's performance of or compliance with this Agreement, including, without limitation, all registration, qualification and filing fees, listing fees, fees and expenses of compliance with securities or blue sky laws, stock exchange rules and filings, printing expenses, messenger and delivery expenses, fees and disbursements of custodians, and fees and disbursements of counsel for Pubco and all independent certified public accountants, underwriters (excluding underwriting discounts and commissions) and other Persons retained by Pubco (all such expenses being herein called "Registration Expenses"), shall be borne by Pubco as provided in this Agreement and, for the avoidance of doubt, Pubco also shall pay all of its internal expenses (including, without limitation, all salaries and expenses of its officers and employees performing legal or accounting duties), the expense of any annual audit or quarterly review, the expense of any liability insurance and the expenses and fees for listing the securities to be registered on each securities exchange on which similar securities issued by Pubco are then listed. Each Person that sells securities hereunder shall bear and pay all underwriting discounts and commissions, underwriter marketing costs, brokerage fees and transfer taxes applicable to the securities sold for such Person's account and all reasonable fees and expenses of any legal counsel representing any such Person.

(b) Pubco shall reimburse the holders of Registrable Securities included in such registration for the reasonable fees and disbursements of one counsel chosen by the Applicable Approving Party in connection with any underwritten Demand Registration.

8. Indemnification.

(a) Pubco agrees to (i) indemnify, defend and hold harmless, to the fullest extent permitted by law, each Investor, each Person who controls such Investor (within the meaning of the Securities Act or the Exchange Act) each Investor's and control Person's respective officers, directors, members, partners, managers, agents, affiliates and employees from and against all losses, claims, actions, damages, liabilities and expenses ("Losses") caused by any untrue or alleged untrue statement of material fact contained in any Registration Statement, prospectus, preliminary prospectus, free writing prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading (in

the case of a prospectus, in light of the circumstances under which the statements therein were made), and (ii) pay to each Investor and their respective officers, directors, members, partners, managers, agents, affiliates and employees and each Person who controls such Investor (within the meaning of the Securities Act or the Exchange Act), as incurred, any legal and any other expenses reasonably incurred in connection with investigating, preparing or defending any such claim, loss, damage, liability or action, except in each case of (i) or (ii) insofar as the same are caused by or contained in any information furnished in writing to Pubco or any managing underwriter by or on behalf of such Investor expressly for use therein; provided, however, that the indemnity agreement contained in this Section 8 shall not apply to amounts paid in settlement of any such claim, loss, damage, liability or action if such settlement is effected without the consent of Pubco (which consent shall not be unreasonably withheld, conditioned or delayed), nor shall Pubco be liable in any such case for any such claim, loss, damage, liability or action to the extent that it arises out of or is based upon an untrue or alleged untrue statement of any material fact contained in the Registration Statement, prospectus, preliminary prospectus, free writing prospectus or any amendment thereof or supplement thereto or omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent that such untrue statement or alleged untrue statement or omission or alleged omission was made in the Registration Statement, prospectus, preliminary prospectus, free writing prospectus or any amendment thereof or supplement thereto, in reliance upon and in conformity with written information furnished by or on behalf of such Investor expressly for use in connection with such Registration Statement or to the extent that such Loss results from an Investor's initiation of a transaction pursuant to a Registration Statement during a Suspension Event noticed to such Investor by Pubco in accordance with Section 2(f)(ii) hereof. In connection with an underwritten offering, Pubco shall indemnify any underwriters or deemed underwriters, their officers and directors and each Person who controls such underwriters (within the meaning of the Securities Act or the Exchange Act) to the same extent as provided above with respect to the indemnification of the holders of Registrable Securities.

(b) In connection with any Registration Statement in which a holder of Registrable Securities is participating, each such holder shall furnish to Pubco in writing such information relating to such holder as Pubco reasonably requests for use in connection with any such Registration Statement or prospectus and, to the extent permitted by law, shall indemnify Pubco, its officers, directors, employees, agents and representatives and each Person who controls Pubco (within the meaning of the Securities Act) against any losses, claims, damages, liabilities and expenses resulting from any untrue or alleged untrue statement of material fact contained in the Registration Statement, prospectus or preliminary prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, but only to the extent that such untrue or alleged untrue statement or omission is contained in any information so furnished in writing by or on behalf of such holder or to the extent that such Loss results from an Investor's initiation of a transaction pursuant to a Registration Statement during a Suspension Event noticed to such Investor by Pubco in accordance with Section 2(f)(ii) hereof; provided that the obligation to indemnify shall be individual, not joint and several, for each holder and shall be limited to the net amount of proceeds actually received by such holder from the sale of Registrable Securities pursuant to such Registration Statement.

(c) Any Person entitled to indemnification hereunder shall (i) give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification (provided that the failure to give prompt notice shall not impair any Person's right to indemnification hereunder to the extent such failure has not materially prejudiced the indemnifying party in defending such claim) and (ii) unless in such indemnified party's reasonable judgment a conflict of interest between such indemnified and indemnifying parties may exist with respect to such claim, permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party. If such defense is assumed, the indemnifying party shall not be subject to any liability for any settlement made by the indemnified party without its consent (but such consent shall not be unreasonably withheld, conditioned or delayed). An indemnifying party who is not entitled to, or elects not to, assume the defense of a claim shall not be obligated to pay the fees and expenses of more than one counsel (as well as one local counsel for each applicable jurisdiction) for all parties indemnified by such indemnifying party with respect to such claim, unless in the reasonable judgment of any indemnified party a conflict of interest may exist between such indemnified party and any other of such indemnified parties with respect to such claim. In such instance, the conflicted indemnified parties shall have a right to retain one separate counsel, chosen by the holders of a majority of the Registrable Securities included in the registration, at the expense of the indemnifying party. Notwithstanding anything to the contrary contained herein, Pubco shall not, without the prior written consent of the Person entitled to indemnification, consent to entry of any judgment or enter into any settlement or other compromise with respect to

any claim in respect of which indemnification or contribution may be or has been sought hereunder (whether or not any such indemnified Person is an actual or potential party to such action or claim) which does not include as an unconditional term thereof the giving by the claimant or plaintiff to the indemnified Persons of a full release from all liability with respect to such claim or which includes any admission as to fault or culpability or failure to act on the part of any indemnified Person.

(d) Each party hereto agrees that, if for any reason the indemnification provisions contemplated by Sections 8(a) or 8(b) are unavailable to or insufficient to hold harmless an indemnified party in respect of any losses, claims, damages, liabilities or expenses (or actions in respect thereof) referred to therein, then each indemnifying party, in lieu of indemnifying such indemnified party, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages, liabilities or expenses (or actions in respect thereof) in such proportion as is appropriate to reflect the relative fault of the indemnifying party and the indemnified party in connection with the actions which resulted in such losses, claims, damages, liabilities or expenses, as well as any other relevant equitable considerations. The relative fault of such indemnifying party and indemnified party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, relates to information supplied by or on behalf of such indemnifying party or indemnified party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The parties hereto agree that it would not be just or equitable if contribution pursuant to this Section 8(d) were determined by pro rata allocation (even if the holders or any underwriters or all of them were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in this Section 8(d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages, liabilities or expenses (or actions in respect thereof) referred to above shall be deemed to include any legal or other fees or expenses reasonably incurred by such indemnified party in connection with investigating or, except as provided in Section 8(c), defending any such action or claim. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. The sellers' obligations in this Section 8(d) to contribute shall be several in proportion to the amount of securities registered by them and not joint and shall be limited to an amount equal to the net proceeds actually received by such seller from the sale of Registrable Securities effected pursuant to such registration (less the aggregate amount of any damages or other amounts such Investor has otherwise been required to pay (pursuant to Section 8(b) or otherwise) as a result of any untrue statements, alleged untrue statements, omissions or alleged omissions in connection with such registration).

(e) The indemnification and contribution provided for under this Agreement shall remain in full force and effect regardless of any investigation made by or on behalf of the indemnified party or any officer, director, manager, agent, representative or controlling Person of such indemnified party and shall survive the transfer of Registrable Securities and the termination or expiration of this Agreement.

9. Participation in Underwritten Registrations. No Person may participate in any registration hereunder which is underwritten unless such Person (a) agrees to sell such Person's securities on the basis provided in any underwriting arrangements approved by the Person or Persons entitled hereunder to approve such arrangements (including, without limitation, pursuant to any over-allotment or "green shoe" option requested by the underwriters; provided that no holder of Registrable Securities shall be required to sell more than the number of Registrable Securities such holder has requested to include) and (b) completes and executes all questionnaires, powers of attorney, custody agreements, stock powers, indemnities, underwriting agreements and other documents required under the terms of such underwriting arrangements; provided that no holder of Registrable Securities included in any underwritten registration shall be required to make any representations or warranties to Pubco or the underwriters (other than representations and warranties regarding such holder, such holder's title to the securities, such Person's authority to sell such securities and such holder's intended method of distribution) or to undertake any indemnification obligations to Pubco or the underwriters with respect thereto that are materially more burdensome than those provided in Section 8. Each holder of Registrable Securities shall execute and deliver such other agreements as may be reasonably requested by Pubco and the lead managing underwriter(s) that are consistent with such holder's obligations under Section 4, Section 5 and this Section 9 or that are necessary to give further effect thereto, and Pubco shall execute and deliver such other agreements as may be reasonably requested by the lead managing underwriter(s) (if applicable) in order to effect any registration required hereunder. To the extent that any such agreement is entered into pursuant to, and consistent with, Section 4 and this Section 9, the respective rights and obligations created under such agreement shall supersede the respective rights and obligations of the holders, Pubco and the underwriters created pursuant to this Section 9.

10. Other Agreements.

(a) For so long as any Investor holds Registrable Securities that may be sold pursuant to Rule 144 only if Pubco is in compliance with the current public information requirement under Rule 144(c)(1) (or Rule 144(i)(2), if applicable), Pubco will use its commercially reasonable efforts to make and keep public information available, as those terms are understood and defined in Rule 144 and, in furtherance thereof, (i) remain subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act; and (ii) timely (without giving effect to any extensions pursuant to Rule 12b-25 under the Exchange Act, as applicable) file all reports and other materials required to be filed by Section 13 or 15(d) of the Exchange Act, as applicable (provided, that the failure to file Current Reports on Form 8-K shall not be deemed to violate this Section 10(b) to the extent that Rule 144 remains available for the resale of Registrable Securities). Upon reasonable prior written request, Pubco shall deliver to the Investors a customary written statement as to whether it has complied with such requirements.

(b) Notwithstanding anything in this Agreement to the contrary, in the event that Pubco believes that a notice or communication required by this Agreement to be delivered to any Investor contains material, nonpublic information relating to Pubco, its securities, any of its affiliates or any other Person, Pubco shall so indicate to such Investor prior to delivery of such notice or communication, and such indication shall provide such Investor the means to refuse to receive such notice or communication; and in the absence of any such indication, the Investors and their respective affiliates, agents and representatives shall be allowed to presume that all matters relating to such notice or communication do not constitute material, nonpublic information relating to Pubco, its securities, any of its affiliates or any other Person. In the event of a breach of any of the foregoing covenants by Pubco, any of its affiliates, or any of its or their respective officers, directors (or equivalent persons), employees, attorneys, agents or representatives, in addition to any other remedies otherwise available at law or in equity, each of the Investors shall have the right to make a public disclosure in the form of a press release or otherwise, of the applicable material nonpublic information without the prior approval by Pubco or any of its affiliates, officers, directors (or equivalent persons), employees, stockholders, attorneys, agents or representatives, and no Investor (nor any of its affiliates, agents or representatives) shall have any liability to Pubco, any of its affiliates or any of its or their respective officers, directors (or equivalent persons), employees, stockholders, attorneys, agents or representatives for any such disclosure.

(c) Notwithstanding the foregoing, to the extent Pubco reasonably and in good faith determines that it is necessary to disclose material non-public information to an Investor in order to comply with its obligations hereunder (a "Necessary Disclosure"), Pubco shall inform counsel to such Investor of such determination without disclosing the applicable material non-public information, and Pubco and such counsel on behalf of the applicable Investor shall endeavor to agree upon a process for making such Necessary Disclosure to the applicable Investor or its representatives that is mutually acceptable to such Investor and Pubco (an "Agreed Disclosure Process"). Thereafter, Pubco shall be permitted to make such Necessary Disclosure (only) in accordance with the Agreed Disclosure Process. In furtherance of (but without limiting) the foregoing, at any time on or after the effective date of the Resale Shelf Registration Statement, any Investor may deliver written notice (an "Opt-Out Notice") to Pubco requesting that such Investor thereafter not receive notices from Pubco otherwise required by Section 10 of this Agreement, other than Suspension Notices to the extent applicable to such Investor; provided, however, that such Investor may later revoke any such Opt-Out Notice in writing. Following receipt of an Opt-Out Notice from any Investor (unless such Opt-Out Notice is subsequently revoked), Pubco shall not deliver any such notices to such Investor, and such Investor shall no longer be entitled to the rights associated with any such notice or conditioned upon the receipt of or response to any such notice.

(d) The stock certificates evidencing the Registrable Securities (and/or book entries representing the Registrable Securities) held by each Investor shall not contain or be subject to any legend restricting the transfer thereof (and the Registrable Securities shall not be subject to any stop transfer or similar instructions or notations) and no Investor shall be required to delivery any documentation affixed with a medallion guarantee in connection therewith: (A) while a Registration Statement covering the sale or resale of such securities is effective under the Securities Act, or (B) if such Investor provides customary paperwork to the effect that it has sold such shares pursuant to Rule 144, or (C) if such Registrable Securities are eligible for sale under Rule 144(b)(1) as set forth in customary non-affiliate paperwork provided by such Investor, or (D) if at any time on or after the date that is one year after the Form 10 Disclosure Filing Date such Investor certifies that it is not an affiliate of Pubco and that such Investor's holding period for purposes of Rule 144 in respect of such Registrable Securities is at least six months, or (E) if such legend is not required under applicable requirements of the Securities Act (including judicial interpretations and

pronouncements issued by the staff of the Commission) as determined in good faith by counsel to Pubco or set forth in a legal opinion delivered by nationally recognized counsel to the Initiating Holder (collectively, the “Unrestricted Conditions”). Pubco agrees that following the Registration Date or at such time as any of the Unrestricted Conditions is met or such legend is otherwise no longer required it will, no later than two Business Days following the delivery by an Investor to Pubco or Pubco’s transfer agent of a certificate representing any Registrable Securities, issued with a restrictive legend, (or, in the case of Registrable Securities represented by book entries, delivery by an Investor to Pubco or Pubco’s transfer agent of a legend removal request) deliver or cause to be delivered to such Investor a certificate or, at the request of such Investor, deliver or cause to be delivered such Registrable Securities to such Investor by crediting the account of such Investor’s prime broker with DTC through its Deposit/Withdrawal at Custodian (DWAC) system, in each case, free from all restrictive and other legends and stop transfer or similar instructions or notations and without the requirement for any Investor to deliver any documentation affixed with a medallion guarantee. For purposes hereof, “Registration Date” shall mean the date that the Resale Shelf Registration Statement covering the Registration Statement has been declared effective by the Commission. If any of the Unrestricted Conditions is met at the time of issuance of any Registrable Securities (e.g., upon exercise of warrants), then such securities shall be issued free of all legends. Each Investor shall have the right to pursue any remedies available to it hereunder, or otherwise at law or in equity, including a decree of specific performance and/or injunctive relief, with respect to Pubco’s failure to timely deliver shares of Common Stock without legend as required pursuant to the terms hereof.

(a) No Inconsistent Agreements. Pubco shall not hereafter enter into any agreement with respect to its securities which is inconsistent with or violates or in any way impairs the rights granted to the Investors in this Agreement.

(b) Entire Agreement. This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes all prior agreements, understandings, negotiations and discussions among the parties hereto, written or oral, with respect to the subject matter hereof.

(c) Remedies. Any Person having rights under any provision of this Agreement shall be entitled to enforce such rights specifically (without posting a bond or other security), to recover damages caused by reason of any breach of any provision of this Agreement and to exercise all other rights granted by law. The parties hereto agree and acknowledge that money damages would not be an adequate remedy for any breach of the provisions of this Agreement and that, in addition to any other rights and remedies existing in its favor, any party shall be entitled to specific performance and/or other injunctive relief from any court of law or equity of competent jurisdiction (without posting any bond or other security) in order to enforce or prevent violation of the provisions of this Agreement.

(d) Amendments and Waivers. Except as otherwise provided herein, the provisions of this Agreement may be amended or waived only with the prior written consent of Pubco and the holders of a majority of the Registrable Securities then outstanding, provided, that no amendment may materially and disproportionately adversely affect the rights of any holder of Registrable Securities compared to other holders of Registrable Securities without the consent of such adversely affected holder. Any amendment or waiver effected in accordance with this Section 12(d) shall be binding upon each Investor and Pubco. The failure of any party to enforce any of the provisions of this Agreement shall in no way be construed as a waiver of such provisions and shall not affect the right of such party thereafter to enforce each and every provision of this Agreement in accordance with its terms.

(e) Successors and Assigns. All covenants and agreements in this Agreement by or on behalf of any of the parties hereto shall bind and inure to the benefit of the respective successors and permitted assigns of the parties hereto whether so expressed or not. Pubco shall not assign its obligations hereunder without the prior written consent of the holders of a majority of the Registrable Securities then outstanding.

A transferee of Registrable Securities who satisfies the conditions set forth in this Section 12(f) shall henceforth be an "Investor" for purposes of this Agreement. In the event a holder transfers Registrable Securities included on a Registration Statement and such Registrable Securities remain Registrable Securities following such transfer, at the request of such holder, Pubco shall use its reasonable best efforts to amend or supplement the Resale Shelf Registration Statement as may be necessary in order to enable such transferee to offer and sell such Registrable Securities pursuant to such Resale Shelf Registration Statement; provided that in no event shall Pubco be required to file a post-effective amendment to the Resale Shelf Registration Statement unless Pubco receives a written request from the subsequent transferee, requesting that its shares of Common Stock be included in the Resale Shelf Registration Statement, with all information reasonably requested by Pubco.

(g) Severability. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be prohibited by or invalid, illegal or unenforceable in any respect under any applicable law, such provision shall be ineffective only to the extent of such prohibition, invalidity, illegality or unenforceability, without invalidating the remainder of this Agreement.

(h) Counterparts. This Agreement may be executed simultaneously in counterparts (including by means of facsimile, electronic mail, portable data format (PDF) or other electronic signature pages), any one of which need not contain the signatures of more than one party, but all such counterparts taken together shall constitute one and the same Agreement.

All notices, demands or other communications to be given or delivered under or by reason of the provisions of this Agreement shall be in writing and shall be given (and shall be deemed to have been duly given upon receipt) by delivery in person, by or email or by registered or certified mail (postage prepaid, return receipt requested) to each Investor at the address indicated on the Schedule of Investors attached hereto and to Pubco at the address indicated below (or at such other address as shall be specified in a notice given in accordance with this Section 12(k)):

As a specifically bargained inducement for each of the parties to enter into this Agreement (with each party having had opportunity to consult counsel), each party hereto expressly and irrevocably waives the right to trial by jury in any lawsuit or legal proceeding relating to or arising in any way from this Agreement or the transactions contemplated herein, and any lawsuit or legal proceeding relating to or arising in any way to this Agreement or the transactions contemplated herein shall be tried in a court of competent jurisdiction by a judge sitting without a jury.
